Music - Students practiced Christmas carol during the music class.

This week children of class - 1 started learning double digit addition with regrouping. They learnt how to carry over the number to the tens position by adding ones position if it's more than one digit. Also they enjoyed their activity based on Ordinal numbers where they had to tell the position of the animals. Students also revised the week days names and month names.

Tell the order -

frog	dog	lion	cow	fox	cat	goat	hen	owl	seal

	Tens	Ones
14	1	4
+ 15	1	5
<hr/>		
6	6	0

	Tens	Ones
39	3	9
+ 21	2	1
<hr/>		
6	6	0

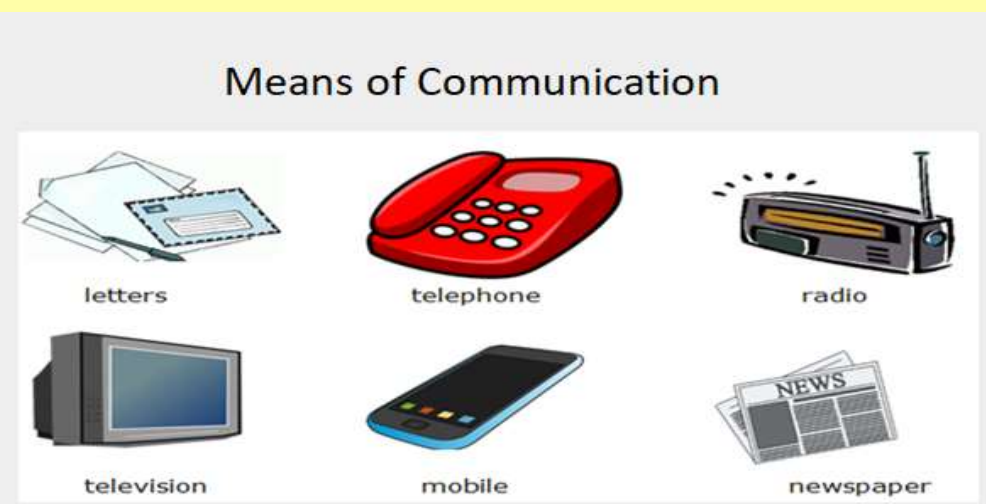

**Addition with Carry**

	Tens	Ones
14	1	4
+ 15	1	5
<hr/>		
6	6	0

# ENVIRONMENTAL SCIENCE

Children of class 1 studied the concept of communication in their EVS class. They were informed about different means of communication and its importance. The kids understood the concept of sharing information one to one (individual communication) and one to many (mass communication) through different mediums. A video was also shown to them for better retention.

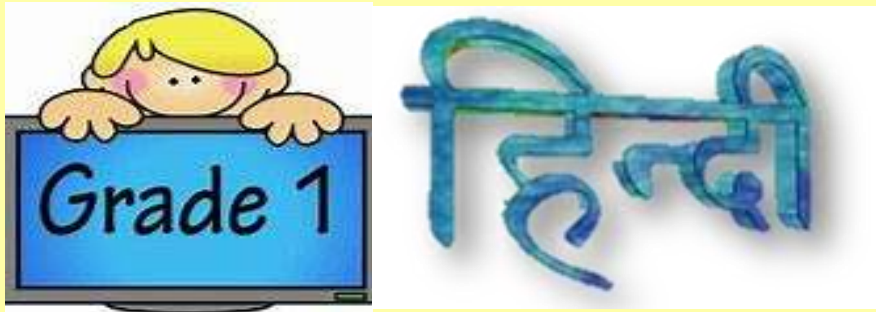

Dancing helps us express our feelings and get active as well. Moreover, it is simply a translator for our hearts. Children of class 1 enjoyed learning to dance to the Happy song wherein they learned how to catch the rhythm and coordinate with legs and hand movement.

“Revision is going forward into the process of creation.” Students of class 1 preparing themselves for the upcoming assessments. The concept of rhyming words and is, am & are was revised through pictures and videos during English class. Later they participated in the class activity of making a rhyming train.

Children of class 1 revised the poem of the month and the concept of विलोम शब्द was also introduced wherein every child got an opportunity to think of a pair of words which are opposite in their meaning.

**विलोम शब्द**  
विलोम उन शब्दों को कहते हैं जो एक-दूसरे का उलटा या विपरीत अर्थ बताते हैं।

 छोटा	 बड़ा	 दिन	 रात
 सूखा	 गीला	 सीधा	 गंदा
 कम	 ज्यादा		

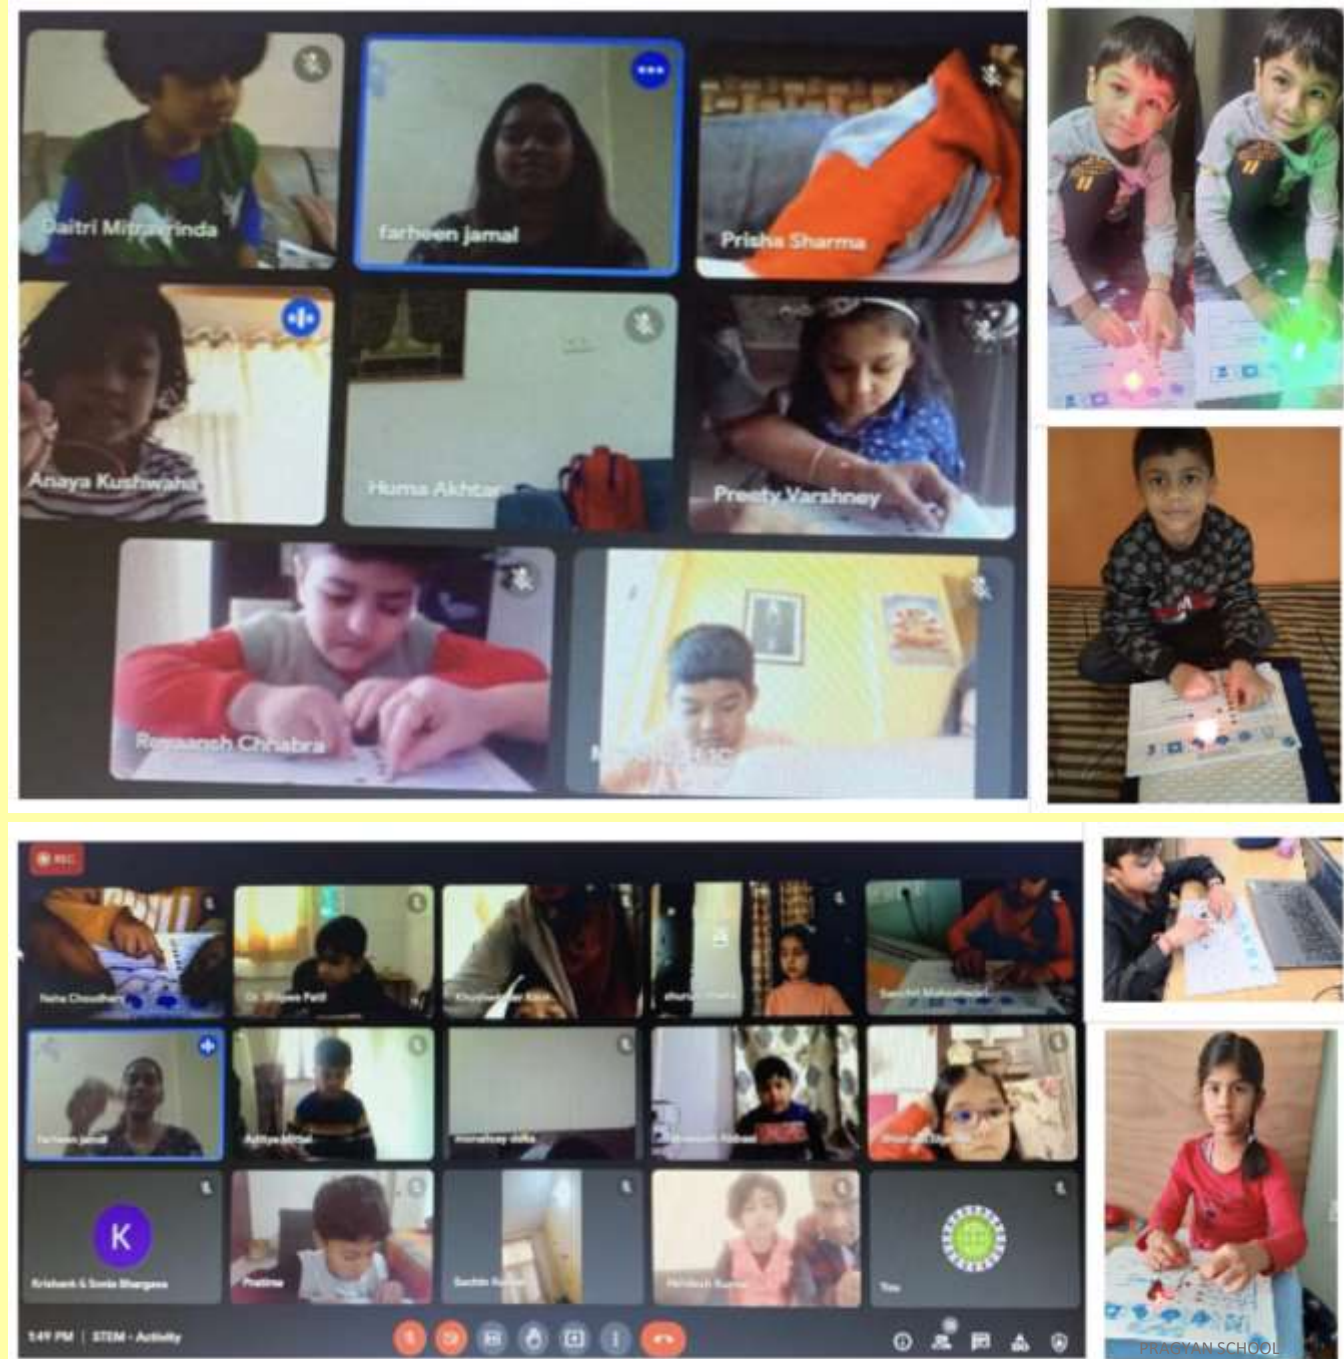

**विलोम शब्द**  
किसी शब्द का उल्टा अर्थ देने वाले शब्द को विलोम शब्द कहते हैं

 नया	 पुराना	 छोटा	 बड़ा
--	---	---	---

A grid of 12 small video feeds showing children participating in a class. The children are of various ages and are looking towards the camera, some appearing to be speaking or listening.

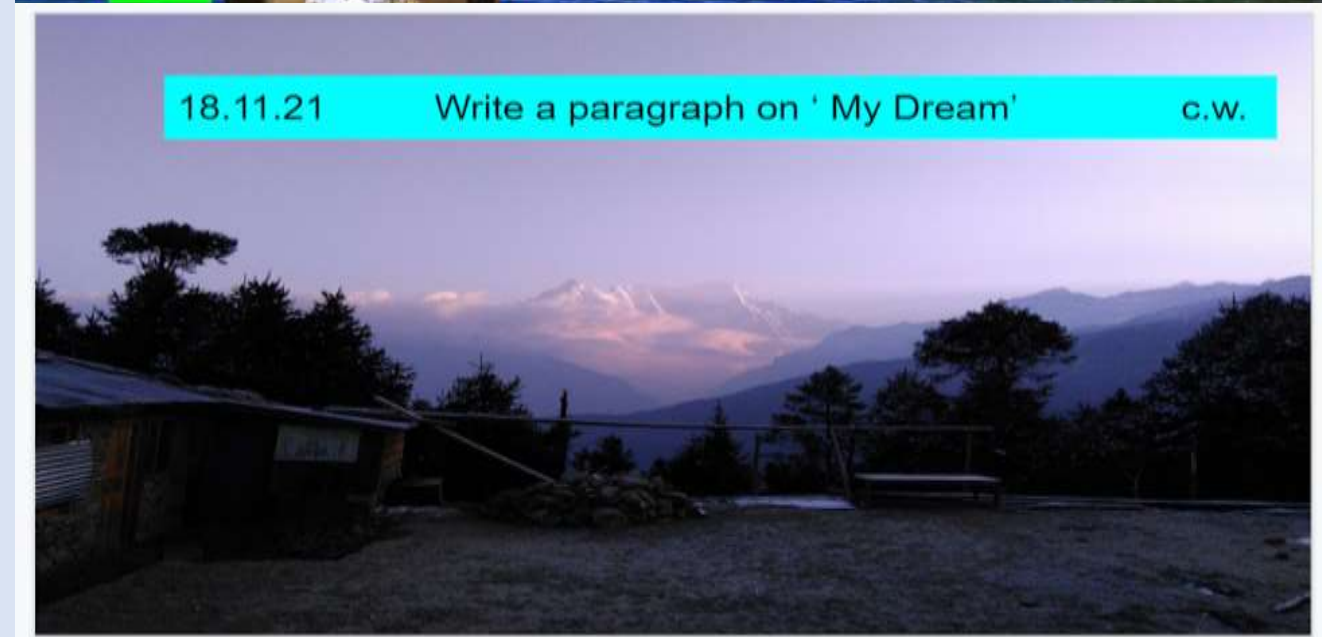

STEM lab provides exposure and gives opportunity to explore STEM-related concepts. It also develops a passion towards experiments and helps kids to observe and learn concepts at their own pace. The second cycle of STEM activity was held on Saturday 13th, where the kids performed their activity using their STEM kit. The session was based on the concept of healthy and junk food.

During class discussion, students of class 2 enjoyed sharing their thoughts on the topic 'My dream'. Every child got an opportunity to express their views and was asked to write a paragraph on the same topic. As part of their creative writing, students made an effort to write a few lines with little guidance and help.

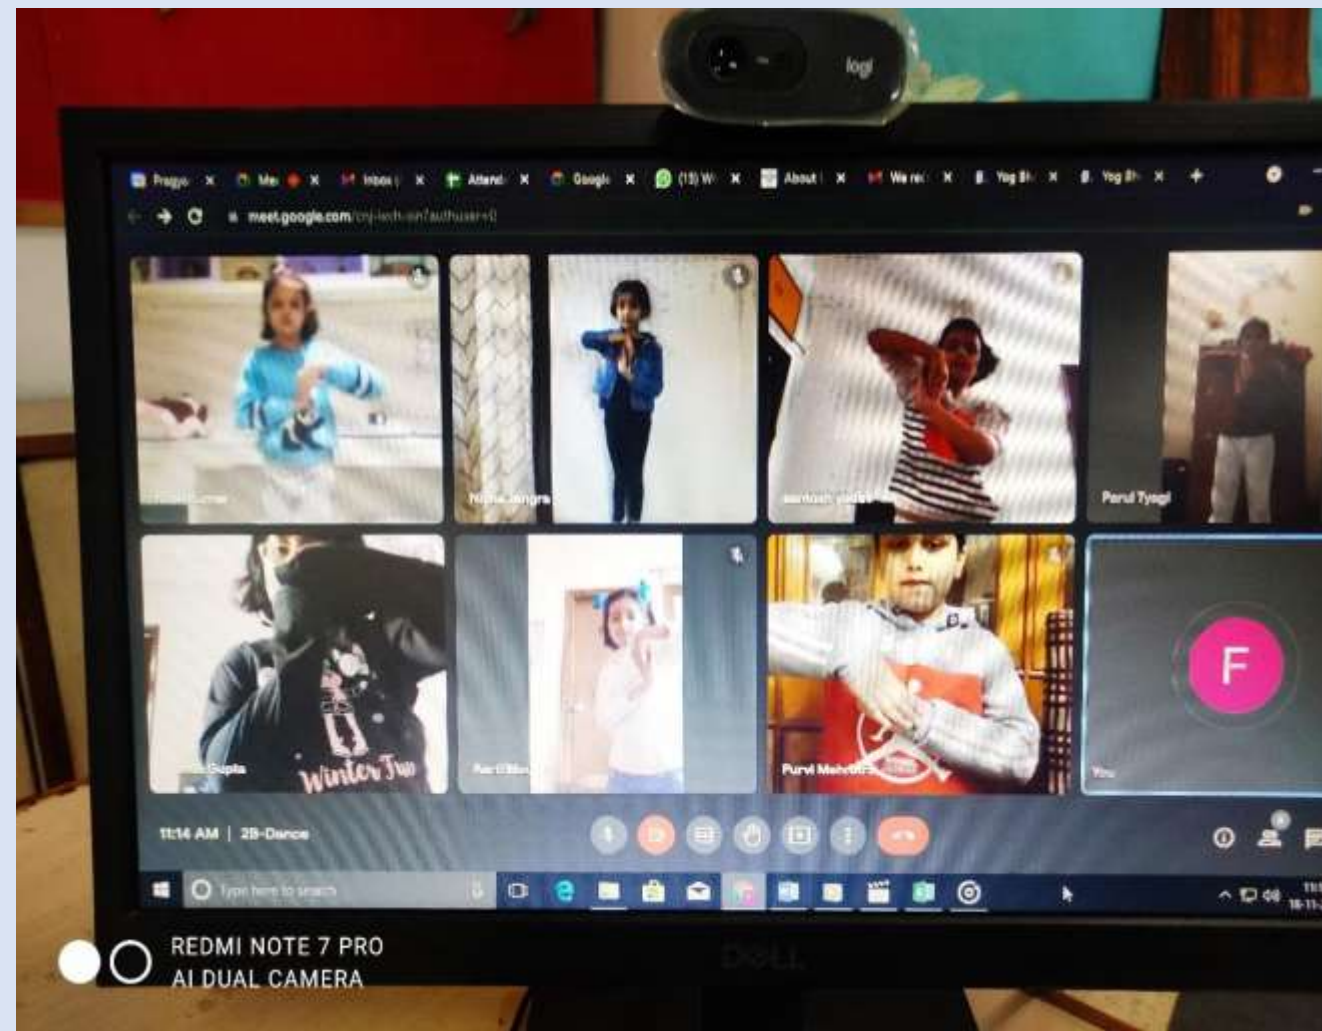

A screenshot of a Zoom meeting. The main screen displays a presentation slide with the following text: "दिन- ४" (Day- 4) on the left, "१८-११-२०२१" (18-11-2021) on the right, and "पठन कार्य व कविता गायन" (Reading activity and poetry recitation) in the center. Below this, it says "(शिक्षक / पेड़ लगाओ/जन्मदिवस पर पेड़ लगाओ / मेरी प्यारी मां)" (Teacher / Plant a tree/ Birth day on plant a tree / My dear mother). There are icons of a book and a microphone. The right side of the screen shows a grid of participants, including Shivani Kapoor and Vrinda Gupta. The top of the screen shows "You're presenting to everyone" and "Presentation audio" with a blue checkmark.

A screenshot of a Zoom meeting. The main screen displays a presentation slide with the following text: "डरपोक पत्थर" (Darpok Pathar) in a green box at the top. Below it, the text reads: "बहुत पहले की बात है एक शिल्पकार मूर्ति बनाने के लिए जंगल में पत्थर ढूँढने गया। वहाँ उसको एक बहुत ही अच्छा पत्थर मिल गया। जिसको देखकर वह बहुत खुश हुआ और कहा यह मूर्ति बनाने के लिए बहुत ही सही है।" (A long time ago a sculptor went to the forest to find a stone to make a statue. There he found a very good stone. When he saw it, he was very happy and said this stone is very good for making a statue.) Below this, it says: "जब वह आ रहा था तो उसको एक और पत्थर मिला उसने उस पत्थर को भी अपने साथ ले लिया। घर जाकर उसने पत्थर को उठा कर अपने औजारों से उस पर कारीगरी करनी शुरू कर दिया।" (When he was coming, he found another stone. He took that stone with him. When he went home, he took the stone and started carving it with his tools.) The right side of the screen shows a grid of participants, including Mihai, Parul, and Vedika Arora. The top of the screen shows "You're presenting to everyone" and "Presentation audio" with a blue checkmark. The bottom of the screen shows a toolbar with icons for mute, video, chat, and other functions.

Water is an essential element for the survival of all living things. Students of class 2 got an opportunity to share their thoughts by writing the various ways to conserve water. They also recited a poem and read an unseen passage during their assessment class.

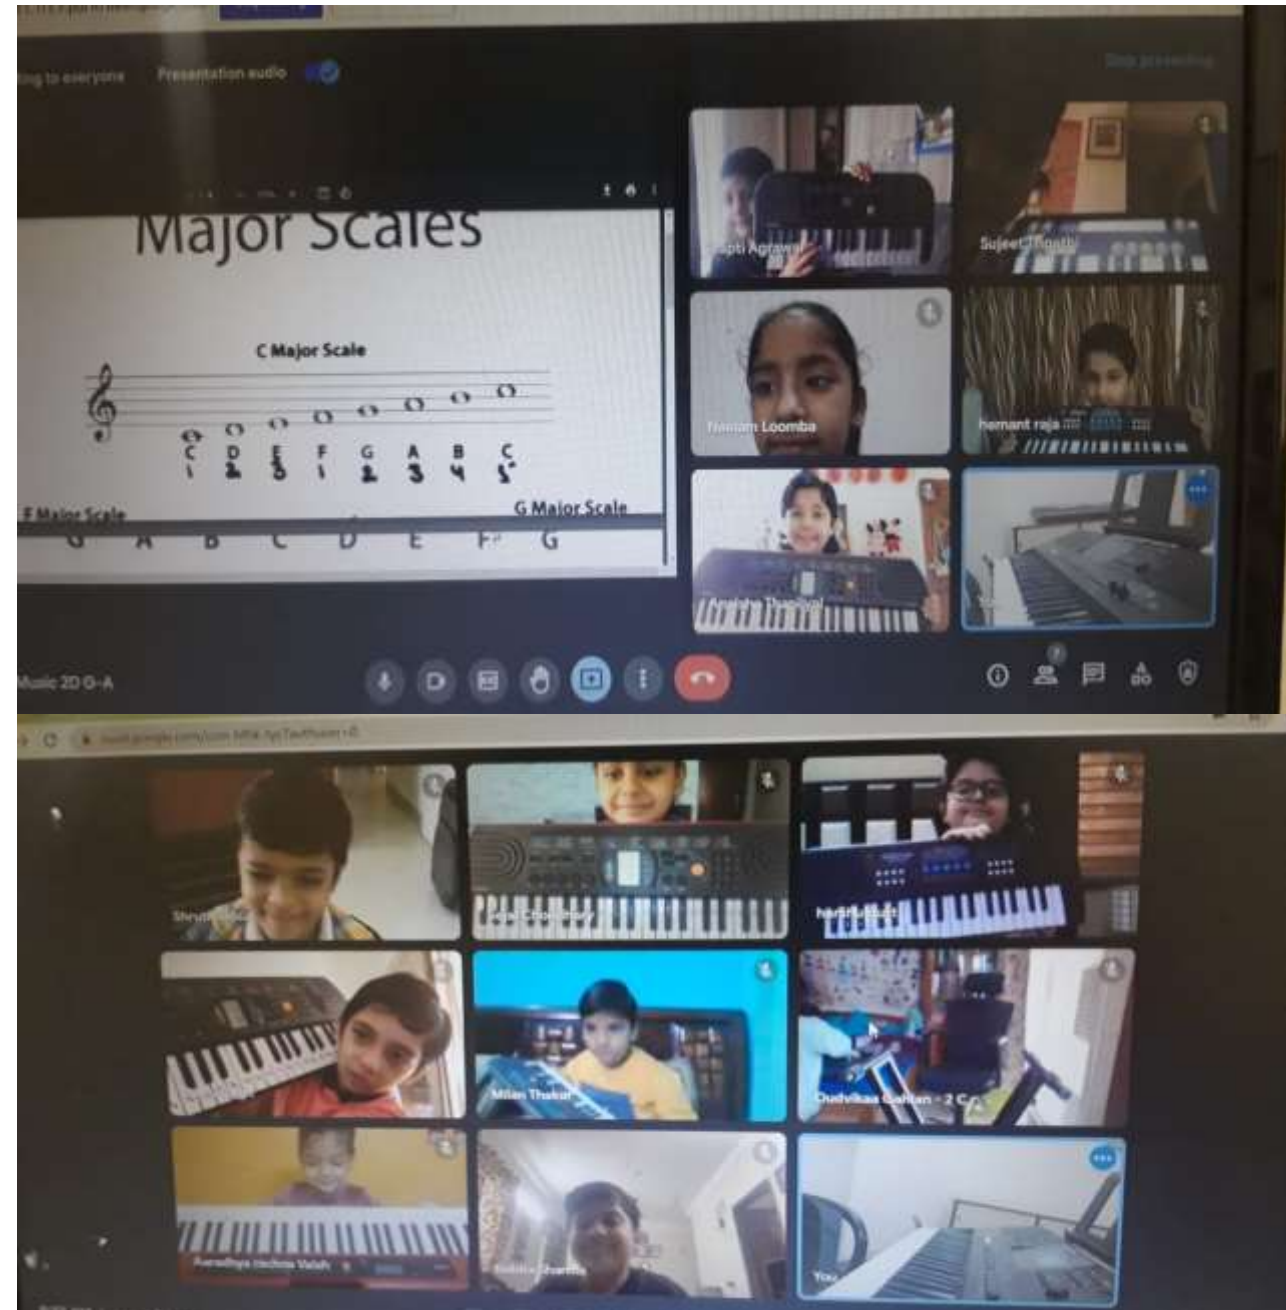

Students of Class 2 made an effort to learn a few steps of new contemporary dance on instrumental songs.

# INSTRUMENTAL MUSIC (1 & 2)

Students of grade 1 & 2 learned rhythmic patterns 4/4 in bongo and congo . They were also given revision practice of right and left hand keyboard C D E F finger positions.

# PHYSICAL EXERCISE (1 & 2)

In physical exercise children learnt how to practice to be more fit. They learnt fitness techniques and how to balance in tennis. They also learnt tapping. Children enjoyed outdoor activities. Children were instructed to do some hurdle races, which help them to coordinate and balance their body movements well.

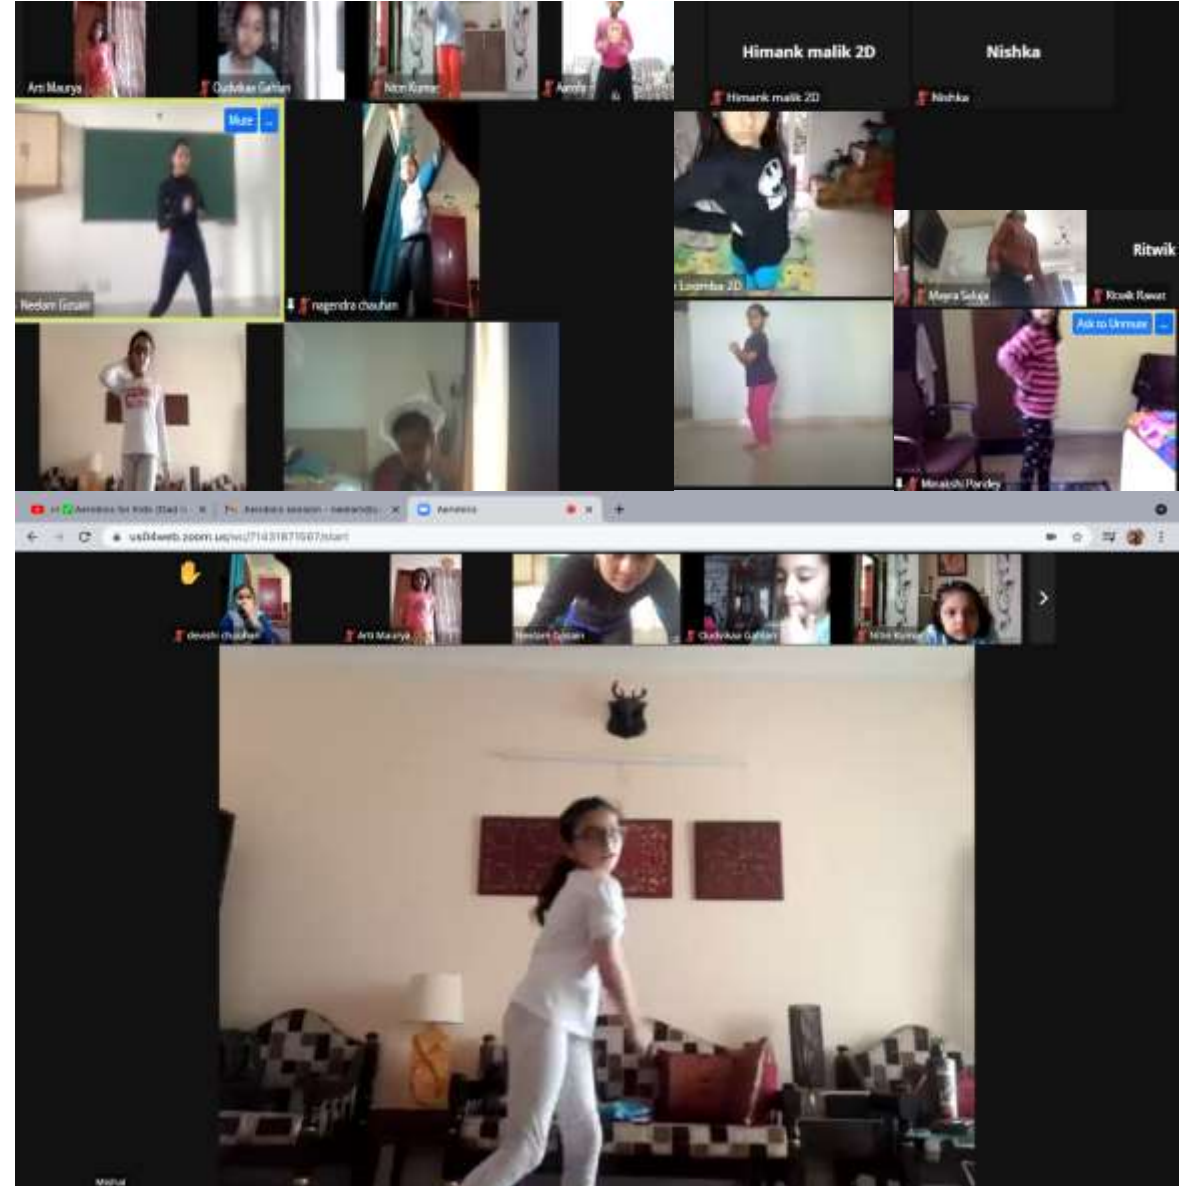

# ART AND CRAFT (1 & 2)

Students of classes 1 and 2 were introduced to a new painting technique - Dot painting. Students used colourful sketch pens for the activity. They were given regular practice by the teacher during their art class. Students of class 1 tried their hands on butterflies whereas class 2 practiced on flowers.

# AEROBICS SATURDAY SESSION(1 & 2)

Students of classes 1 & 2 had aerobics sessions as part of their Wellness programme on 13th November, 2021. Aerobics is a form of physical movements of the body with music. Playing music pumps up our energy level and increases the amount of oxygen getting inside our body. Students enjoyed the session with different flares of music and movements.

# COMPUTER : CLASSES 1 & 2

Children of class 1 were taught about different keys of the keyboard. Later in the class, they solved the quiz activity with the help of a mouse. They enjoy the Quiz Activity thoroughly.

Children of class 2 learned to use the Grass, Flower, Rainbow, Snowball selector of Magic Tool and Paint tool in Tux Paint. They also made paintings on “Nature Theme” in Tux Paint.

# CLASS TEACHER'S PERIOD & CLASS ASSEMBLY

In the Value education session, students of classes 1 & 2 had discussion on - Teachings of Guru Nanak Dev. During the session kids were told about the significance of Gurupurab, Who was Guru Nanak dev ji and his teachings like, believe in brotherhood, be humble, serve humanity etc. followed by a video presentation. On Monday, during circle time children discuss - “बचपन की सबसे अच्छी बात “. It was such a fun-filled activity for the children where each child got an opportunity to share their feelings with their classmates. Students are always excited about special days especially when it's their day. On account of Children's day a small celebration was conducted where the kids were shown a story for fun. Students got an opportunity to dance and sing on the song.

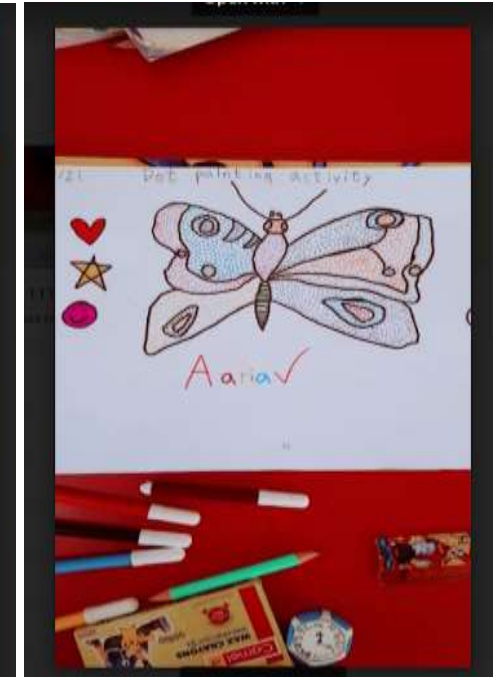

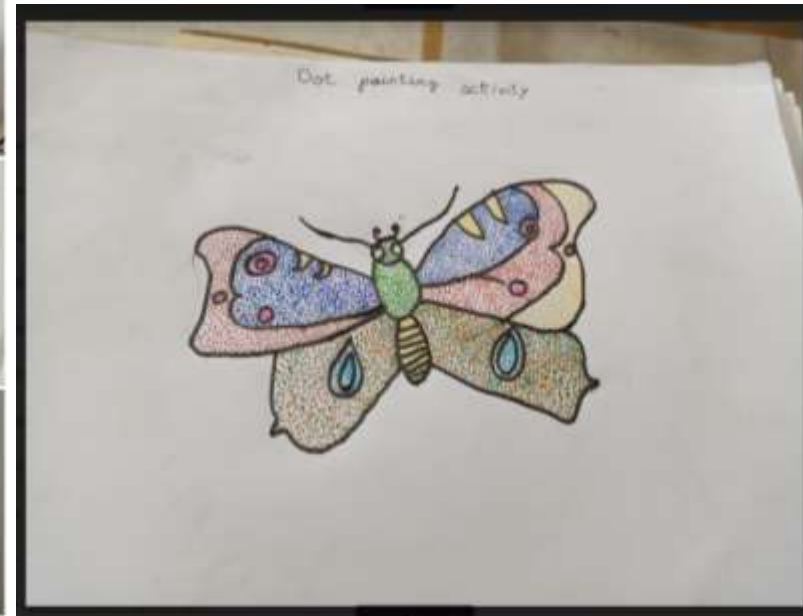

Students of class 1 continued their second day of class assembly on the theme Safety, where the little ones shared a lot of information related to safety. Safety at home, school, school bus, on road etc was discussed during the assembly. Followed up by a poem on road safety, safety against coronavirus, measures to be taken to protect ourselves, a melodious song and a group dance which the kids have learned during their physical class.

# CLASS TEACHER'S PERIOD & CLASS ASSEMBLY

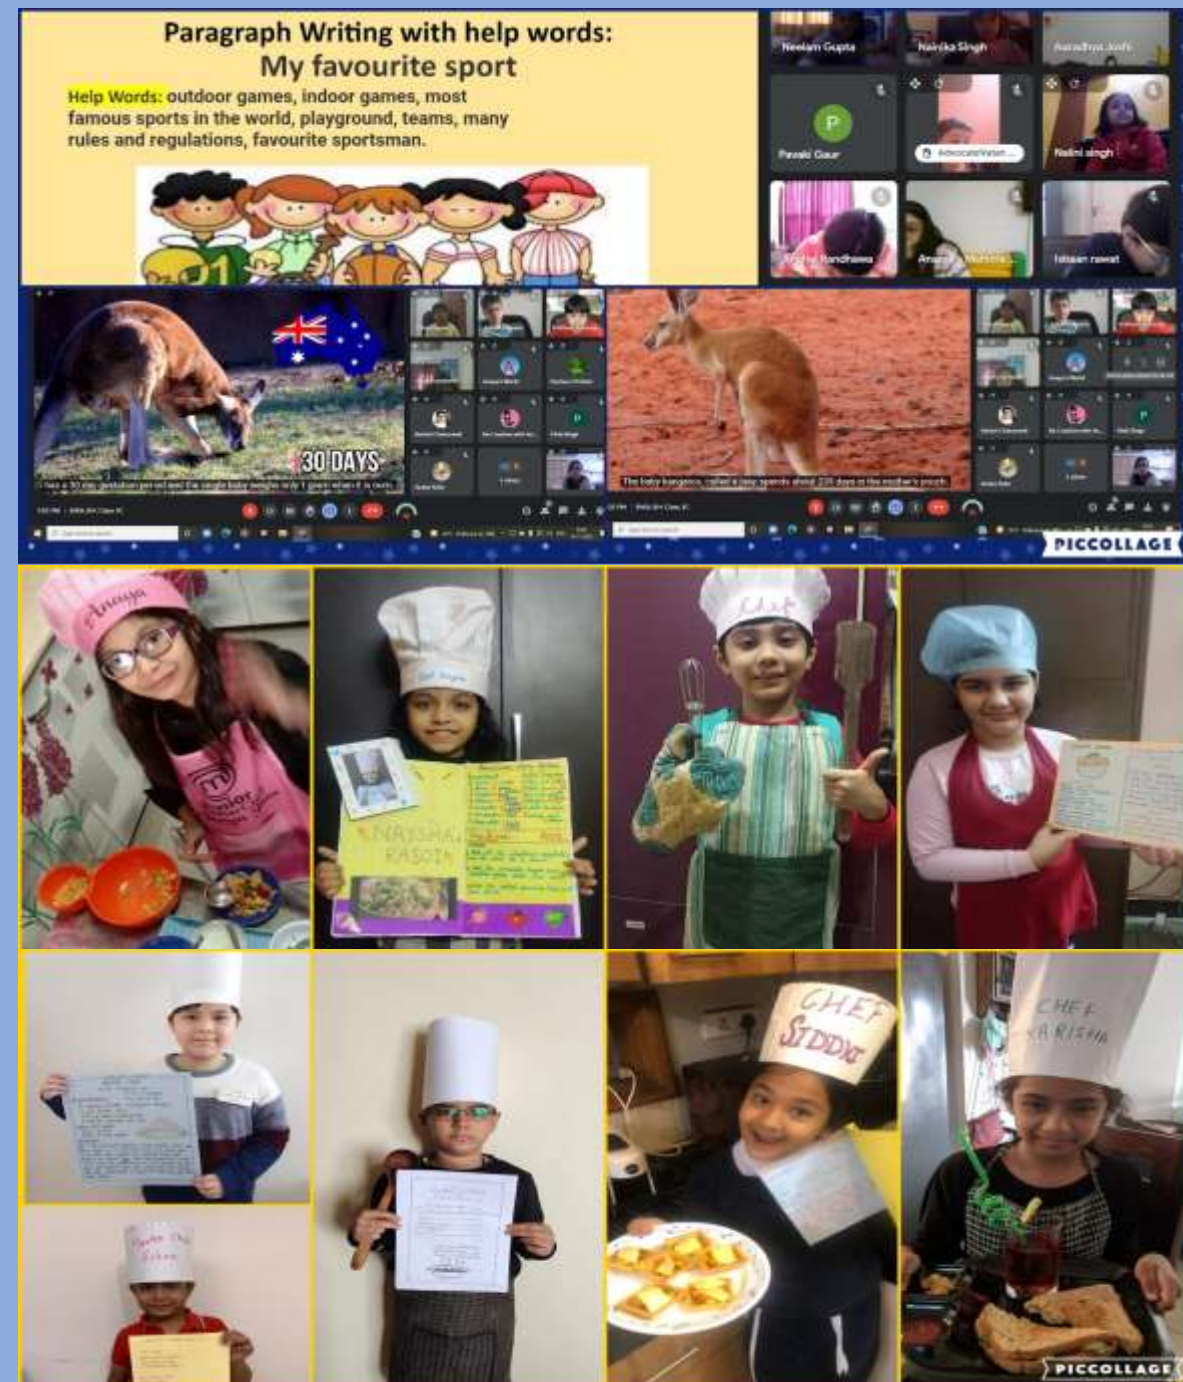

# WEDNESDAY ACTIVITY - DOT PAINTING

During the Inter class weekly activity on 17th November, 2021 students of classes 1 & 2 had Dot painting where every child enjoyed participating. When students participate in healthy competition they become more inquisitive, research independently, and learn to work with others. They made different dot patterns using sketch pens and beautifully completed their activity in their Sparkle book. The best entries will soon be awarded with e-certificates based on their creativity, imagination and neatness.

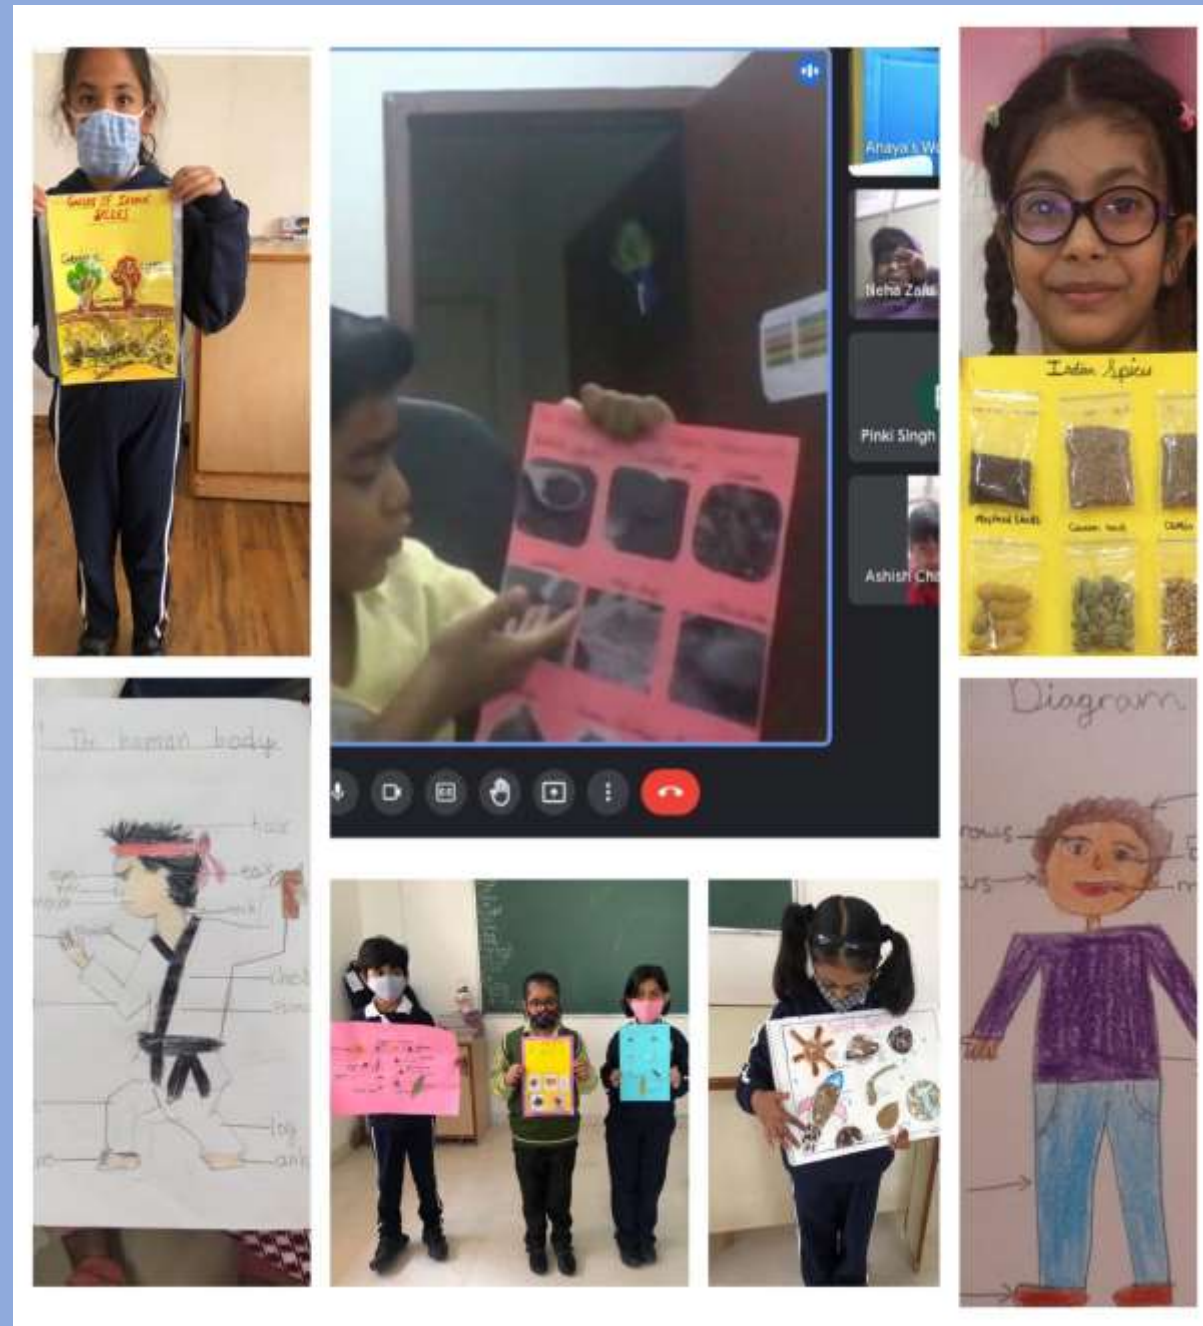

Students of class 3 were introduced to the new lesson 'Travelling in a Pocket' in their English class. Some interesting facts about the marsupials were discussed in the class and a related video was shown too. They even had their Dictation Assessment, Writing Skill Assessment and Activity Assessment too during this week. The students enacted as young chefs and shared interesting recipes for a healthy snack or salad. They made creative recipe cards and presented the activity confidently.

With the ongoing FA2 assessment cycle, various minor assessments of EVS were conducted this week. The students completed their EVS activity where they made a collage on “Indian Spices” and presented them very confidently in the class. For their EVS Orals, the students answered a few questions from L-6: India Food and Clothing and L-14: The Human Body. They also drew colourful diagram of the Human Body and labelled its external parts very neatly.

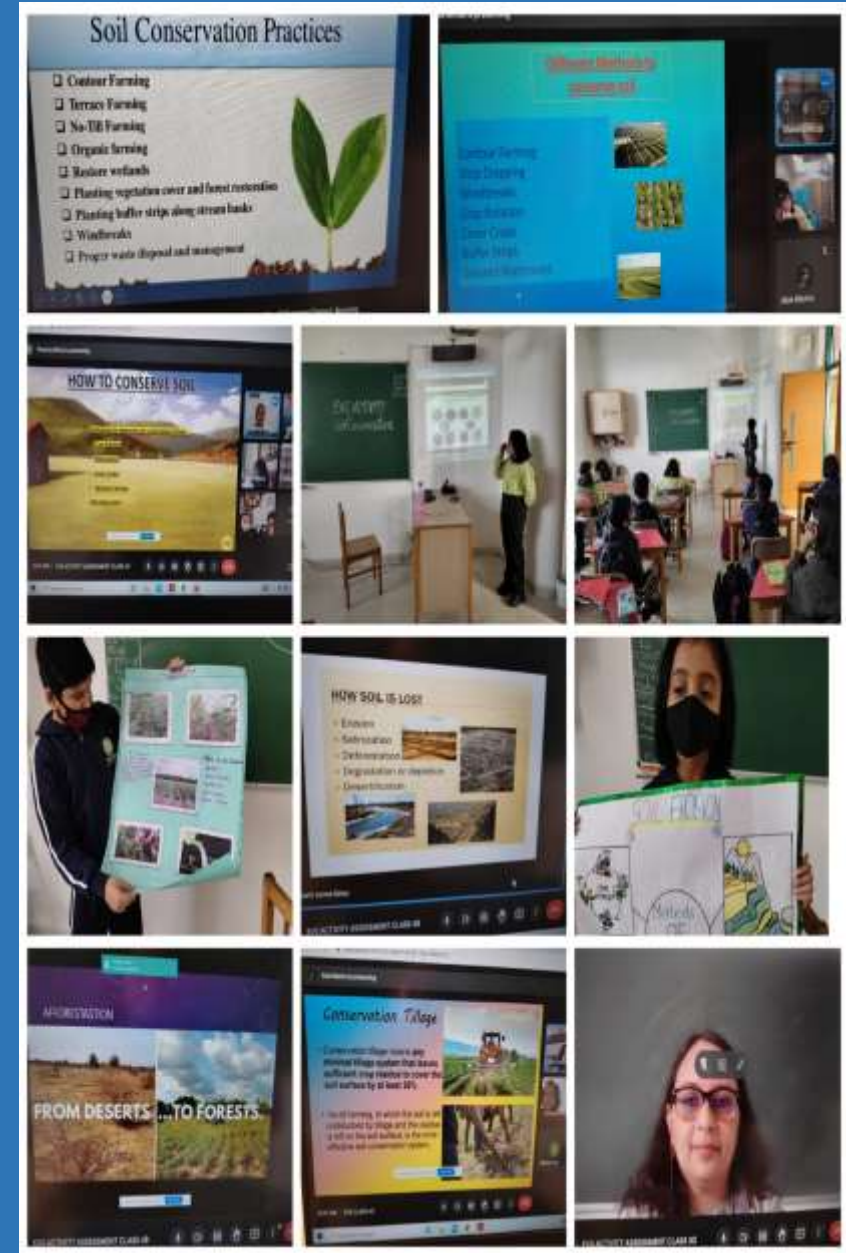

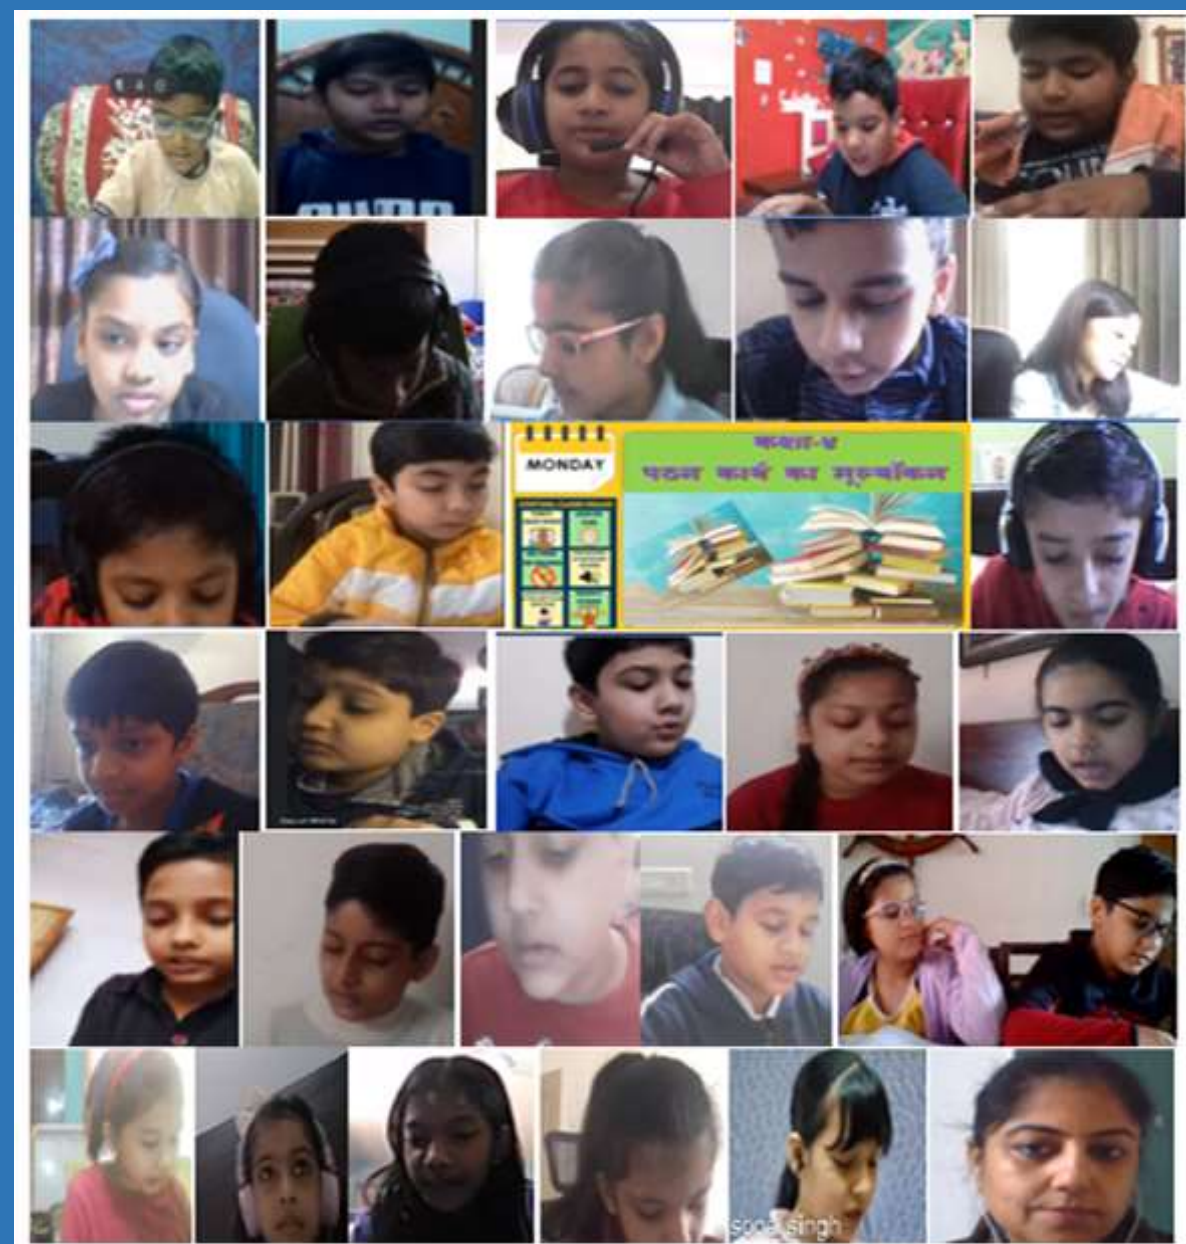

# ENVIRONMENTAL SCIENCE

Minor assessments were conducted for the students of class 4 on 16th, 17th and 18th November, 2021. The students presented their activity on different methods of soil conservation. They made excellent ppts and collages on this topic and presented them confidently in the class. They also had their orals in which the questions related to Agriculture and Minerals were put forth and the students answered the questions asked from them individually. They also drew a very well labelled and colourful diagram of the layers of soil in their EVS notebook as a part of their diagram assessment in the class.

Students of class 4 completed the worksheets in their Hindi workbook related to the topic, chitra varnan. Assessment of Hindi Reading was also conducted during this week.

Students of class 4 learnt contemporary dance sequences on the occasion of Christmas. They also learnt techniques of balance and leg movements.

English

My nose is cold, my toes are numb,  
I have a fever in my throat.  
My mouth is stiff, my voice is weak,  
I hardly whisper when I speak.  
My tongue is flitting up my nose,  
I think my hair is falling out.  
My elbow's sore, my spine aches straight,  
My temperature is one or eight.  
My brain is a wreck, I cannot learn,  
There is a hole inside my ear.  
I have a hangover and my heart is what?  
What's that? It starts that you say?  
The air tastes it... Amused?  
"Then, I'm going out to play!"

**About the poet**  
Dud' Clayton (1924-1998) was an American poet who became famous for his books for children. The Gook and the poet 'When the School Bus' are some of his noted works.

### RAKESH SHARMA

- **Rakesh Sharma**, (born Jan. 13, 1949, Patiala, Punjab state, India), Indian military pilot and cosmonaut, the first Indian citizen in space.
- In 1970 Sharma joined the Indian Air Force as a pilot. He flew 21 combat missions in a MIG-21 in the Bangladesh war of 1971.

Students of class 5 were introduced to the new lesson 'Sick' in their English Class. They even had their assessments of dictation, writing skill and activity during this week. They made informative ppts/booklets on Rakesh Sharma and his mission to space and presented them in the class.

# ENVIRONMENTAL SCIENCE

With the ongoing FA2 assessment cycle, various minor assessments of EVS were conducted this week. The students completed their EVS activity where they needed to locate the given monuments on a political map of India. For their EVS Orals, the students answered a few questions from L-11: The First Battle for Independence. The EVS Diagram assessment was also conducted where the students needed to draw a well labelled diagram of a vacuum cleaner. Various objective and subjective questions from L-11: The First Battle for Independence were also done for revision of the topic.

# ART AND CRAFT (3 – 5)

Students learnt to make scenery during their art class. They also did object drawings. Students learnt the techniques of pencil shavings too.

# GAMES AND SPORTS (3 - 5)

Students of physical classes of 3-5 learnt basic skills of different games such as passing and dribbling in basketball, dribbling and ball control in football and forehand and backhand shots in lawn tennis. They also participated enthusiastically in activities of physical fitness components development through different drills.

Students of online classes learnt yoga asanas and ways to develop physical fitness components.

# COMPUTER CLASS ( 3 – 5 )

Students of Grade 3 learnt about the windows. They were explained how to change a screensaver, desktop background and desktop icons.

Students of Grade 4 learnt the animation - Stykz. They have learnt to add background color in Stykz animation. They made different animations like different Yoga positions, playing football etc.

Students of Grade 5 learned the movement of sprite in scratch. They were told about the Pen command and how to make different animations using the Pen command.

# Hindi Calligraphy Inter Class Activity (3 – 5)

Inter Class Hindi Calligraphy activity was conducted on 17th November 2021. Students of classes 3 to 5 were given a common paragraph of Hindi text on the spot to represent the same in artistic form using calligraphy skills.

# VEER GATHA PROJECT (3 – 5)

Under project Veer Gatha initiated by the Ministry of Defence, students of classes 3-5 participated in different activities wherein they chose to write a poem / paragraph or do a painting on the topic- 'If I had been a gallantry award winner what would I have done for the nation.' This activity inspired the students to recognise the acts of bravery and sacrifice of the officers of Indian Armed Forces. Students demonstrated keen enthusiasm and participated whole heartedly in the activity.

# CLASS TEACHER PERIOD (3 - 5)

Students of classes 3-5 had theme-based Class Teachers' periods from Monday to Wednesday. The topic for the Circle Time on Monday was World Kindness Day. The teachers shared in the classes that this special day is annually observed on 13 November as part of the World Kindness Movement in improving many lives. World Kindness Day is celebrated throughout the world to promote sympathy and compassion towards people. Related ppts and videos were shared in the class. Post session, the students got an opportunity to join in a discussion, wherein they shared an act of kindness that they have done. Tuesday's Value Education highlighted more on the virtue of honesty through some interesting stories. The students also narrated stories in English and Hindi on honesty. The General Awareness session on Wednesday was about Largest, Longest, Tallest and Highest things in India. The students gained knowledge on the Longest Tunnel, Highest Tower, Longest Dam, Largest Man-Made Lake, Highest Dam, Highest Rainfall Place, etc. to name a few.

# CLASS TEACHER PERIOD (3 - 5)

PICCOLLAGE

# CHARACTER ENACTMENT (CLASSES 3 – 5)

An inter-class Character Enactment competition was held for classes 3-5. The students got an opportunity to enact their favourite characters from a story book that they have read. Each and every student portrayed various roles like Helen Keller, Aladdin, Red Riding Hood, Moana, Tenali Rama, Heidi, etc. They tried to emulate the speech and manners of the characters as they brought them alive. Results of this competition will be announced soon.
