ECOLOGY CLUB TIP

Keep your garden or greenspace chemical free

Cut down on your use of herbicides and pesticides. These chemicals kill butterflies, moths and other pollinating insects, such as ladybirds, beetles and spiders – the natural enemies of your garden pests. It is suggested to use manure and kitchen organic waste in your green space.

TIP OF THE WEEK

6 ways to create a revision-friendly environment

MyT

Help them organise their study space

- Use do not disturb mode
- No desktop notifications
- Phone out of sight (& sound!)

Help them adjust their tech

Encourage breaks

Keep talking

Keep the line of communication open. Have regular chats to see how they're doing.

CIRCULARS SHARED DURING THE WEEK

- Global Young Scholar Talent Search (Classes VI to XII) shared on 1 Aug 2024.
