# WEEKLY CIRCULAR SENIOR

20<sup>th</sup> JANUARY 2024  
(CIR/PS/114/2023-24)

# ASSEMBLY IX-XII

The class assembly conducted by class- XI -B students on January 16, 2024, centered around the intriguing debate topic: "Modern Music is Better than Classical Music." The students actively engaged in presenting arguments for and against the motion, showcasing their analytical and persuasive skills. The assembly saw enthusiastic participation from students, with each side passionately presenting their viewpoints on the debate topic. This showcased the diverse perspectives within the class.

# YOUTH DAY CELEBRATION

Pragyan School organized a special event to commemorate National Youth Day, celebrating the ideals and teachings of Swami Vivekananda. The event encompassed both a rejuvenating yoga session and an engaging open forum discussion. The students shared insights on personal development, community engagement, and the relevance of Swami Vivekananda's teachings in contemporary times. The combined activities provided a holistic approach to celebrating National Youth Day, encouraging physical fitness, mental well-being, and meaningful discussions on personal and societal growth. The event was well-received by both students and staff, fostering a sense of unity and purpose among the youth.

# VIDEO CONFERENCING : EXPANDING THE HORIZON

The students of Class XI participated in an enlightening video conferencing session on the topic 'Wealth and Poverty' on 18th January 2024 through the platform of Generation Global. It was an engaging discussion with students from Global Paradigm School, Egypt and Gems Millennium School, UAE. The conversation explored the root causes and consequences of wealth and poverty on a global scale, considering historical, political, and social factors. It also examined the role of education, access to opportunities, and government policies in influencing socio-economic mobility. The session proved to be a valuable initiative in fostering cross-cultural understanding and promoting critical thinking. The experience highlighted the potential for continued collaboration on global issues, emphasizing the importance of technology in facilitating meaningful connections among students worldwide.

# VIDEO CONFERENCE: FOSTERING GLOBAL AWARENESS

On January 19, 2024, grade IX students participated in a collaborative international video conference organized by Generation Global, along with the students from Bal Bharti Public School Rohini. This event, a key component of the Pragyan Plus Initiative, aimed to enhance global awareness and understanding among the participating students. The session commenced with Ms. Nonica, a technical specialist from Generation Global, taking the lead. The facilitator Ms. Tarawneh initiated the proceedings. The central theme of the discussion centered around 'Global Citizenship,' aligning with the broader objectives of the conference. The participants from both schools played an active role in the discussion, providing perspectives on the concept of global citizenship. Their dialogue covered various ethical aspects, demonstrating the students' awareness of global issues and their capacity to participate in meaningful conversations. The initiative seeks to foster cross-cultural communication, broaden perspectives, and develop essential skills for navigating our interconnected world. This interactive session enabled the students to discuss diverse topics, share their viewpoints, and engage in activities that promote mutual understanding, contributing to the cultivation of empathy, tolerance, and respect for diversity.

## 7 THINGS WE SHOULD NEVER SAY TO CHILDREN

We Say	They hear	Say it this way
- Can't you go faster?	- You are not important to me.	- We have only 10 minutes.
- Careful, you will fall!	- The world is dangerous. Doing nothing is better.	- Take care of yourself.
- Stop whining! - Stop laughing!	- Do not express your emotions.	- You're probably tired, aren't you?
- How many times do I have to say it?	- You're a loser!	- You can handle it. I can help! Let's do it together.
- What have you done?	- You're a terrible child!	- I know you didn't meant to do it, but be careful next time.
- You're doing it wrong, let me do it.	- You are stupid!	- Let me show you a trick from how to do it quicker.
- He does it so much better than you.	- You're worse than others.	- I love you just the way you are.
