# WEEKLY CIRCULAR SENIOR

24<sup>Th</sup> NOVEMBER 2023  
(CIR/PS/107/2023-24)

# ASSEMBLY VI-VIII

In a thought-provoking debate, Class 6A students engaged in a lively discussion on the topic, "Can AI Replace Human Intelligence?" Presenting well-researched arguments, the students explored the capabilities and limitations of artificial intelligence. The insightful debate left the audience pondering the dynamic relationship between AI and human intelligence in an ever-evolving technological landscape. On 22/11/23 students of grade VI B did talk on "Ramdhari Singh Dinkar", a prominent Hindi writer, poet and essayist . The talk delved into Dinkar's life, poetry, and literary impact. Themes of patriotism and humanism in Dinkar's works were explored. Student involvement added vibrancy, featuring poetry recitations and artistic displays inspired by Dinkar. The Q&A round deepened engagement, fostering a collective appreciation for Dinkar's profound contributions to Hindi literature. On 23/11/23 students did oratory based assembly involving poem recitation, Dance, english song, rubix cube solving, showing their art ,skit on POLLUTION: After effects of Diwali, enchanting of shlok.

# ASSEMBLY VI-VIII

# ASSEMBLY IX-XII

Class X B conducted the morning assembly on 17th and 18th of November 2023. They presented the talk on LEO TOLSTOY who was a Russian writer regarded as one of the greatest authors of all time. The talk was followed by a short quiz in which all the students from the audience participated with great zeal. On Saturday morning of 18th November, students showcased their Oratory skills with different skills sets they all have. Students debated on the topic -"Single gender schools are better".All students presented their views with great energy and very useful and valid points. Overall, Assembly was full of information and enhanced the self confidence among students.

# OPEN FORUM IX-XII

An open forum was conducted in school on 20.11.2023 to discuss the evolving perceptions of feminism, specifically addressing concerns about whether the movement has shifted from advocating for equality to promoting the dominance of women. It provided a constructive space for students to engage in a thoughtful dialogue about feminism's trajectory. While varying perspectives were acknowledged, there was a consensus that it is essential to uphold the original principles of feminism, ensuring that the movement continues to strive for equality and inclusivity. The students reflected on the nuanced nature of feminism and its continued relevance in promoting a more equitable society through this open discussion.

# CLASS TEACHER PERIOD:VII

In our recent Work Education activity, students of class 7 engaged in an innovative and hands-on project – Toothpaste Batik. This activity not only showcased the artistic flair of our students but also provided them with a unique opportunity to explore the traditional art of batik in a contemporary way. Students gained insights into the chemistry of fabric dyeing and the principles of resist techniques. The Toothpaste Batik activity in Work Education proved to be a delightful blend of creativity, skill development, and environmental consciousness. Such hands-on activities play a crucial role in nurturing well-rounded individuals with a passion for creativity and an appreciation for diverse art forms.

# ATL SESSION VI

Students of class VI learnt about coding of obstacle detector. They also studied about fundamental of coding.

# INTERCLASS COMPETITION VI-VIII

Debate competitions are an excellent platform for students to showcase their critical thinking, public speaking, and analytical skills. Such competitions are not only important for a student's academic growth but also play a significant role in their personal development. Keeping this view in mind, an Inter Class Debate competition was conducted on Theme "Indiscriminate tourism will lead to environmental damage" on November 21st, 2023. The aim of organizing debate competition was to hone the public speaking skills of the students and teach them to be articulate while expressing their thoughts and opinions. We congratulate the winners

Grades	Name of the students	Class	WINNER
VI	Avni Kishore Srivastava	VI-A	Against the motion
	Avni Gupta	VI-B	For the motion
VII- VIII	Ishanvi Magani	VII-A	Against the motion
	Ananya Deb	VIII-B	Against the motion
	Nandini Singh	VIII-B	For the motion

# INTERCLASS COMPETITION VI-VIII

# ECOLOGY CLUB: GREEN WARRIORS

Students of Eco club did farming on 23/11/23. They took active part in the various agricultural practices like ploughing, weeding, and harvested fenugreek. They understood the significance of labour.

# HEALTH AND WELLNESS CLUB: AAROGYAM

“A fit body, a calm mind, a house full of love. These things cannot be bought –they must be earned.”

Keeping this view in mind, students of the Junior Health and Wellness club started their weekly session with a Poster Making Activity on “Health Awareness”. As we are aware an optimally designed poster appeals to the viewer’s curiosity, and his or her intellect, but also unconsciously to the emotional side. So, the main purpose was to help children develop a positive attitude, think positively and feel good about themselves.

# SCIENCE CLUB: THE INNOVATORS

On 23/11/23 students of grade VII explored robotics by creating spider robot models. Using materials like battery, motor, hair pins, paper clips, ear buds and showcased their creations. Students also prepare the model on a water dispenser utilizing basic materials, the activity provided hands-on insights into fluid mechanics and engineering. The session fostered teamwork, practical understanding, and enthusiasm for further exploration. Students of grade VI constructed miniature Heron's Fountain models, exploring fluid dynamics and physics principles. The hands-on activity, using simple materials, demonstrated the perpetual water flow concept. Grade VIII students were explained about the hydraulic crane.

# COMPUTER CLUB: TECHSPARK

Computer Club is a way for students to show their passion for technology. Students of class VI- VIII learnt the Qbasic programming language in which they made different programs using control statements like IF-THEN-ELSE and IF-THEN ELSE. Students participated actively and learnt the QBASIC with great interest.

# READERS CLUB:THE PAGE TURNERS

Character Enactment is the basis of all dramatic activity which allows children to develop a more sensitive understanding of a variety of viewpoints whilst sharpening their language skills.

A Character Enactment / Know Your Author activity was held for the students members of the Reader's Club on 23/11/23. All the participants put their best foot forward while enacting the chosen characters like Anupama from Mahashweta by Sudha Murty, Elizabeth Bennet from Pride and Prejudice by Jane Austen etc.. They also enlightened their peer group about their favourite authors like Ruskin Bond and Sudha Murty etc..The activity inspired the students to visualise and enact creatively thus promoting their language skills.

# INTERACT CLUB: HELPING HANDS

This week the Junior Interact Club took a proactive stance on the International Day for the Elimination of Violence Against Women by engaging in a thoughtful article-writing activity. Club members penned articles that delved into the various dimensions of gender-based violence, shedding light on its prevalence, impact, and the need for collective action. The articles aimed to raise awareness and prompt meaningful discussions within the school community. By leveraging the power of the written word, the Interact Club contributed to the ongoing dialogue surrounding the crucial issue of violence against women, fostering a culture of understanding and empathy.

# CELEBRATION OF INTERNATIONAL CHILDREN'S DAY

Interact club of Pragyan School, Celebrated International Children's day with the kids of underprivileged section in collaboration with Robin Hood Army on international children's day. The program started with welcoming of the kids with beautiful greeting cards made by the interactors. They enjoyed delicious food, watched a movie, participated in talent hunt. Our sports teachers organised some fun and interesting activities and awarded them with Good job certificates which made them happy. Interactors enthusiastically involved in all activities to make the event successful.

# PARENTING TIP

## HOW TO SUPPORT *YOUR CHILD'S* MENTAL HEALTH

@BELIEVEPHQ [www.BelievePerform.com](http://www.BelievePerform.com)

- LOVE**  
Be there for your child and show care and love
- EXERCISE**  
Encourage play, exercise and sport
- BEHAVIOUR**  
Keep an eye out for any changes in behaviour
- SUPPORT**  
Regularly support, encourage and praise your child
- REST TIME**  
Help your child to manage stress by building in some rest time
- BE PROUD**  
Tell your child that you are proud of them
- PATIENCE**  
Be patient. Don't pressure your child
- HELP**  
Don't be afraid to seek help from professionals
- FEELING**  
Get to know how your child is feeling
- EDUCATE**  
Educate yourself about mental health problems
- PROBLEM SOLVING**  
Help your child to effectively problem solve
- LISTEN**  
Make sure you take time to listen to what your child has to say
- COPING**  
Help your child to learn some simple coping skills such as relaxation
- SYMPTOMS**  
Be aware of signs and symptoms

# CIRCULARS SHARED DURING THE WEEK

- Young Entrepreneurs' BootCamp (YEB) 2024 shared on 18th Nov 2023.
- Gentle Reminder for upcoming olympiads shared on 20th Nov 2023
- E-Invite - Annual Exhibition (Classes IX to XII) shared on 21st Nov 2023.
