# WEEKLY CIRCULAR SENIOR

13<sup>th</sup> MAY 2022  
(Cir/PS/51/2022-23)

# ASSEMBLY IX-XII

Students actively participated in the open forum. They shared their views on the topic, 'Success in life means money' some in favour whereas others had different views on success. It was a really interesting discussion..

# ENRICHMENT ACTIVITY VI

दिनांक 9 मई को कक्षा VI में संस्कृत क्रियाकलाप वर्ण विच्छेद कराया गया । बच्चों ने पूर्ण उत्साह के साथ क्रियाकलाप पूर्ण किया । जिसके माध्यम से बच्चों के अंदर संस्कृत शब्दावली एवं रचनात्मकता का विकास हुआ ।

# ENRICHMENT ACTIVITY VI

Students of Class VIB performed a science enrichment activity by making a working model of a solar and lunar eclipses. An eclipse (solar or lunar) involves three celestial bodies namely, the sun, moon, and the earth. Solar and lunar eclipses are natural events when the sun and moon's lights are partially or fully hidden from the view for a brief period of time.

# ENRICHMENT ACTIVITY VIII

Students of class VIIIA performed Mathematics Enrichment Activity related to Pie chart (circle graph) with interest. They made a data of their own daily routine i.e. hours spent on activities like study, sports/games, music/dance, sleep, and other activities. Presented these activities as a pie chart. Students learnt how to make data tables and represent using graphs.

# MATH LAB ACTIVITY IX

Students of class IXA performed a Mathematics lab activity on 11th May related to linear equations in two variables with enthusiasm. They framed an equation with the difference between their and mother's age and represented that on the graph. Students learnt a practical approach of linear equations.

# WORK EDUCATION VII

During the work education session VIIA students were shown video on making paper baskets followed by that they made paper baskets from used A4 sheet and newspapers.

# WORK EXPERIENCE IX

Students of class IX B were engaged in making the posters on the topic - 'Traffic Symbols and significance' during the work experience period. Their work was displayed on the class soft board.

# ATL SESSIONS VII

Students of class VIIA made traffic light blinking Led with ic555 during the Atal lab sessions.

# ATL SESSIONS IX

Students of Class IX were demonstrated with the function and usage of IC-555. The function of the component was explained by using various pictures and circuits. They were instructed to design a circuit using the same component.

# COMIC STRIP SESSION

On 9th May 2022, Ms. Mahasweta Mukherjee took a session for the students of classes VI-XII, on Comic Strip. She gave a presentation explaining various tips and features to keep in mind while creating a comic strip. She also cleared the queries raised by the students. This session was to make students aware of various tips as they had their interclass comic strip-making competition on 11th May 2022.

# COMIC STRIP SESSION

# WINNERS OF THE INTERCLASS COMIC STRIP COMPETITION

We congratulate the following students for achieving positions in the interclass comic strip competition.

<b>CLASS</b>	<b>NAME OF THE STUDENT</b>	<b>POSITION</b>
XC	Aarush Chauhan	First
IXB	Reva Sharma	Second
XIIC	Kanishka Deep	Third

# STARS AND SUPERSTARS

The students of classes VI-XI, 2021-22 were given Star [ for achieving overall 90%-94%] and Superstars [for achieving overall 95% and above] certificates based on their performance in the Summative Assessment- II conducted offline in the month of March 2022. Principal Ms. Ruchika Sharma congratulated all the students on their achievements.

# SAVE SOIL: AN ISHA FOUNDATION INITIATIVE

Save Soil is an Isha Foundation initiative led by Sadhguru all across the world. Students of class VI-VIII participated in the initiative. They raised their concern about the degradation of soil particles in the form of making posters, writing slogans, articles, and letters written to the Honourable Prime Minister and contributed to creating awareness about saving soil.

# ARTIST OF THE MONTH: APRIL

Anshika loomba of class IXB is the artist of the April 2022. She is versatile artist, fond of learning different techniques . She has a very creative hand. BEST OF LUCK for her future assignments taken to learn.

# FOOD COMMITTEE MEETING

“Your diet is a bank account. Good food choices are good investments.”

Food Monitors of classes VI-XII participated in a discussion with the food committee members and shared their views about healthy food on the food menu while keeping the hot weather into consideration.

# WORKSHOP ON "RIGHT ATTITUDE - A PATH TO SUCCESS" IX-XII

A workshop was conducted in the school auditorium on 10th May 2022 by Ms. Kiran Kaushik, parent of Ishan Kaushik of class XII-B, on the topic- Right Attitude-A path to success. She interacted with the students of Class IX to XII and talked about human behaviour and the importance of the right attitude in life. In the interactive and enriching session, students were apprised of the fact that behaviour and positive attitude in a student's life play a key role to achieve success. The session was made engaging by Ms. Kaushik through various real-life examples.

# CAREER COUNSELLING SESSION IX-XII

**“Passion is energy. Feel the power that comes from focusing on what excites you.” —Oprah Winfrey**

Pragyan School, Greater Noida organized a career counselling session on 13th May 2022 for the students of classes IX-XII. The resource person Dr. Amit Singh, a renowned professor of Biotechnology at Sharda University briefed the students about the usage of Biotechnology in various fields. He then outlined a number of career opportunities in the field. Students were also made aware of the procedure how to take admission in the said course. He also emphasized that a career decision is one of the most significant decisions in one's life and therefore one must always follow one's passion. The session was made interesting and lively with the help of a powerpoint presentation and apt examples. Overall, it proved to be an enlightening and enriching session.

# MONOLOGUE DEMONSTRATION VI-VIII

In theatre, a monologue is a speech presented by a single character, most often to express their thoughts aloud, though sometimes also to directly address another character or the audience. Students of classes VI-VIII were given a demonstration of presenting a monologue by Dr. Mahnaz Akbar Mehdi during the morning assembly on 13th May 2022. Ms. Mahnaz explained to the students how to deliver dialogues with intonation, emotions, and using various props. She enacted a monologue wherein a child is speaking about the excuses to eat chocolate and also enacted lady Macbeth from Macbeth by William Shakespeare. Students are given various themes to prepare monologues during their summer break time and present them as English enrichment activity after the summer break.

# DENTAL CAMP VI-VIII

Oral health plays a vital role in overall health and wellbeing at every stage of life. Keeping the same ethos in mind, the Health and Wellness Club of Pragyan School, Greater Noida collaborated with 'Dental Bee'- a unit of ITS dental college to organize a free dental check-up and awareness camp in the school premises. The team of dentists along with para-medical staff carried out a comprehensive dental check-up on students from Class IV to VIII. The camp included dental awareness talk, educating students about common dental ailments — especially stressing tooth decay and gum diseases — and the measures used to prevent them. The students were made aware of the eating patterns and food choices that can lead to tooth decay. The young students cherished the chance to interact with the dentists to enquire and gain knowledge about their oral health and maintaining good oral hygiene.

# SOCIAL CLUBS

CLASS VI- XII

- ECOLOGY CLUB
- HEALTH AND WELLNESS CLUB
- DEBATING AND JOURNALISM CLUB
- ENTREPRENEUR CLUB
- INTERACT CLUB

# ECOLOGY CLUB IX-XII

Students were told about the Biodiversity and its significance. They were also asked to be prepared for the quiz on the Biodiversity Day celebration this month. Students also spoke on various environmental issues like soil erosion, global warming etc. It was quite an interactive session.

# HEALTH AND WELLNESS CLUB IX-XII

This week in the health and wellness club fun activities were conducted. It's fun. The more we enjoy our exercise routine, the more likely we are to stick with it. Many people say they have so much fun dancing that they forget they are actually exercising. So, the club session started with Zumba, an alternative to traditional workouts. It was conducted by students, for the students. The smile on their faces and energy level reflected their happiness while doing Zumba. Apart from Zumba, students were also explained the importance of "Happy Hormones" and different ways of multiplying them. A rapid-fire round was done with the students in order to make them feel positive emotions and their effects on the mind and body. Overall session was enjoyed by the students.

# HEALTH AND WELLNESS CLUB IX-XII

# DEBATING AND JOURNALISM CLUB IX-XII

Students of the Debating and Journalism Club started with a Model United Nations orientation session this week. They were briefed about all the different protocols to be followed, how to present themselves, the terminologies used in conferences, and how to go about committee proceedings. The session was taken up by Ira Joshi of class XII-C, a member of the club and a seasoned MUNER. The members present participated actively and raised their queries. Towards the end, students were allocated countries and discussed topics to debate for the coming week. It was a fruitful session for all.

# ENTREPRENEUR CLUB IX-XII

Success stories of successful Entrepreneurs: The students during the club were introduced to the success story series of various successful entrepreneurs in the global platform. The success story of Howard Schultz who has led Starbucks to be a \$100 Billion business giant was presented. Students were made to identify how Howard identified an opportunity, the key issues he faced, and the strategic turning points in his life as well as his ventures. The students were made to do short oral presentations based on Howard's experiences towards becoming a successful entrepreneur.

# INTERACT CLUB IX-XII

Students of Interact Club during their club meeting appreciated the completion of Project Granthalaya. They shared their experience of the project taken for the children of a Government primary school. Thereafter, various ideas were given by the club members to be taken in the month of July. Members also suggested starting an awareness drive for Dos and Don'ts for Heatwaves in the school..

# INTERACT CLUB INITIATIVE

## INAUGURATION OF LIBRARY UNDER PROJECT GRANTHALAYA

The Interact club of Pragyan School set up a library under Project Granthalaya in Primary Vidyalaya, Sakipur village. The school collected and contributed a total of 2 large cupboards, four tables, one small cabinet, 10 chairs, and around 200 books. The club had also conducted a fundraising event for the same earlier. On 12th May 2022, the library was inaugurated by the Principal, Pragyan School, Ms. Ruchika Sharma. Rtr. Amit Rathi was also there to grace the occasion along with people from Sakipur village and other Rotarians. The Principal of the school, Ms. Asha Singh, and the people of the village expressed their heartfelt gratitude to Pragyan School for their persistent efforts in setting up the library. After the inauguration, the interactors played fun games with the students and also distributed stationery items like pencils, erasers, colours, etc. The event was a success, all thanks to the wonderfully supportive Pragyan family and Rotary club.

## Healthy Lifestyle Tips

**Nine Guilt-Free Ways to Enjoy Holiday Meals**

1. Ensure at least one healthy choice at potlucks by contributing a dish.
2. Scan the dinner table before choosing what to eat. Remember, you don't need to try everything.
3. Stick to one or two indulgences, but fill at least half your plate with veggies and wholegrain dishes.
4. Refrain from taking second helpings, unless it is a vegetable dish.
5. Station yourself away from the buffet table.
6. Resist the urge to completely deprive yourself. Eat dessert, but do so sparingly.
7. Do not worry about how much you ate. Instead, acknowledge when you were successful.
8. Consider ways to improve your food selections at future events (for example: "I will only try a few bites of one or two desserts.")
9. When you overindulge, follow your healthy routine the next day.
