# WEEKLY CIRCULAR PRIMARY

7<sup>th</sup> APRIL 2023

(CIR/PS/85/2023-24)

# NURSERY

**Class Activity:** Students of Nursery enjoyed the activities like headgear and flower badge as part of takeaways in the first week of their school.

**Craft:** The students enjoyed thumb printing on Butterfly wrist bands during the craft class.

**Yoga:** The students of the nursery class enjoyed doing stretching exercises and a few basic yoga poses in their yoga class.

**Sports:** The students of Nursery participated in Hurdle Jump, ZigZag Run, Right Left Concept and Spider Walk during their games period.

# KINDERGARTEN

Class Activity- Students of KG enjoyed doing activities like headgear making , finger printing on flowers and hand printing on cards during the class .

They also enjoyed filling colours in the picture of my school in their sparkle book.

Story - The students liked listening to the story "The farmer and his four sons".

# KINDERGARTEN

Craft - The students made wristbands using thumb painting during the craft class.

Yoga- The students of kindergarten enjoyed doing stretching exercises and initial yoga poses in their Yoga class.

Being able to understand body language and facial expressions is really a valuable life skill. It's important for young children to start with learning the basic words to describe emotions. During the first week, students of class 1 participated in an Emotion guessing game activity followed by making their own "Emotion Book".

# ENVIRONMENTAL SCIENCE

Children of class 1 had a virtual tour of ‘A Trip to a Zoo’ in which they learned interesting facts about animals. They also studied the chapter ‘My body’ which enabled them to learn the vocabulary of body parts and their functions. They learned about body movement, which helps us work and play. They all participated in the Quiz: Know your Body which they really enjoyed. They also made a diagram of their favourite animal and also of their Body Parts in their EVS notebook.

Dancing is so much more than just grooving on the dance floor to your favourite tunes. Not only does it train your brain and your body's motor skills but it also is an excellent exercise for your entire body. Children of class 1 attended their dance class enthusiastically and danced to the tune of an action song "Boogie Woogie".

# हिन्दी

Children of class 1 participated in various activities like हमसे मिलिए - अपना परिचय, बुक मार्क कार्य कलाप तथा वर्णमाला गीत during their Hindi class. They also revised स्वर वर्ण, व्यंजन वर्ण followed by reading practice of मात्रा रहित शब्द

### बिना मात्रा के शब्द

ब + स = बस 

न + ल = नल 

ह + ल = हल 

क + ल + श = कलश 

### बस पर चढ़

अमन, इधर-उधर मत टहला।  
सड़क पर मटक-मटक कर मत चला।  
अकड़ मत, झगड़ मत।  
समझ-समझ कर पढ़।  
अमर बस पर चढ़।  
बह कलश उधर रख।  
गरम-गरम मटर चख।  
बस कर,  
अब, घर चला।

# Math

+ - × ÷

Children of class 1 enjoyed doing number art where they showed their creativity. Children also made the number line pointer as a take away activity. Children revised number names and numbers which they have already done in their previous class. Crocodile story was done to make them understand the number comparison.

Rewrite the numbers in the correct order.

10	60	40	80	90
20	50	70	100	30

150	163	182	174	128
139	200	140	108	117

Take away activity

Number line strip

Day

## Draw Using Numbers

(To be done in rough page or notebook)

# हिन्दी

विद्यालय वह संस्था है जहां छात्रों का सर्वांगीण विकास होता है। इसी बात को ध्यान में रखते हुए इस सप्ताह का आरंभ गतिविधि द्वारा किया गया। जिसमें उन्होंने रंग - बिरंगे बुकमार्क बनाए। विद्यार्थियों ने अक्षरों की सहायता से सुन्दर चित्र का भी निर्माण किया। थिंकिंग रूटीन गतिविधि द्वारा छात्रों को व्याकरण में संज्ञा के बारे में बताया व मौखिक और लिखित अभ्यास भी कराया गया।

Emotions make us humans, they are a part of us. The beginning of the new session was based on study of different emotions expressed at different moments. During the class the kids were introduced to several new words like furious, scared, confused etc. Students also participated in a class activity of headgear making based on emotions. Later during the week the concept of Naming words was revised through video and written assignment.

# ENVIRONMENTAL SCIENCE

Activities encourage a healthy lifestyle and develop key physical attributes. Students of Class 2 created finger puppets during their EVS class. They also learned a few amazing facts about animals.

# Math

+ - × ÷

Students of class 2 had a fun-filled week, where they did art with numbers, played dodging games and revised a few concepts from their previous class. They also did some notebook work based on Number names, comparison of numbers and revised tables from 2 to 5.

**6-4-23** **C.W.**  
Put < , > or = :  
• 91 \_\_\_\_\_ 19  
• 54 \_\_\_\_\_ 32  
• 17 \_\_\_\_\_ 71  
• 60 \_\_\_\_\_ 66  
• 23 \_\_\_\_\_ 24  
• 80 \_\_\_\_\_ 78

**GAME TIME!**

**Table fun:**  
 $2 \times 4 = \underline{\hspace{2cm}}$

4	four	14	fourteen
5	five	15	fifteen
6	six	16	sixteen
7	seven	17	seventeen
8	eight	18	eighteen
9	nine	19	nineteen
10	ten	20	twenty

**Revision:**  
Thirty - 30  
Forty - 40  
Fifty - 50  
Sixty - 60  
Seventy - 70  
Eighty - 80  
Ninety - 90

1. 2. 3. 4. 5.  
6. 7. 8. 9. 10.

Draw the drawings with numbers.

Dance takes you towards inner happiness. Students of Class 2 started learning dance steps on small stories. They also learnt contemporary dance steps to prepare school events.

# INSTRUMENTAL MUSIC (1&2)

Children of classes 1 and 2 enjoyed learning information about different instruments. Children were introduced to a few instruments. Instrument body and beats were also discussed during the class with the students.

# COMPUTER (1&2)

Children of class 1 learned how to hold mouse, and use mouse button. They also enjoyed Mouse Activity in Gcompris.

Children of Class 2 learned how to start Gcompris Education Tool. They also enjoyed keyboard activities in Gcompris.

# VOCAL MUSIC (1&2)

“Words make you think. Music makes you feel. A song makes you feel a thought.”

Prayers Teach Students to Count Their Blessings. Children of class 1 and 2 enjoyed their vocal music class and practiced singing their prayer “Hey gyan roopi bhagwan” and “teri hai zameen” during their music class.

# ARTS (1 & 2)

Students of class 1 & 2 have done page no. 1 of their book. Class 1 students learned basic colours and did paintbox in Sparkle book whereas students of class 2 created secondary colors by mixing primary colors.

# PHYSICAL EDUCATION (1 & 2)

Children of class 1 and 2 learnt different rules to be followed during their movement from class to any other area. They were also told about how to line up and one arm distance to be maintained. They were also told about the left and right side concept. Children enjoyed some recreational activities also.

# CIRCLE TIME

This is a great game to play with students on the first day of a new school year. Students of classes 1 and 2 participated in the activity named “INTRODUCE YOURSELF” to develop the relationship between the teacher and students. The activity was conducted to establish a bond between the peers by knowing more about each other.

# DRAW AND COLOR INTER CLASS ACTIVITY

Drawing helps students to process information and consolidate their thinking. It allows students to express their thinking in a way that is accessible to them. Drawing also helps with the development of fine motor skills with students in the early years. Keeping this in mind and to explore the creative potential in the young minds of our children, “ Draw and Color activity” was conducted on Wednesday during the class where each child got an opportunity to draw and colour a picture of their choice. It was a fun-filled activity.

Students of class 3 drew their picture in their notebook and introduced themselves in the class. PPT on the topic, “MERA PARICHAY AND SAMAY KA SADUPYOG” were shown in the class.

# Grade 3 Math

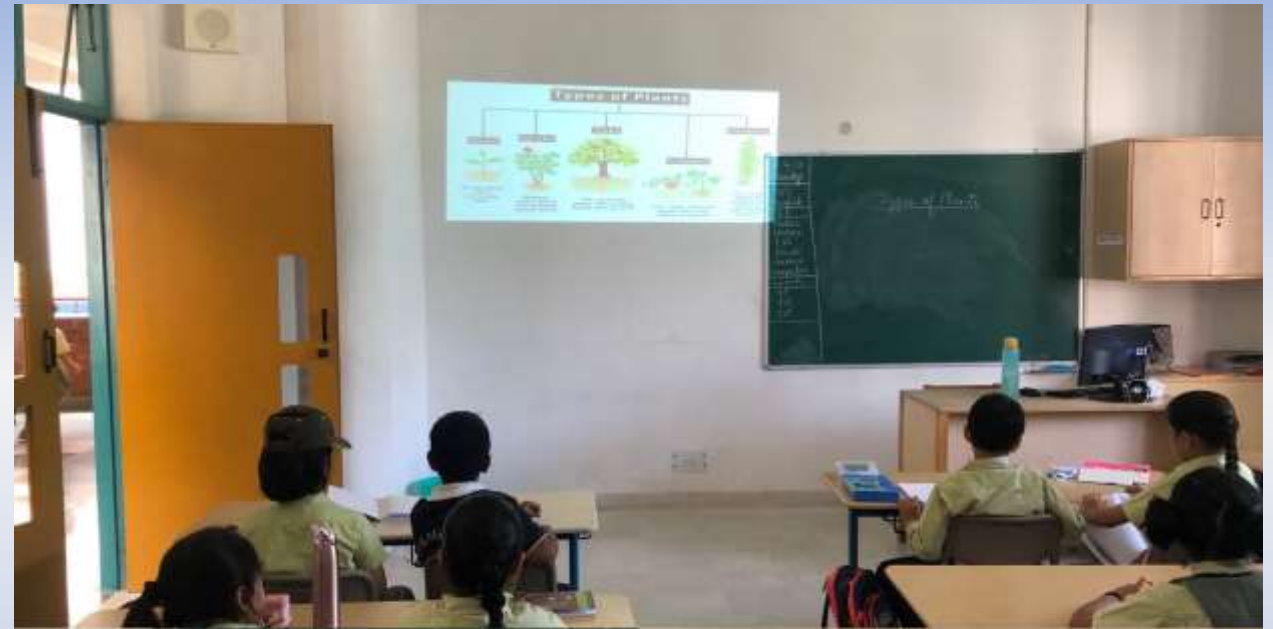

Students of Class 3 started their session with fun filled Maths activities in the class. They learnt how to solve a 4 x 4 Sudoku puzzle and were able to solve a few puzzles in the notebook on their own. They also understood how to represent 2-digit and 3-digit numbers on an abacus. They saw relevant videos to further strengthen their concept. They enjoyed making colourful abacus in their notebooks independently.

# ENVIRONMENTAL SCIENCE

The students of class 3 enjoyed their EVS classes thoroughly throughout the week. They did revision of the topics like “Plants and Animals” they studied in class 2. They also did various fun filled activities such as Riddle making in the class.

During the week students of class 4 revised the concept of nouns through related PPT and class discussions. Concept of common nouns, proper nouns and collective nouns was revised. Related worksheet was also solved by the students. Students enjoyed playing the memory game.

Students of class V revised the concepts of nouns this week. They did an exercise based on it in the notebook and workbook. They also watched the story, Pinocchio and enacted different characters from it.

# हिन्दी

Students of class 5 revised topics like bhasha, lipi, and varn vichhed in grammar. PPT on these topics were shown in the class. They also did creative work on maukhik and likhit bhasha.

# ENVIRONMENTAL SCIENCE

With the onset of the new session, various revision work and fun filled activities were planned for the students which included Quiz Time and slogan Writing on 'Technology: a Boon or Bane?'. The students of grade 5 also did a Map activity and solved various MCQ questions based on it.

Students of class 5 revised the topics such as indian and international number system, comparison of large numbers and formation of the largest and smallest numbers with given digits during their mathematics class. They also enjoyed doing the book mark making activity.

# CONTEMPORARY DANCE (CLASS 4)

Students of class 4 learnt new dance movements by exploring. They also learnt a few dance steps for the upcoming school event.

# ART & CRAFT (3&4)

Students of classes 3 & 4 enjoyed making beautiful and colourful scenery during their art class.

# COMPUTER (4&5)

Students of Grade 4 learnt MS-Word in which they made posters and added background and border to the page.

Students of Grade 5 were taught about the transition and animation in PowerPoint. They made a presentation on Computer Virus.

# PHYSICAL EDUCATION (3-5)

Students of classes 3-5 learnt basic skills of different games such as passing and dribbling in basketball, dribbling and ball control in football, long jump take off in athletics and forehand shot in lawn tennis. They also participated enthusiastically in activities of physical fitness components development through different drills.

# DEAR (DROP EVERYTHING AND READ TIME) PERIOD

With the onset of the new session, classes 3-5 had their Drop Everything And Read time, better known as DEAR time. It was a time set aside in the classroom schedule for both students and their teachers to "drop everything and read." DEAR time conveniently accommodates a variety of student interests and ability levels, since each student selects for himself/herself the book he/she wishes to read. Reading is an exercise to the mind which helps the child develop his/her imagination and thinking skills. It is one of the habits which helps us improve our concentration. Reading helps us to change our thinking, it helps us to change our perspective and be open-minded by accepting the world, things, people, their beliefs, their culture, their values, the way they are.

# CLASS ASSEMBLY (5A)

Students of class VA conducted the morning assembly on 5th and 6th April, 2023 on the topic, Health and Hygiene and World Health Day. The assembly began with the exercises, followed by prayer, thoughts and talks. Students also presented lovely stories, poems and a song.
