(CIR/PS/97/2023-24)

ASSEMBLY VI-VIII

The winners of interschool fiesta Me'lange were appreciated with the certificates during the morning assembly.

MATHEMATICS ENRICHMENT ACTIVITY VI

Mathematics enrichment activity for grade VI was conducted this week. The topic of the activity was - "To verify that addition and multiplication are commutative by using paper cutting and pasting". The learners of grade VI showcased their creativity and did the verification using numbers of their own choice.

MATHEMATICS ENRICHMENT ACTIVITY VIII

Students of Class VIII B performed their Maths Art integrated Activity-"How to solve Linear Equations in one variable by paper Cutting and pasting". Students learned that Linear Equations are used to calculate speed, distance and time of a moving object. It is used to calculate money and percentage related problems. Work, time and wages problems can be solved.

STORY TELLING SESSION VI-VIII

An interactive story telling session was organised by Readers Club for the students, to enhance their love for books and literature. Ms. Usha Chabra, a renowned storyteller was invited to conduct the session. Her session aimed to ignite the imagination of our students and foster a deeper appreciation for the art of storytelling and literature. She had also discussed and shared various important aspects required for writing engaging short stories and how to get them published through various online platforms. The session not only enriched student's literary knowledge but also encouraged them to delve deeper into the world of stories and books.

PRAGYAN PLUS INITIATIVE: INTERNATIONAL DIMENSION VIDEO CONFERENCING: SCALING NEW HEIGHTS

A video conferencing session was held on 28.08.2023 with schools of Cizalak & Kota Malang, INDONESIA through the platform of Global Generation. The motive of the conference was to address the pressing issue of hate speech on social media platforms. The discussion was aimed to explore effective strategies for countering hate speech, promoting digital civility, and creating a safer online environment. The moderator, Ms.Wati Wardhan from JAKRATA began the session by sharing the definition of hate speech within the context of social media. The students emphasized the importance of accurately identifying hate speech and distinguishing it from freedom of expression. The participants debated the challenges of maintaining a balance

between curbing hate speech and upholding users' rights to express their opinions. The video conferencing discussions underscored the complexity of tackling hate speech on social media and the importance of multi-pronged approaches. The exchange of insights, strategies, and concerns demonstrated a collective determination to create a safer online space. Moving forward, participants expressed interest in continued collaboration to refine strategies and drive positive change in combating hate speech on social media platforms.

Healthy Lifestyle Tips

SAVE EARTH

1. USE FLUORESCENT BULBS

You can save energy and money, too.

2. TURN OFF YOUR COMPUTER AT NIGHT

Save 40 watts a day.

3. RECYCLE

You'll help reduce pollution.

4. GO VEGETARIAN

It takes more water to produce one pound of beef.

5. USE LESS TISSUES

Or use half – do you really need one whole piece?

6. USE BOTH SIDES OF PAPER

Set your printer's default option to print double-sided.

7. TAKE THE STAIRS

Healthier for you and kinder to the planet.
Why use the lift if it's only a few flights?

8. BE CREATIVE AND REUSE

Things like bags, bows and paper can be turned into a present or something useful.

9. TAKE SHORTER SHOWERS, SKIP BATHS

You'll save water and electricity on heating.

10. SWITCH OFF THE LIGHT

Not just for Earth Hour but whenever you don't need it.
