30.12.21 Gender (revision) c.w.

Masculine	Feminine
1. Husband	<input type="text"/>
2. Man	<input type="text"/>
3. Nephew	<input type="text"/>
4. Son	<input type="text"/>
5. Bridegroom	<input type="text"/>

Modern society simply could not exist without measurement. Length, weight, capacity—these are among the physical properties for which humans have developed accurate measures, without which we could not live our normal daily lives. Students of class 2 were introduced to ‘capacity’, where they were shown how to check the capacity of different products. They learnt about liters and milliliters and tried doing exercises based on the same.

Dance takes you towards inner happiness. Keeping the zest and enthusiasm alive, students of class 2 started learning new steps in contemporary dance on the occasion of Republic day.

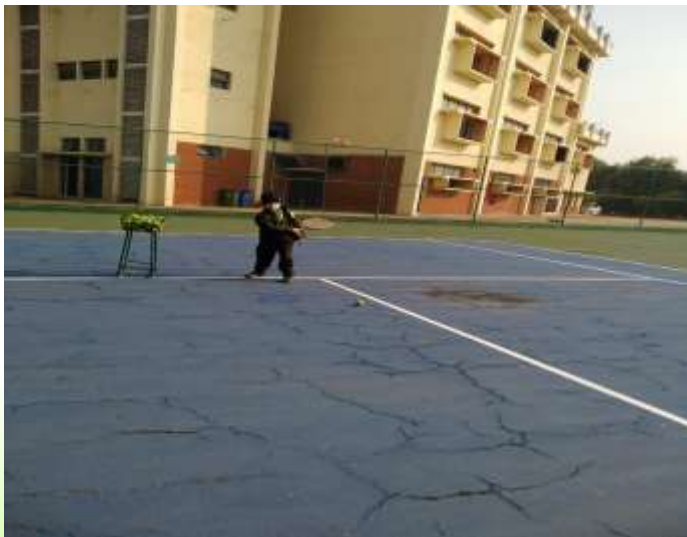

VIRTUAL TOUR- PHOENIX ZOO (1 & 2)

Children gain a lot of knowledge from a zoo experience if you talk to them about every animal they see. Fun and educational virtual zoo tours are ideal for keeping the children entertained. Students of classes 1 & 2 attended a virtual tour to PHOENIX ZOO, Arizona, United States on 30th December 2021. The session was accompanied by a video and facts about various animals like Panda, Jaguar, Leopard, Tiger, Koala, etc. After the session students also participated in an activity where they wrote a few lines about any one animal they liked in the video..

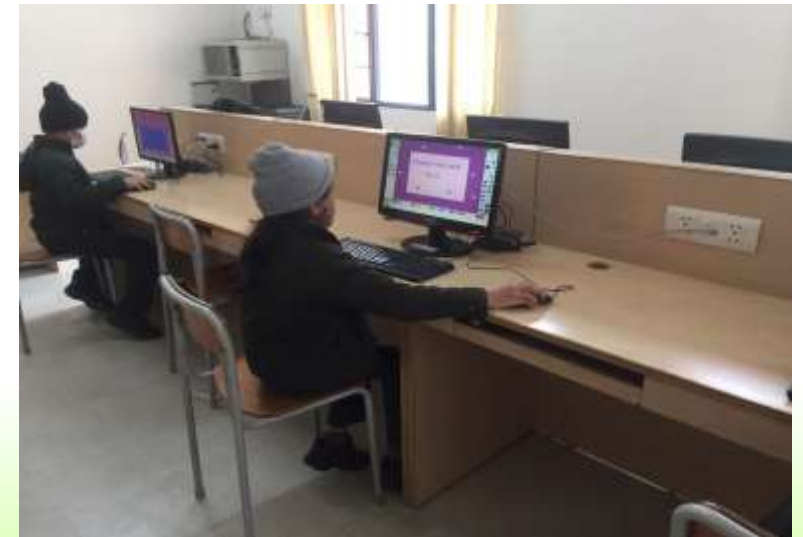

PHYSICAL EXERCISE (1 & 2)

Children learnt and practiced tennis game techniques like forehand short. It is a stroke in which the inner side of the palm, of the dominant hand that is holding the racket, faces forward.

COMPUTER CLASS (1 & 2)

Children of Class 1 and Class 2 practiced different Tools of Tux Paint. They also made “New Year” Card in Tux Paint. Children enjoy their computer period a lot.

MATIFIC

“Maths is fun”, students of class 1 practiced mathematical concepts through the technological platform Matific within the school. They were allotted a few activities during their Maths class based on addition and skip counting.

CLASS TEACHER'S PERIOD(1 & 2)

Students of classes 1 & 2 attended the online class assembly on the topic- “Our Universe” conducted by class-2B on 9th and 10th of December. The assembly started with a prayer followed by talk, thoughts, news, facts, poems, dance, instrumental performance, etc.

The Class 1C worked together as a team and presented a melange of thoughts, ideas, and expression in their Virtual Class Assembly Presentation on December 30th and 31st 2021. The theme of the assembly was “Communication”. The assembly commenced with the Morning Prayer and wise thoughts which is believed to provide peace and serenity to our minds and souls. Further followed by a few interesting facts on communication mingled with wonderful dance performances, Rhyme and song. The energy of the performance was contagious which left the audience in awe of them. No significant learning occurs without a significant activity which adds value to education. During the weekly Class Teacher’s period, Circle time was conducted on- “My favourite place to visit / my planning for next vacation”, where children got an opportunity to speak about their much-liked picnic place. As a part of Value Education, students of classes 1 and 2 were sensitized about the care and compassion for others. A PPT on the relevant topic was also shown to the students.

CLASS TEACHER'S PERIOD (1&2)

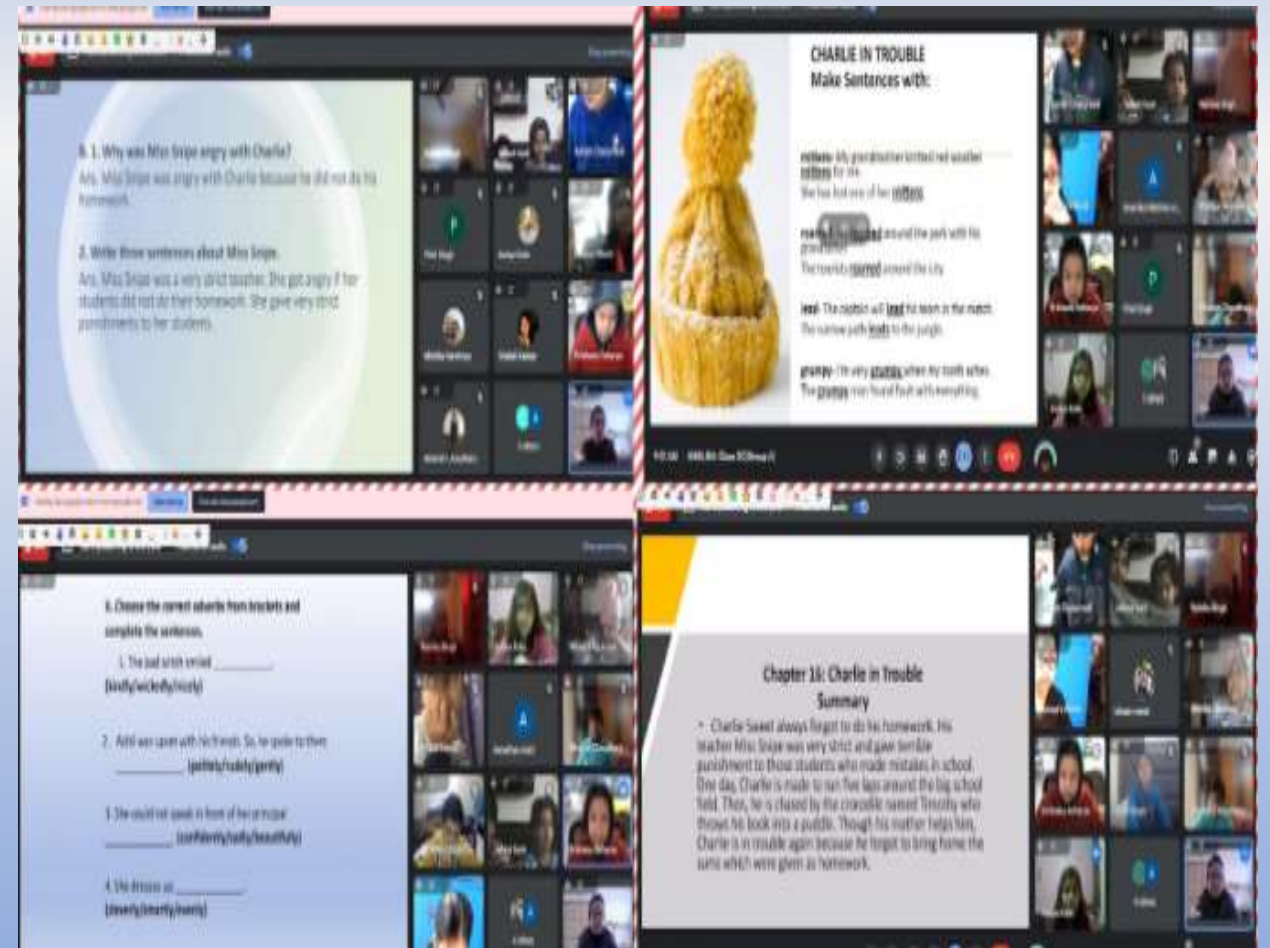

NEW YEAR EVE CELEBRATIONS- CLASSES 1-2

As the year is about to end, the students of classes 1&2 had fun on 31st December. To make student's last day enjoyable and memorable, teachers played games and showed movies. Students also got time to share their thoughts and planning for winter vacation. They were excited to have a vacation after so long.

Students of class 3 revised the lesson ‘Charlie in Trouble’ and made sentences with the new words. They even wrote the questions and answers from the chapter. The grammatical concept of Adverbs was revised too, followed by some written exercises in the school workbook. They wrote a paragraph about My Biggest Inspiration. The students also recited the poem of the month ‘My Brother Ate My Smartphone’. The online students enjoyed doing a quiz based on Adverbs on the Quizizz platform.

ENVIRONMENTAL SCIENCE

The students of grade 3 revised chapter L-16: The Universe and the Solar System. They did the related worksheets in their workbooks. Oral and written evaluation of the lesson was also done to check the knowledge and understanding of the students. Children also enjoyed watching different videos related to the planets of the Solar system and Indian Astronauts in Space. Online Students enjoyed doing the quiz related to the taught topics.

3. Who saw the whole earth from space?
a) Yuri Gagarin b) Neil Armstrong c) Kalpana Chawla

4. The place where land and sky seem to meet is called _____
a) Horizon b) Coast c) Bank

E. Match the columns.

1. Water bodies	a. seven
2. Oceans	b. direction
3. Continents	c. largest continent
4. Asia	d. blue colour
5. Compass	e. five

The collage also includes a video of a girl with blonde hair in a blue shirt, a starry night sky, and a grid of student video feeds with names like Aastya Vaidya, Neha Gautam, Jyoti, Sheetal, Nidhan Gupta, and Anshu.

हिन्दी

Students of class 3 were introduced to the concept of kaal during this week. All the worksheets related to it were done in the work book. PPT and videos related to kaal were also shown to the students. They also expressed their views on Jal Pradushan.

FOLLOW THE INSTRUCTIONS! CHILDREN

Students of class 3 started learning contemporary dance sequences on the occasion of Republic Day. They also learnt techniques of isolated movements.

Students of class 4 revised the concept of Suffixes. PPT and videos were shown to them , they also did related written work in the notebook. Exercise Reference to the Context was done of lesson Gek Plays a Joke. Students did a speaking skill activity wherein they talked about different sounds heard at home and outside home. Writing skill was done in the workbook. Chapter 9 of reader Robinhood too was read by the students. Students of class 4 were introduced to the new words of the month. The meanings and correct pronunciation of words was explained.

ACTIVITY:
What are the various sounds you hear at home , from the time you get up to the moment when you go to bed. Speak about them whether it is a noise or pleasant sound. Give reasons.

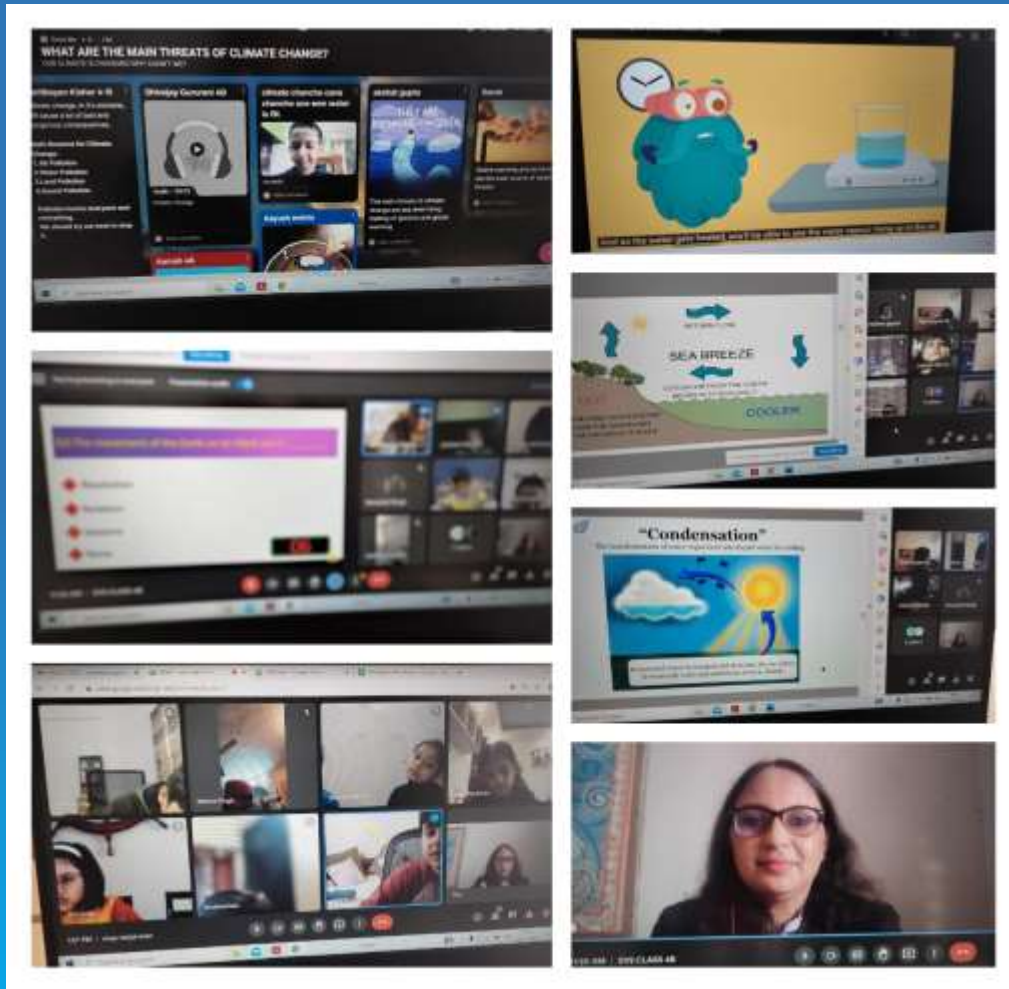

An illustration titled "Sounds Around Us" showing various sounds: "Woof!" with a dog, "meow!" with a cat, "broom!" with a broom, "moo!" with a cow, "toot!" with a train, and "beep!" with a car. A girl is also shown listening to a sound.

Suffixes

-ly	→	Quickly
-hood	→	Childhood
-ship	→	Friendship
-ness	→	Goodness

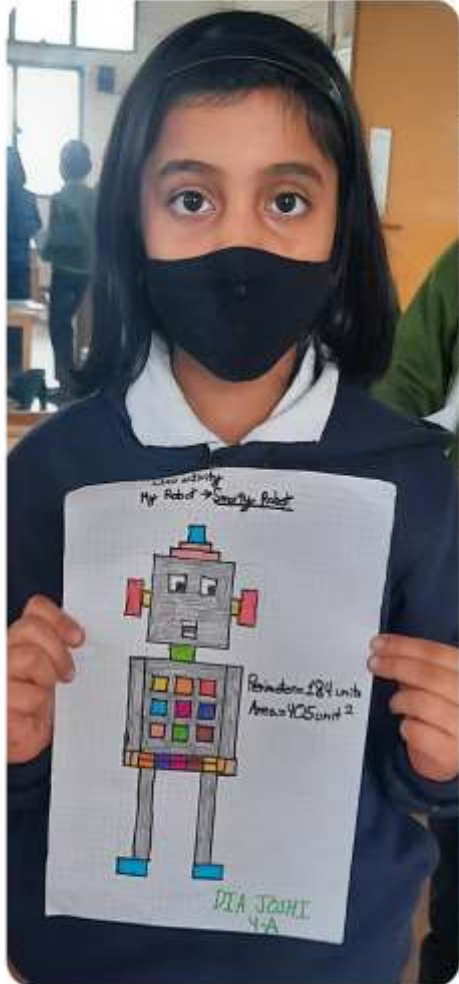

ENVIRONMENTAL SCIENCE

The students of class 4 studied about land and sea breeze and how they are caused in their EVS class. They also studied the water cycle and the different processes that take place in the water cycle. They did the question answers of the chapter in their notebook and also completed the worksheets related to this chapter in their workbook. As a part of revision the students did a quiz on air and weather and they also did a padlet and uploaded their comments on what are the threats caused due to climate change. The children were also shown a ppt and videos related to the topics taught.

Grade 4 Math

Students of class 4 enjoyed Robot making activity. They prepared the robot using geometrical shapes like rectangles and squares to identify the area and perimeter of the same. This activity helped students to learn the application of the concept in real-life situations.

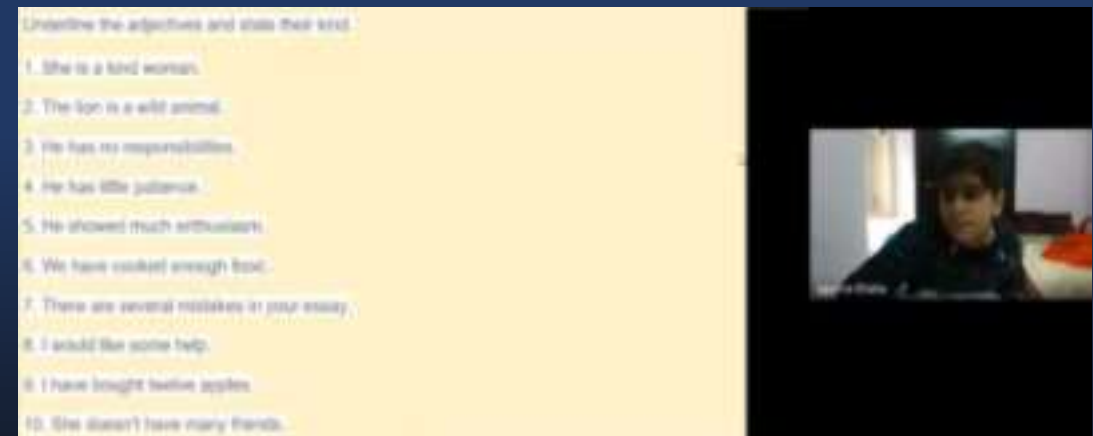

Students of class 4 were introduced to Shudh-ashudh. They were shown a video & a PPT related to the topic. They completed all the worksheets related to the topic in their Hindi workbook. They also had their ASL this week, wherein they listened to the story & answered all the questions based on it.

Students of grade 5 revised the concept of adjectives through a video. They did a few exercises based on it in their notebooks. They also did exercises on conjunctions and Wh- questions in their Engaging English Workbook. In creative writing, they tried to write a story based on pictures. They read a few pages of the reader, The Adventures of Huckleberry Finn during the class. Students enjoyed playing quiz on quizizz platform on the topic adjectives.

ENVIRONMENTAL SCIENCE

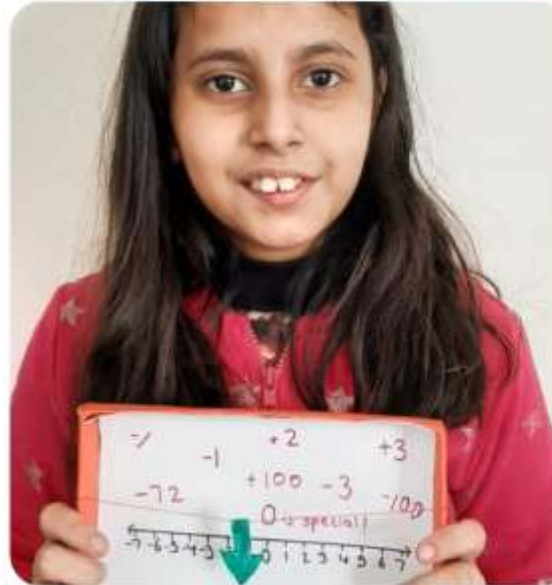

The students of grade 5 continued to be enlightened with the world of energy and its application in our daily lives through the continuation of L-25: Energy. The concept of work and the working of the various simple machines- inclined plane, lever, screw, wedge, pulley and wheel and axle was discussed in detail. A group discussion on Eco or Green Homes was also executed. Videos related to the application and structure of the different simple machines were also shown to strengthen the understanding of the students.

Learning by doing is always fun. Students of class 5 made an interesting integer board with the help of a thread and an empty box. They all were amazed to see how this integer board helped them with addition and subtraction of integers. These kinds of activities not only help them in learning but also boost their confidence.

हिन्दी

Students of class 5 revised the topic of 'Karak' in grammar. They also studied the chapter "Karat Karat abhyaas ke jadmati hote sujan". They did fill in the blanks, make sentences, paragraph writing and dictation. They also studied upsarg and pratyay in grammar.

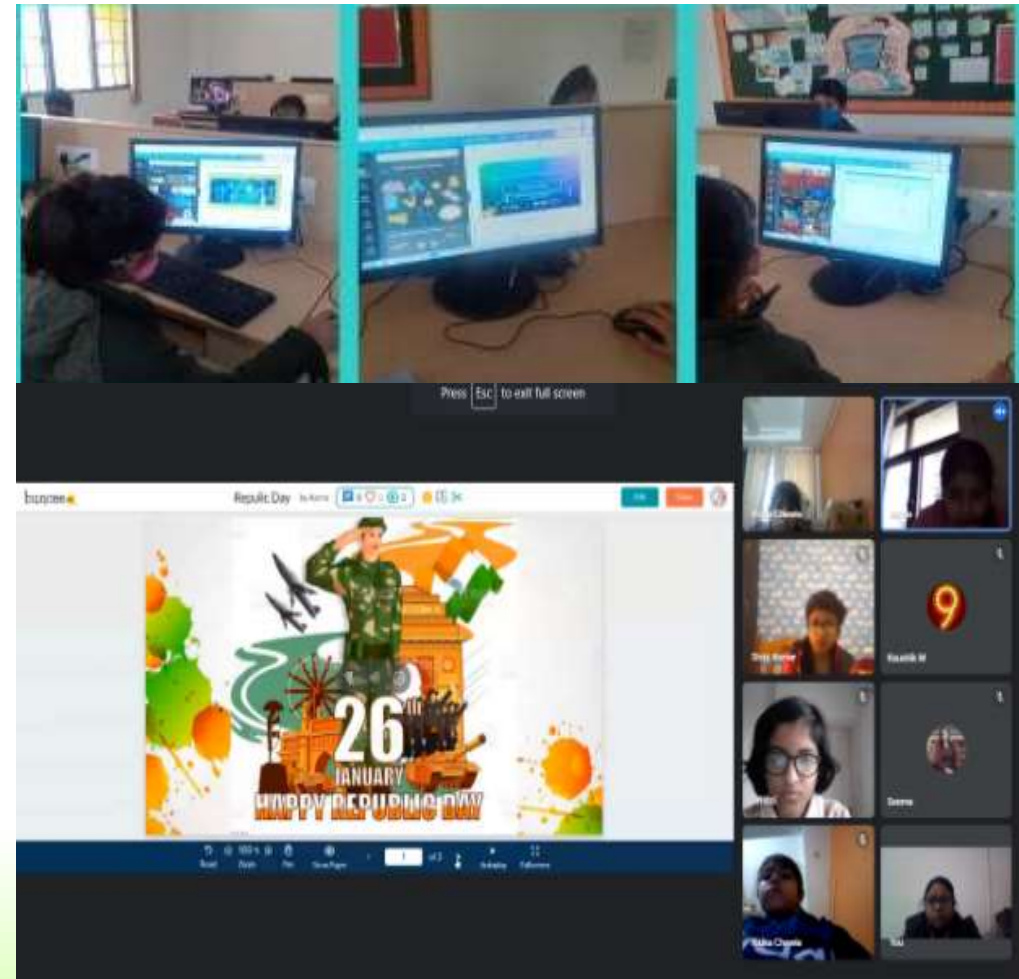

COMPUTER CLASS (3 & 5)

Students of Grade 4 learnt how to make presentation in Buncee. They had also made beautiful presentation in Buncee on Republic Day.

Students of Grade 5 were taught how to set the rotation style and change the backdrop of stage in Scratch. They have also made different animations in Scratch like sprite conversation and hide and seek game.

Students of Grade 3 learnt how to make presentation in Canva. They have also made presentation on New year and Christmas.

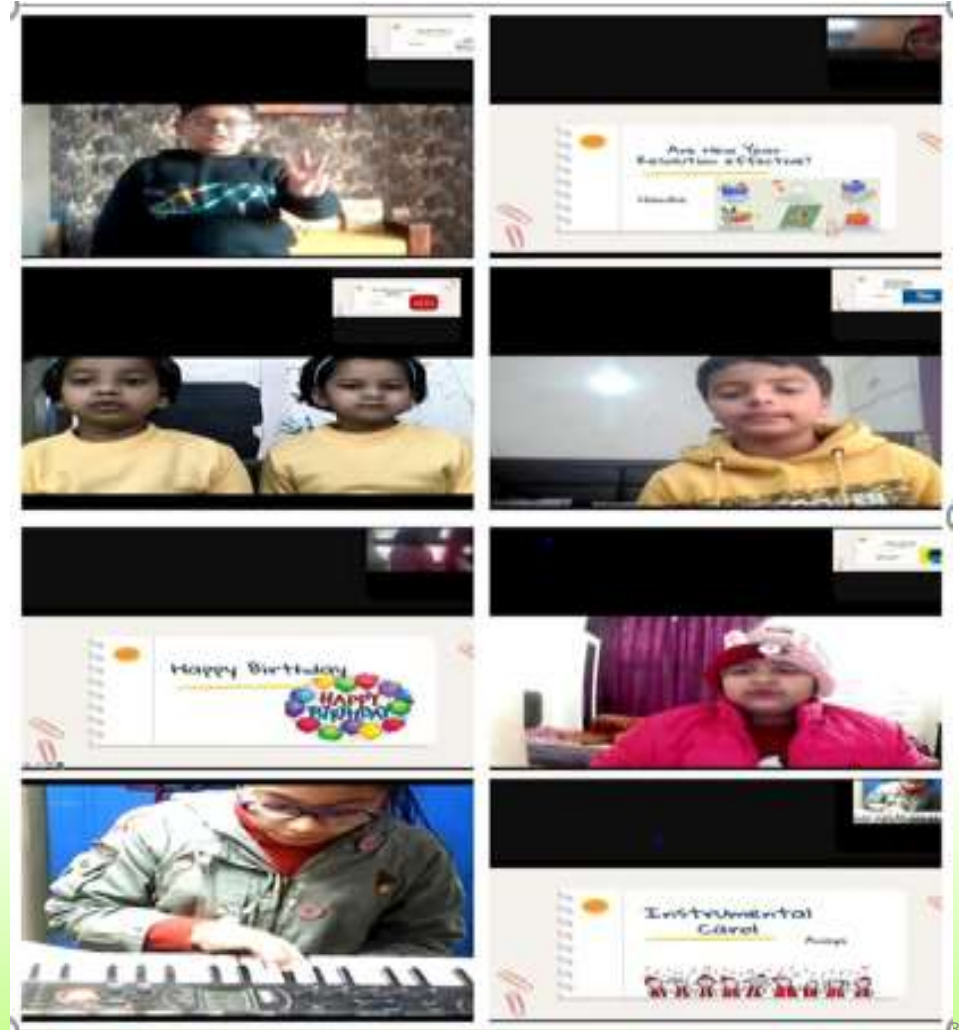

CLASS ASSEMBLY: 3D

Class assembly of 3D was held on 30 December, 2021 on the topic importance of stories. The assembly started with a prayer by Somya Kaushik, Swarnima Srivastava and Sanvi Gupta. Refreshing thoughts were given by Vedant, Arnav, Aradhy Chaubey, Avyan and Dhruven. News updates were given by Arnav Bhati and Hrydyansh Singh. A beautiful song was presented by Sanvi Gupta, Shaurya Darshan and Avyan. Akshayaa gave a beautiful dance performance. The students gave a wonderful talk on the importance of Stories. A beautiful poem, “Nav Varsh” was recited by Pranit. The assembly concluded with the birthday wishes by Aradhy Chaubey and the words of wisdom by Divya Ma’am.

CLASS ASSEMBLY: 3C

“Celebrate endings—for they precede new beginnings.” This week students of class 3C got an opportunity to conduct a virtual morning assembly on 30th & 31st December 2021. The theme for the first day’s assembly was ‘**Importance of Stories**’ whereas the theme for the second day was ‘**New Year’s Resolutions**’. The assembly started with a short prayer followed by the national, international, sports news and positive & motivational thoughts shared by the students. From beautiful ppts to the instrumental songs, children also enacted stories. Poems related to the theme were beautifully recited by the students.

CLASS ASSEMBLY- 4A

The students of class 4A conducted the morning assembly on 31st December on the topic of “New Year Resolutions and Importance of Stories”. The assembly started with prayer and sanskrit shlok followed by inspirational thought, news, talk, poem, story and dance. Children also talked about their resolutions for the new year. Children celebrating their birthday this week were wished during the assembly. The assembly was concluded by motivational words by Divya ma’am.

GAMES AND SPORTS (3 - 5)

Students of physical classes of 3-5 learnt basic skills of different games such as Chest pass, bounce pass, shooting at the board and dribbling in basketball, dribbling, inside of foot pass, 1 Vs 1, small sided match and shooting in football and forehand shot in lawn tennis. They also participated enthusiastically in activities of physical fitness components development through different drills. Students of online classes learnt yoga Asanas and ways to develop physical fitness components.

STAR TABLE IN DINING HALL

Table manners and dining etiquette can go a long way towards building a child's confidence in social situations.

As per the observation, this week class 4A was the star table. Children came to the table with clean hands and faces. They stayed seated and managed to finish all the meals on time.

CLASS TEACHER PERIOD (3 - 5)

Students of classes 3-5 had theme-based Class Teachers' periods from Monday to Wednesday. The topic for the Circle Time on Monday was Sportsmanship. It was shared with the students that good sportsmanship is one of the life lessons that one can learn from sports. We can understand and value good sportsmanship while having a safe and fun sports experience. While winning might feel like the most important thing during sporting events like tennis matches or basketball games, good sportsmanship teaches competitors how to be gracious and respectful towards others. Tuesday's Value Education session continued on Friendship. The students got to know that friendship helps in character building of a person too. Friendships should be uplifting, enlightening, encouraging, and above all character-building. Post session, the students joined in a discussion, wherein they shared incidents of their lives when their friends helped them in times of need. And vice-versa. The General Awareness session on Wednesday was on Seven Natural Wonders of the World. There are undoubtedly some of the most amazing places on our planet but the seven natural wonders of the world have been separated as the most awe-inspiring. These wonders of the world can be found on five different continents and are magnificent in their natural beauty.

NEW YEAR EVE CELEBRATIONS- CLASSES 3-5

New Year's Eve, the last day of the year, a time to celebrate , have fun with each other and enjoy togetherness. To mark the last day of the year with fun and laughter, some fun filled activities were designed for the students of classes 3-5, both for online and physical classes on 31st December,2021. Students of physical classes watched the animated movie Coco. After watching the movie, they enjoyed music and dance with their respective class teachers. Students of the online classes played fun filled games such as Guess the cartoon, Scavenger hunt, Freeze Dance and Guess the Movie. It was a well spent time for the students along with their class teachers and the day culminated on a happy and joyous note leaving a smile on the face of every child.

Let's welcome the year which gives hope

Let's welcome the year which gives happiness,

Let's cherish each moment it beholds.

Happy New Year!

NEW YEAR EVE CELEBRATIONS- CLASSES 3-5
