Importance of First Aid: Making First Aid Boxes for the purpose of charity.

Accidents and injuries can occur anywhere – at home, at the school, while driving or while participating in sports events. They are not wished for but they do happen. Hence, it is essential to be prepared for such medical emergencies. With this thought in mind, this week in Health & Wellness Club a session on the importance of First Aid Box was conducted by Ms Mamta, Physical Education teacher. She told students that a first aid kit with the proper supplies can help clean cuts, limit risks of infection and help an injury to heal such as a sprain. Having a first aid kit ready in your home and school can help prevent an injury from getting worse and can potentially save any trips to a walk-in clinic or hospital. This is especially crucial, if an injury involves blood- loss. We can offer temporary aid to someone who's hurt but may still need to call emergency services, depending on the severity.

Ms Mamta also shared easy home medical remedies as a part of first aid. All the students enjoyed making First Aid Boxes which will be donated to junior classes in order to create awareness about the importance of the same.

DEBATING AND JOURNALISM CLUB IX-XII

On 28th July 2022, the student members of the Debating and Journalism club participated in a Model United Nations session in the committee of the United Nations Human Rights Council. Students were given their country portfolios a week prior and with the agenda set, a healthy discussion ensued. The agenda was - human rights violation in various countries. A moderated caucus was set to discuss upon the human rights violations of the Uighurs in China's Xinjiang region and also of the country's One China Policy. The delegates further debated in favour of their country's stand and criticised and pointed out others for various humanitarian predicaments and discussed upon solutions for the same.

ENTREPRENEUR CLUB IX-XII

'Har Ghar Tiranga' is a campaign under the aegis of 'Azadi Ka Amrit Mahotsav' to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India's Independence. Keeping this in view students of entrepreneurship club have taken up the activity of making good numbers of our National Flag during the club meet and thereby displaying it for parents during PTM on 6th August 2022.

INTERACT CLUB IX-XII

Each One Teach One Programme

In its endeavour to develop the students in such a way that they can seamlessly merge in the society and become aware of social realities, the student members of the Interact Club are relentlessly continuing with the 'Each One Teach One Programme'. The aim of this programme is to help the partly literate and less privileged members of the society. Interactors Arnav Parashar, Diva and Zoya have become the teachers and taught Hindi Varnmala to our non-academic staff members to make them read and write in Hindi, under the program "Each One Teach One" on Thursday 28th July.

MISSION 75 IN ASSOCIATION WITH ROBIN HOOD ARMY

TIP OF THE WEEK

Things parents say

"In my time
we never..."

"Just don't think
too much..."

"You worry too much."

"It's not a big deal!
You have everything."

Instead try

"It wasn't the best for
me but it doesn't have
to be hard for you."

"What is making
you feel this way?"

"I understand why you
might find it hard..."

"How can I best
support you?"
