FREEDOM

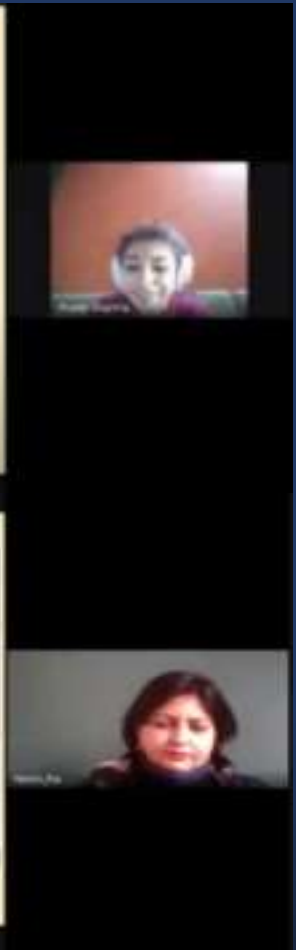

Freedom from fear is the freedom

I claim for you my motherland!

Freedom from the burden of the ages, bending your head,
breaking your back, blinding your eyes to the beckoning
call of the future;

Freedom from the shackles of slumber wherewith
you fasten yourself in night's stillness,
mistrusting the star that speaks of truth's adventurous paths;

freedom from the anarchy of destiny
whose calls are weakly yielded to the blind uncertain winds,
and the helm to a hand ever rigid and cold as death.
