91	92	93	94	95	96	97	98	99	100

“Reading is to mind what exercise is to body”

Students of class 1 were introduced to blend letters where they revised the -ch sound during their English class as a part of their reading skills. Kids were taught the pronunciation of the sound with a few examples. They were shown a video for better understanding which includes reading of certain words with the same sound. Later they participated in an activity where each child got an opportunity to explore and share five different words which they wrote in their notebook.

Games and exercise plays an important role in the growth of a child and adds value in their personality. Students of class 1 enjoyed their sports period with friends during this week.

Students of grade 2 were introduced to the poem ‘The little plant’ through a video and explained new words of the month. They also made an effort to frame sentences with the words and completed a few exercises in the textbook from the poem taught.

Class discussion:

- Why are plants important to us?
- Name a few things that we get from plants.
- Name a few plants that you can find in your school

13.04.22 Make sentences with: c.w.

bright-
raindrops-
wonderful -
seed-

New words of the month: Verbal

buried
creep
sunshine
heard
voice

raindrops
asleep
wonderful
light
heart

हिन्दी

During the Hindi class students of class 2 were introduced with new words and poem of the month. They also revised संज्ञा with which they were introduced in class 1.

12.04.22

सबसे प्यारे बच्चे

सूरज मुझको प्यारा लगता,
लेकर जाता है उजियारा।
सूरज से भी लगते न्यारे,
दिम-दिम करते नन्हे तारे।
सारे से भी प्यारा जबर,
बॉले खुरियाँ झोली भर-भर।
बंदू जबर से भी जबर,
गोब पिपट्टा और टुलार।
प्यार से भी न्यारी भरलो,
जिस पर नदियाँ कल-कल करतीं।
पेड़ों को हरियाली आवे,
हम सबको है मन को हरनी।
हँसी पृथ-सी, जोश नदी-स,
भोलें मुखड़े मन के सधवे।
भरती से भी न्यारे लगते,
खिल-खिल करते नन्हे बच्चे।

11.04.22

माँ की ममता - पापा का प्यार

घर मेरा एक बरगद है,
मेरे पापा जिसकी जड़ है,
घनी छाया है मेरी मां,
यही है मेरे आसमान।
पापा का है प्यार अनोखा,
जैसे शीतल हवा का झोंका,
माँ की ममता सबसे प्यारी।

सबसे सुंदर सबसे न्यारी।
हाथ पकड़ चलना सिखलाते,
पापा हमको खूब घुमाते,
माँ मलहम बनकर लग जाती,
जब भी हमको चोट सताती।
माँ पापा बिन दुनिया सूनी,
जैसे तपती आग की धूनी,
माँ ममता की धारा है,
पापा जीने का सहारा है।

ENVIRONMENTAL SCIENCE

Students of class were introduced with internal organs and external organs with the help of videos and pictures. They understood the importance of each and every organ and its function.

Body Organs our body has many organs and it's divided into two parts.

1. **Internal Organs**- Organs which are present inside the body.
2. **External Organs**- Organs which are present outside the body.

The parts inside our body are known as **Internal Organs**

- Organs which we can not see with our eye.
- We can not touch them directly.

Dance takes you towards inner happiness so students of Class 2 started learning new steps on an imaginative story. They also tried to create their own step to execute the story and learnt different footsteps.

VALUE EDUCATION/ CIRCLE TIME

Students of classes 1 & 2 participated in circle time and shared their views on how each is going to spend their summer break. As part of value education, students were sensitized on the theme 'Friendship'. They were explained the real meaning of friendship and the value of a true friend in life. To supplement the powerpoint presentation, a short video was shown on the related theme.

What is Friendship?

Life is better with friends :)

Friendship is based on respect for each other, honesty, and helping each other with problems, and celebrating each other's success.

Why do we need friends?

Friends come and go, like the waves of the ocean, but the true ones stay, like an anchor on your face.

- Friends prevent loneliness in our life.
- They give us happiness and reduce stress and problems.
- They build our confidence.
- Good friends have good influence on us and we become good human beings.

INTER CLASS WEEKLY ACTIVITY (1&2)

Competitions offer a chance for participants to gain substantial experience and showcase their skills. Students of classes 1 & 2 got the opportunity to participate in Hindi poem recitation competition on 13th April 2022 as the part of their Inter class weekly activity. Selected students from every section of classes 1 & 2 will now compete on 18th & 19th April respectively in the final round. Winners will then be awarded with the certificate of merit.

ART AND CRAFT (1 & 2)

Students of classes 1 & 2 learned colour techniques during their Art class. Students of class 1 were taught primary colours and they used them in paintbox whereas class 2 were taught about primary & secondary colours by colouring Tulip flower.

ART CLASS

Class 3 students drawn facial expressions drawing and make different type of emotions like smile face, Sad face, surprised face etc. Student love and enjoy this activity very much.

हिंदी

Students of class 3 completed bhasha or boli. They also revised svar and vyanjan.

Students of class 3 revised the poem of the month 'My Hat Full of Rabbits' and the new words of the month. The lesson 'A Faithful Act' was introduced in the class. The students participated in the class discussion on the virtues of loyalty and faithfulness. Revision exercises related to common and proper nouns were done in the notebook, as well as in the Pragyan School English workbook.

ENVIRONMENTAL SCIENCE

The students of grade 4 studied the chapter Globes and Maps in EVS. They learnt the new words of the chapter and also did the question answers of the chapter in their notebooks. They also watched videos related to the topics taught to them in the class.

Students of class 4 learnt to do varn-vichhed and varn-sanyojan.

Children enjoy dance so students of class 5 learnt some creative dance steps on an imaginative story. They also created their own movements to enact the characters of the story. They also learnt different four steps on drum beats.

Students of grade 5 were introduced to the lesson 'A New Flower' this week. Reading and explanation of the lesson was done. Revision exercises related to nouns and singular and plural were done in the notebook as well as in the Pragyan School English workbook.

ENVIRONMENTAL SCIENCE

The students were introduced to the seven continents and oceans with the introduction of L-1: Continents and Oceans. The specific geographical features and the location of each continent was discussed in detail. The oceans, their location and special features were also taken up for discussion. Oral revision of the chapter was also done to evaluate the knowledge of the students. This was accompanied by written work of the new words and the objective and subjective questions.

हिन्दी

Students of class 5 studied the chapter “Tiranga”, new words of the month, poem, fill in the blanks. They also study hindi grammar topics like - Bhasha, lipi, varna vichhed. Presentation on these was shown in the class. They also participated in just a minute hindi activity.

CLASS TEACHER PERIOD (3-5)

Students of classes 3-5 had theme-based Class Teachers' periods on Monday and Tuesday. The topic for the Circle Time on Monday was B.R. Ambedkar Remembrance Day. Ambedkar Jayanti is celebrated every year on 14 April to commemorate the birth anniversary of Dr B.R Ambedkar. The day is observed to pay tribute to Ambedkar's invaluable contribution to the Indian legal system and Constitution. Tuesday's Value Education session continued on Health and Hygiene. The importance of maintaining good personal hygiene was discussed with the help of ppts and videos. Post session the students put their views on some of the reasons why we should have good personal hygiene.

INTERCLASS HINDI JAM ACTIVITY (3-5)

The inter-class Just A Minute activity was conducted on 13th April. Selected students of classes 3 to 5 took part in the activity by giving an impromptu speech in which they expressed their ideas on a given topic, within a minute. It was an exciting activity that helped students think on their feet and get rid of any nervousness they feel while giving any speech. The winners will be announced in the coming week.

CLASS ASSEMBLY (5C)

Class 5C had the privilege of conducting the morning assembly on the 13th of April on the auspicious occasion of 'Baisakhi'. The students presented thoughts, news, talk, poems and stories. The thoughts were based on the importance and value of Baisakhi festival in our lives. The talk consisted of the various ways in which Baisakhi is celebrated in our country, its delicacies and lively spirit. The story narrated was based on the formation of the Khalsa Panth and the history behind Baisakhi celebrations. Along with Baisakhi, Ambedkar Jayanti was also celebrated by the students in which they recited a beautiful poem on 'Hamare pyare Babasaheb'.

CLASS ASSEMBLY (5B)

The class assembly of 5B was held on 11.4.2022 & 12.4.2022 on the topic Positive Thinking. Both the assemblies started with a prayer, followed by the refreshing thoughts by the students. News updates were given by the students. Beautiful poems were presented by Shivika, Urvi & Kabir. The students gave wonderful talks & inspiring stories on the topic positive thinking. The assembly concluded with the birthday wishes and National Anthem.

HOME SCIENCE CLUB

As part of club activity, students of the Home Science Club, enjoyed making the tasty snack 'Bhelpuri'. Students were demonstrated the steps to prepare the dish. The way to chop tomatoes, cucumber and green coriander was shown and they learnt to dice a cucumber.

GARDENING CLUB

The students of the gardening club were introduced to the rules and regulations of the same. They also enjoyed their visit to the school garden, where they learned about different varieties of medicinal plants.

GAMES AND SPORTS (3-5)

Students of physical classes of 3-5 learnt basic skills of different games such as stance, grip and dribble with right and left hand in basketball, dribbling and ball control in football, ground and upward tapping, forehand swing and practice in lawn tennis and agility drills shuttle run and dig jumps in athletics.

Students also learnt yogasana in assembly period.
