ONLINE CBSE TRAINING SESSIONS

Ms. Sushma Rajeev Garg, PGT English attended a workshop organized by Center Of Excellence CBSE on 28th May 2021, on the topic Value Education and its Significance. The workshop focussed on the fact that the primary aim of education is not to enable students to do well in school, but to help them do well in the lives they lead outside the school. For this children must imbibe the right values and school must teach these values in the right spirit. Values must be taught through all the subjects, in the playground, in the laboratory, and in the library too. Values should become a part and parcel of the teaching-learning process.
