WEEKLY CIRCULAR PRIMARY

24th SEPTEMBER 2021
(CIR/PS/21/2021-22)

NURSERY

English –Introduction of letter ‘O’ was done by doing worksheets and picture reading was also done where children can identify the pictures related to the letter O.

Maths - Pre number concept left, right and middle and square shape was done by doing the activity and by doing the worksheet.

Hindi - Revision of vyanjan ‘ॐ-ॐ’ was done by doing the picture reading.

General Awareness - Germination activity was done in the class where students put soil and seed in a pot and kept it in their balcony.

Environmental Science – Craft of Honey bee was done by in the class.

Art- Students enjoyed doing the colouring of tortoise.

Craft –Students enjoyed doing the craft work of underwater scene.

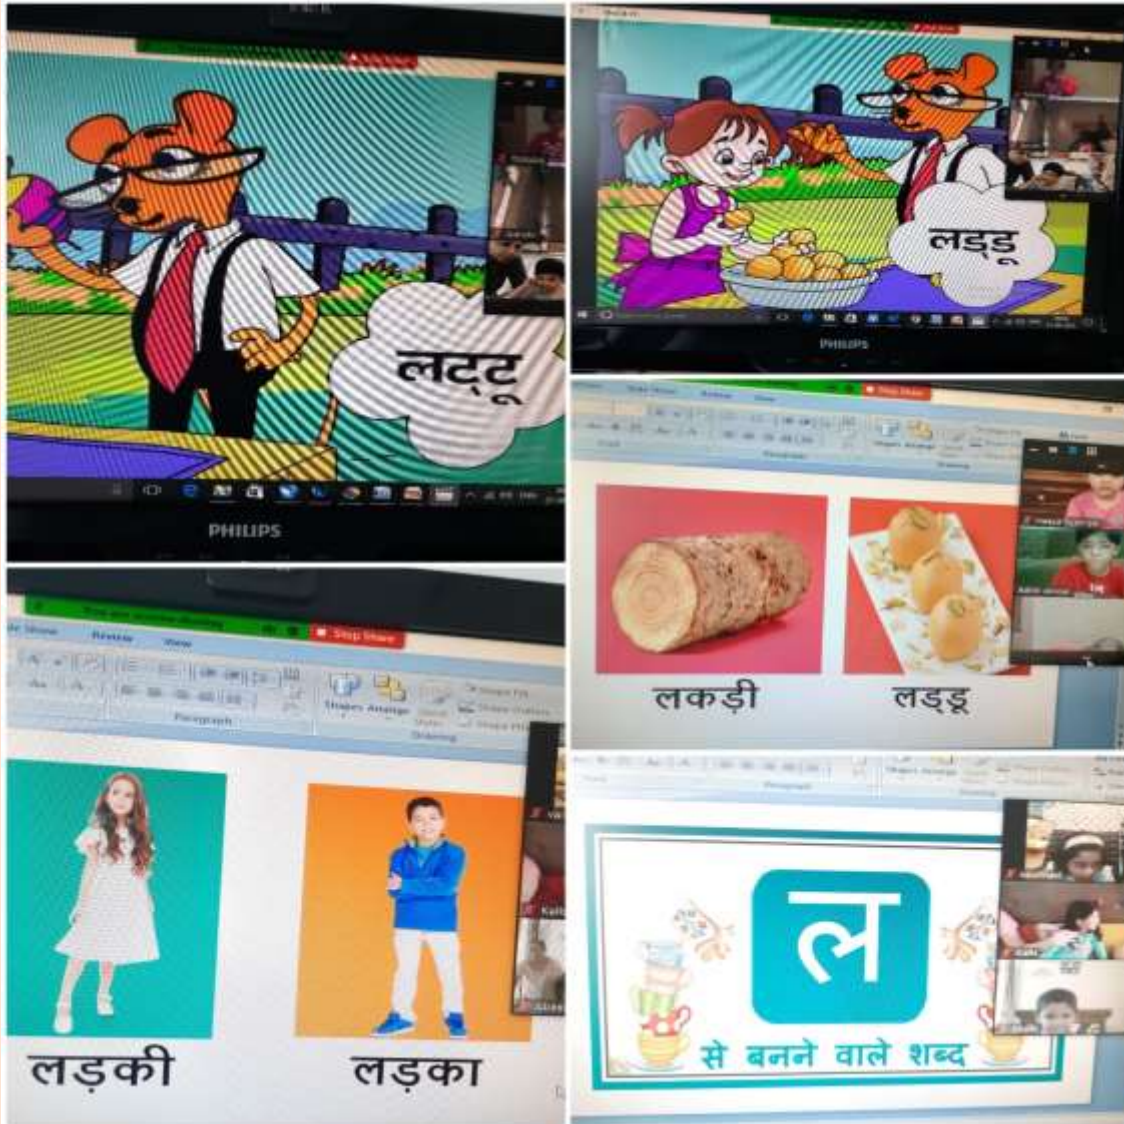

Dance-Students practiced the ‘Dandiya dance’.

Music- Students practiced the song ‘Ram Ram Ram....’.

Moral Values- Story on ‘Honesty’ was shown to the children.

KINDERGARTEN

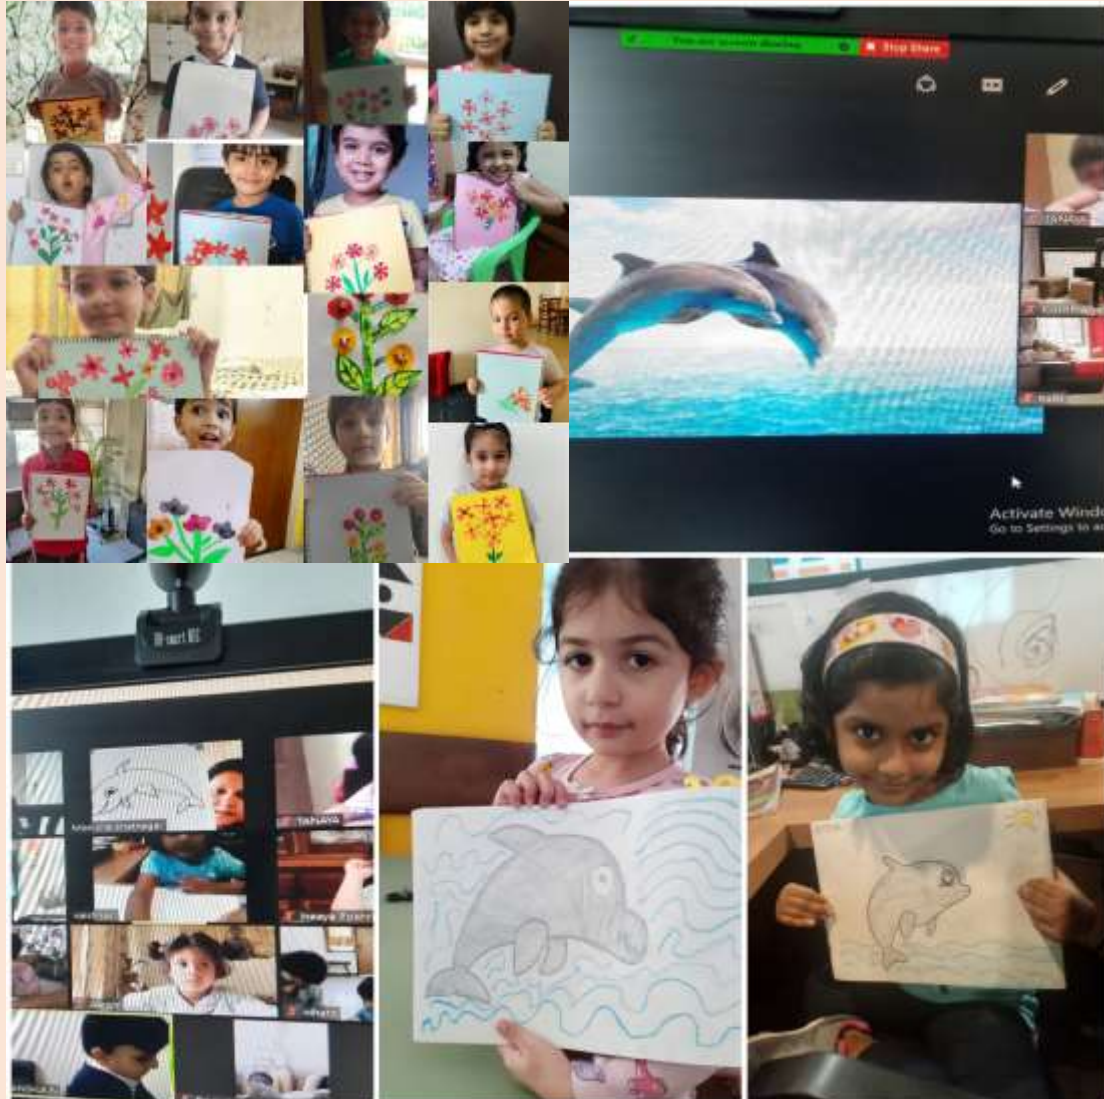

English - Students of KG revised all the letters done in the class, letter story and ad family words were also done in the notebook. Revision of sight words and at ,ag words were done during English class. Reading practice from the reader book was also done.

Maths - Revision of skip counting by 2's and 5's were introduced. Number names of 4 and 5 were done, sequence writing 0- 100 was done. Worksheets on skip counting and missing numbers were done during maths class.

Hindi - Revision of vyanjans were done and vyanjan ल was introduced with the help of flash cards. Written practice of two letter words were done during Hindi class.

KINDERGARTEN

EVS - Aquatic animals were introduced in EVS class .Students of KG learnt about Dolphin and few facts like Dolphin is aquatic mammal and they breath with the blowhole at the top of their head. Students enjoyed watching videos related to the topic in the EVS class.

GA - Students learnt about honesty and enjoyed watching story in the class .

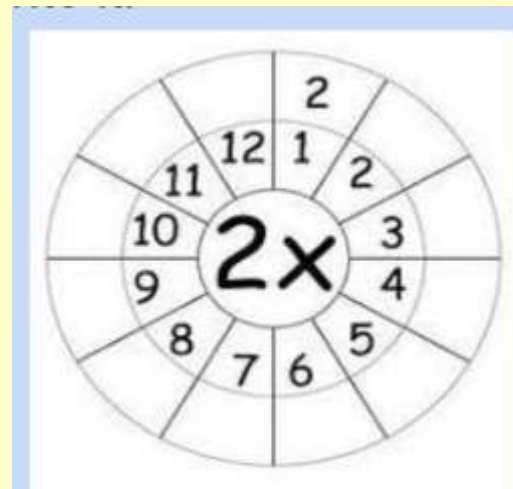

Art and craft - Students enjoyed making Aquatic animal in art and craft class .

Music - Students practiced ram ram Jai ram song during music class.

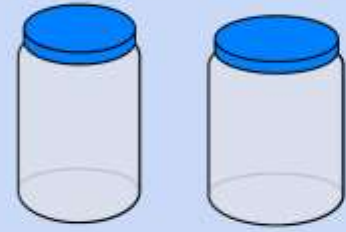

Activity- Students enjoyed vegetable printing in their class activity.

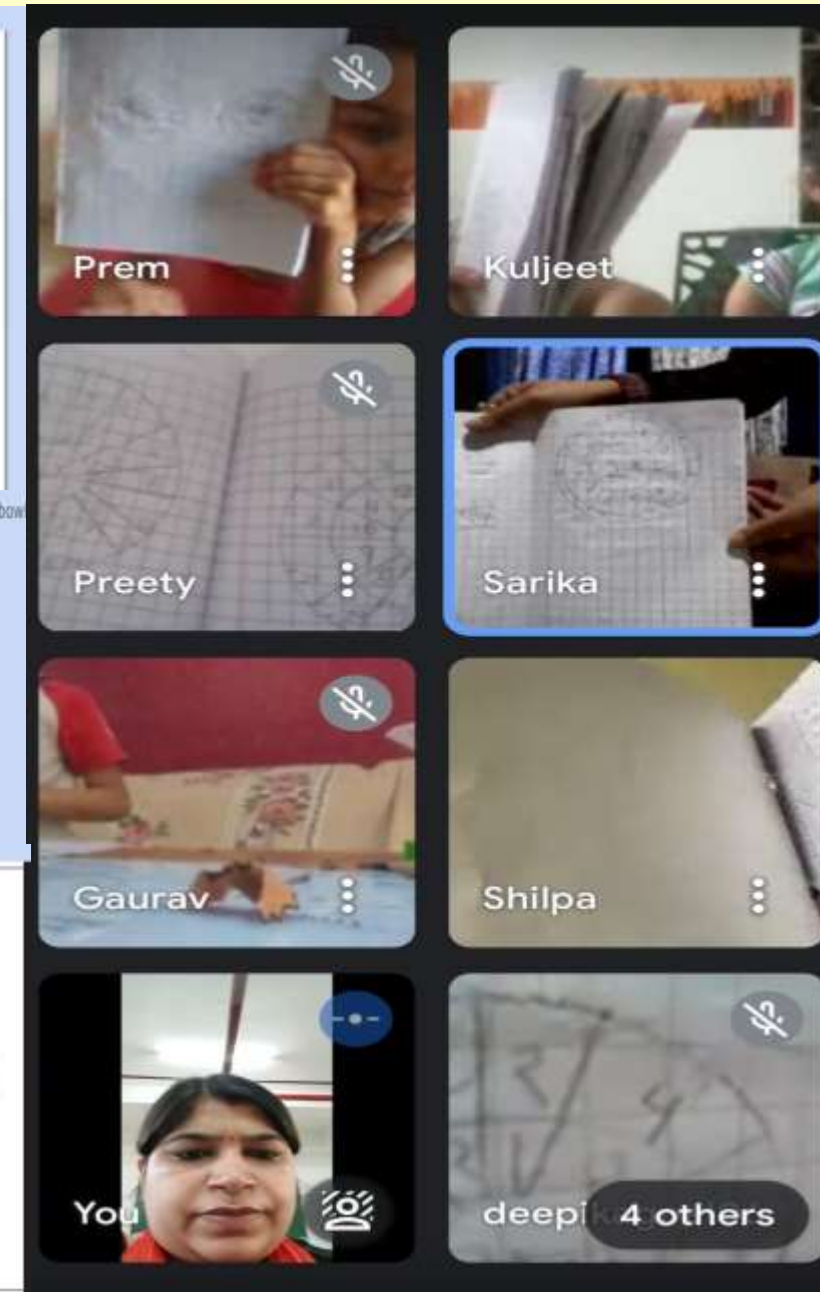

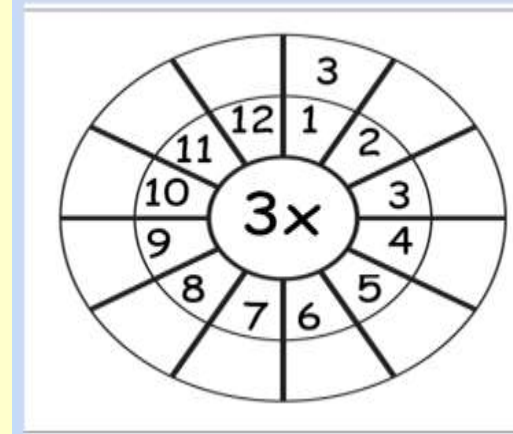

Activities help in building and using the previous concepts taught that enable students to engage with and develop their skills, knowledge and understandings in different ways. Children of class 1 enjoyed doing several activities in maths this week from the topics taught to them. They made a circular representation of tables and made gems in different jars and enjoyed counting them. It was a fun filled activity to revise the concept of double digit addition. Three number addition concept was also revised along with double digit addition where they were asked some questions in the form of quizzes.

Make 15 colourful gems in one bowl and draw 21 colourful gems in the other bowl. Add and tell the total amount of gems.

$$15 + 21 = 36$$

The concept of is, am, are and action words were discussed this week during the English class, where the students were introduced to the concept of using these words into a sentence. Later the kids participated in an activity of framing simple sentences using verbs. The action words were revised through a video presentation followed by a fun filled game - Dumbcharade, where each child got an opportunity to enact and guess the action word.

ENVIRONMENTAL SCIENCE

Children of class 1 studied the chapter 'Clothes' which enabled them to know about the importance of clothes as one of our basic needs. They were able to explore season specific clothes and special clothes worn by professionals. A video depicting costumes of India were also shown to them, wherein they got to know about different attire worn by the peoples of different states of India.

People in different places wear different types of clothes

Like - Salwar kameez, Saree, Kanchli Dhoti, Kurta pajama etc.

Students of class 2 made a good effort in reading the comprehension section on 'A visit to the zoo'. Most of them could read independently but some required help. As part of their creative writing, students also tried to write a paragraph on their Favourite game, with the help of hints given.

Reading skills:

A visit to the zoo

Today our class teacher took us to the zoo by bus. We were about to enter the zoo through a large gate. Our teacher guided us. We saw a lion inside a cage. We also saw tigers, giraffe and other wild animals in a fenced area. The best experience was seeing the roar of the big lion face to face. Snake park was also a part of the zoo. It was a thrilling experience watching snakes move just like that behind the glass. We came back to school at 3 PM. It was a worth to spend time with family or big group.

Creative Writing

23.09.21 C.W.

Write a paragraph on My favourite game and draw the picture.

Hints:

- Name of the game
- How do you play?
- Is it an outdoor or indoor game?
- How did you learn about this game?
- With whom do you play?

ENVIRONMENTAL SCIENCE

Students of class 2 learnt about food and types of food. The chapter is helping them to decide what is right and wrong food for their body. They are able to create a difference between a healthy and a healthy diet as well.

3. Body-building Food- Food that help our body to grow and build muscles like eggs, milk, meat, nuts and fish.

Balanced Diet

A diet which has a variety of food from all the food groups, in the required amount, is called a balanced diet.

A balanced diet provides us with energy, helps us grow properly and keeps us healthy and strong.

PHYSICAL EDUCATION (1 & 2)

In online physical fitness class students of classes 1 & 2 learnt different yoga asanas to develop flexibility and breathing techniques to improve lung capacity. Students attending physical school enjoyed doing different drills to improve their speed and agility and played various team sports to develop team spirit.

INSTRUMENTAL CLASS (1 & 2)

Playing an instrument makes you use both sides of your brain, which strengthens memory power. In continuation with the last week, students were introduced with various musical instruments. They were also given practice of the song- De di hamein azadi.....

CLASS TEACHER'S PERIOD AND CLASS ASSEMBLY

During the class teacher's period, students participated in a Circle time activity- 'मेरे जन्मदिन पर मेरी तैयारियां', where children got the opportunity to speak about their preparations for their birthday. It is very important to have patience in life. Students of classes 1 & 2 were shown a video and PPT as part of their Value Education session on 'Patience'. Students also got the opportunity to participate in a discussion on the same topic.

Assemblies are a pretty important slot in the school day. Assemblies provide a fantastic opportunity to build a strong sense of community. Students of class 2 B conducted the assembly on the Theme- 'Cartoon Characters' on 23rd and 24th September. Students presented thoughts, news, dance, poems and interesting facts about various cartoon characters. They also spoke about their favourite cartoon characters. A small video showing the glimpses of the physical school was also part of the assembly.

INTER CLASS ACTIVITY (1 & 2)

Dancing is a mix of art and exercise which connects the mind and body, and makes one sharper and stronger. An inter class weekly Group Dance activity was organized for the students of classes 1 and 2 on 22nd September, 2021. The activity began with great zest and excitement and the participants of class 2, twirled around to the musical tune and children of class 1 jingled their body to the rhythm of 'Achutam Keshwam'.

ART AND CRAFT (1 & 2)

Students of class 2 learned to use colours and pencil strokes. They depicted our father of the nation on the occasion of the coming national festival Gandhi Jayanti whereas students of class 1 learned to make handmade paper bags under supervision of their art teacher. They used coloured papers and decorated their bag with glitters, colours, stars etc.

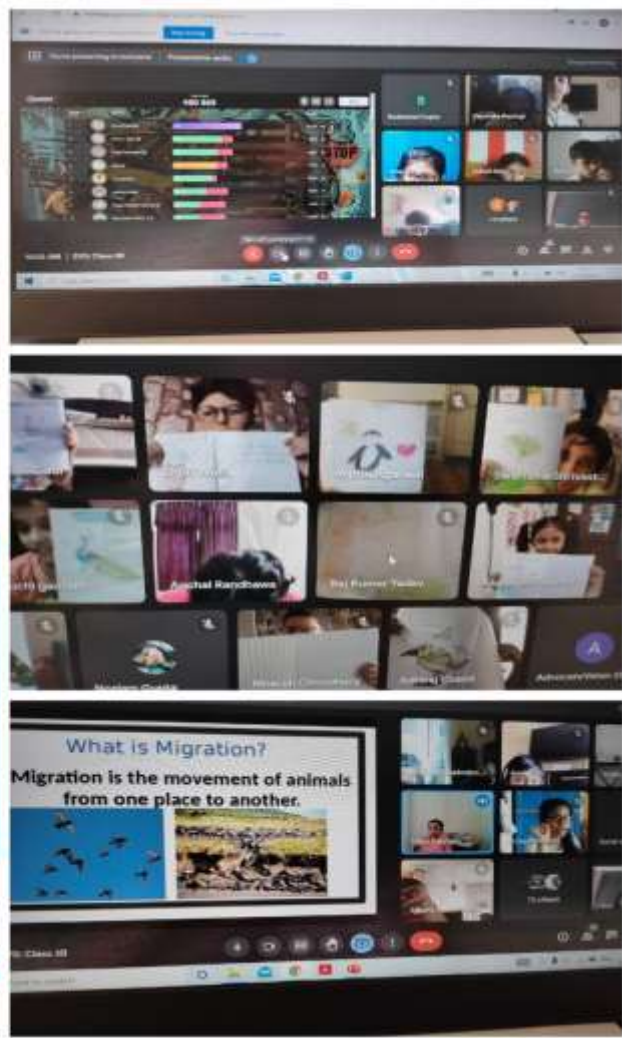

Students of class 3 were introduced to the lesson 'The Seed of Truth', wherein they did the word meanings, made sentences with the new words and the questions and answers. They were shown a video on honesty to interlink with the chapter that how honesty brings rewards. They even shared their own views on the said topic. They revised Opposites and did some written exercises. They were also introduced to Synonyms. Related ppt and videos were shared too. They did the reader Gulliver's Stories. The online students participated in the quiz on Opposites conducted on Quizizz platform and answered questions on the Mentimeter too.

ENVIRONMENT SCIENCE

The students of class 3 revised the chapters Birds and India Physical during their EVS classes. They revised the different types of beaks, feathers and claws of birds. The students also revised the six physical divisions of India like Northern Mountains, Deserts, Plateau etc. They also did a quiz related to the topics that they revised in the class. They were also shown videos and ppt related to the topics that they had learnt in the class.

हिन्दी

Students of class 3 had their Hindi Recap this week. They also read the chapter “KARO NA NATKHAT SE SHAITANI” in their Hindi Class.

SEPTEMBER 2021

करो न नटखट-सी शैतानी

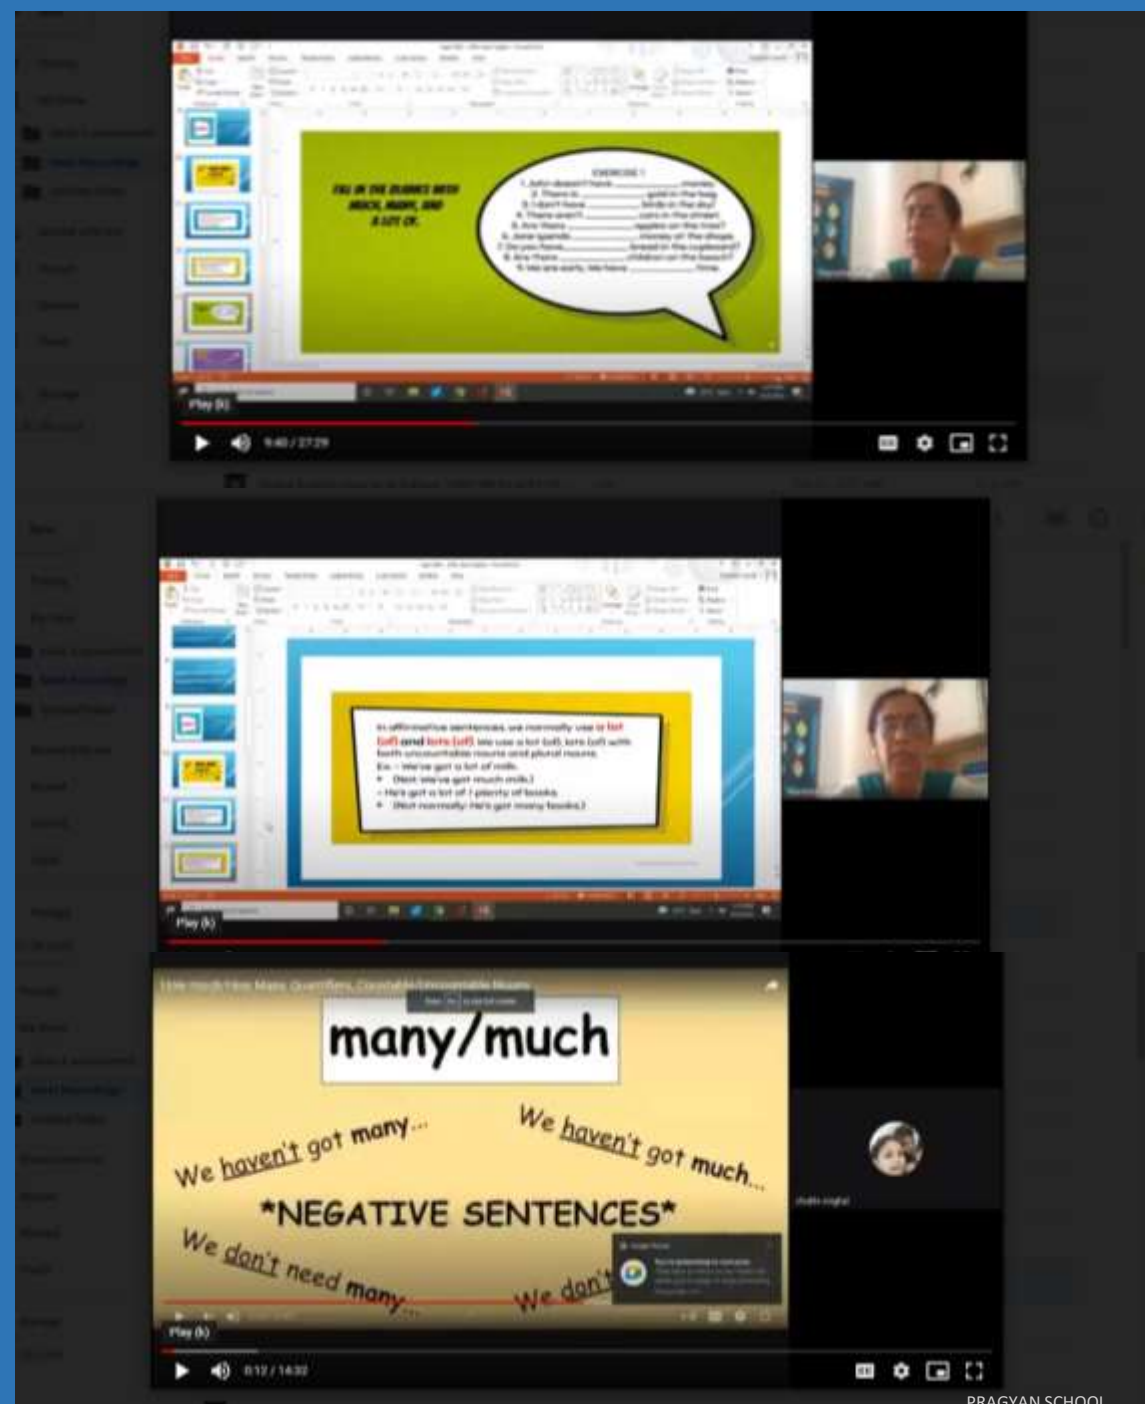

फिरकत मया देखने केला,
वही खरिफत उल्ले केला ।
फिरकत ने फिर कायम केला,
फिरकत कुदरेदम में न डरला ।

फिरकत फिरकत वहीं लफका पर,
फिरकत कोई फिरकत डिलकका ।
वही वह उल्लेकी भुली जलकत,
कलकत वा मय मरुत जलकत ।

एक दिन नटखट मेजा देखने वाला मेजे में उसने कैला खरीदकर खाया और फिरकत कड़ेदार में नहीं डाला। उसने कैला चाकर फिरकत सासक पर ही फैक

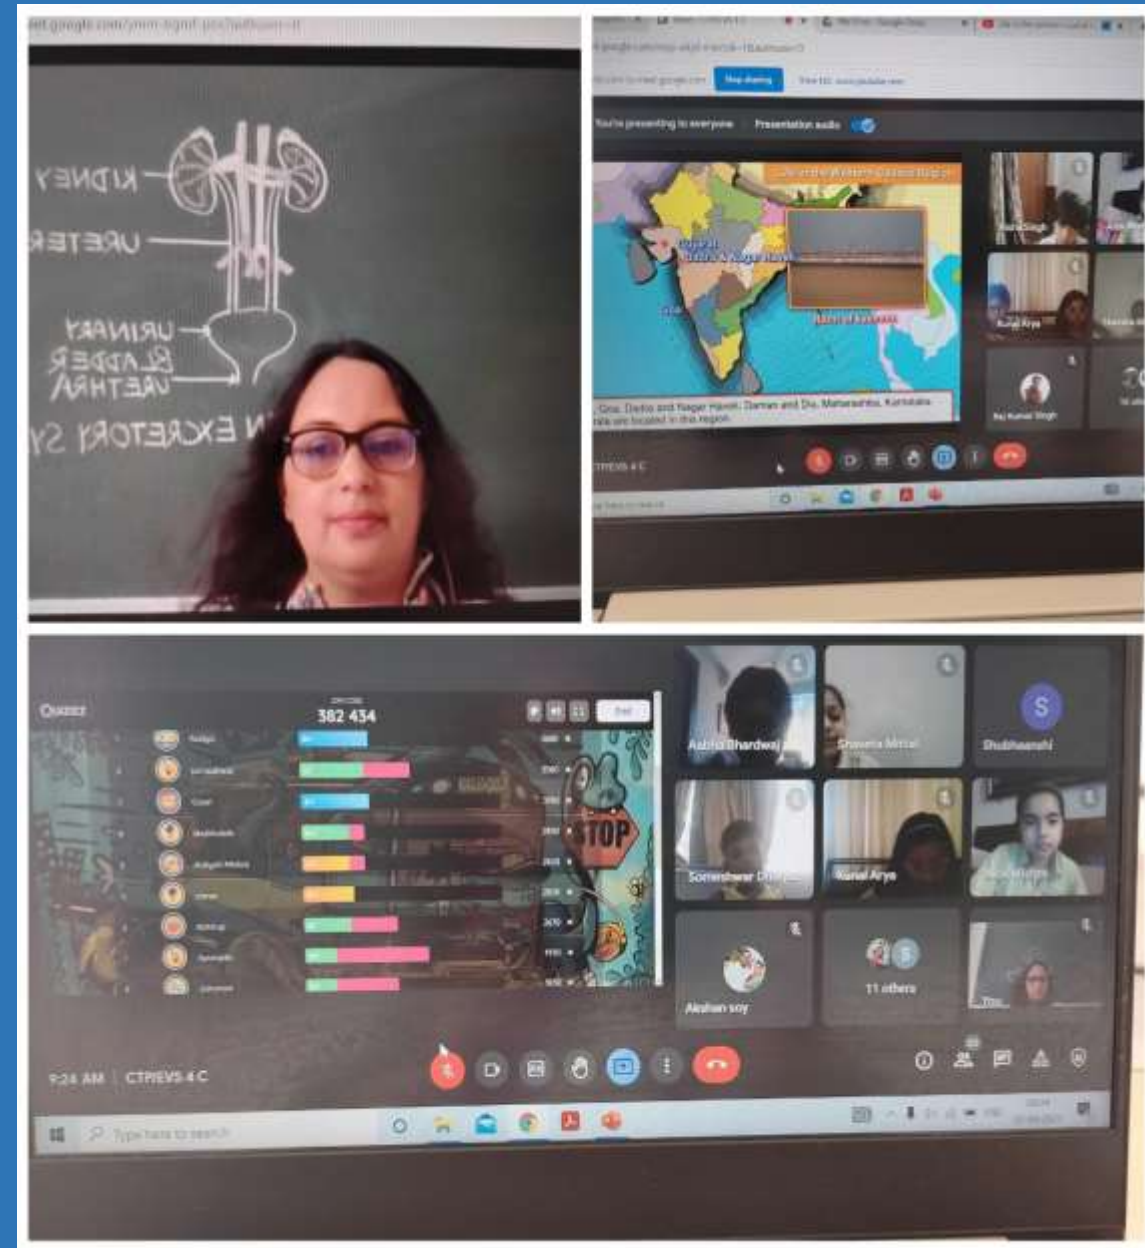

Students of class 4 were introduced to the concept of quantifiers wherein they were taught the use of much, many, little, a few, lots of through related PPT and video. Related written work was done in class. In literature they did written work from lesson The Recycling Rap. Unseen passage was done in the workbook. They did paragraph writing on the topic A Journey by Train.

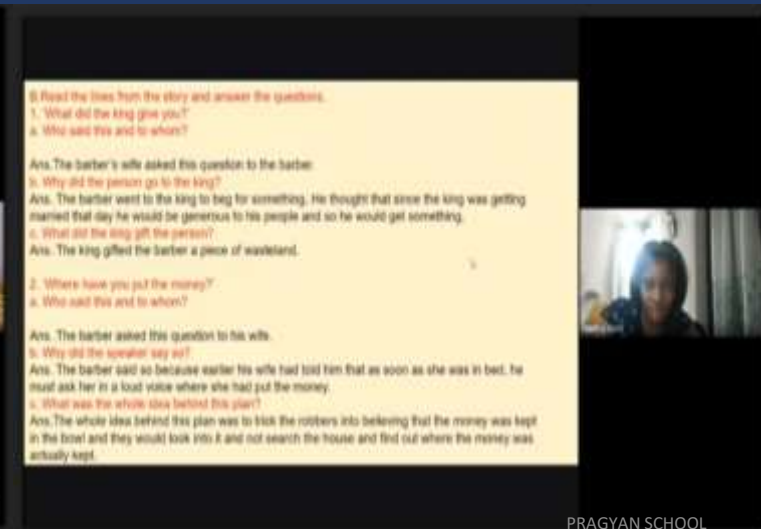

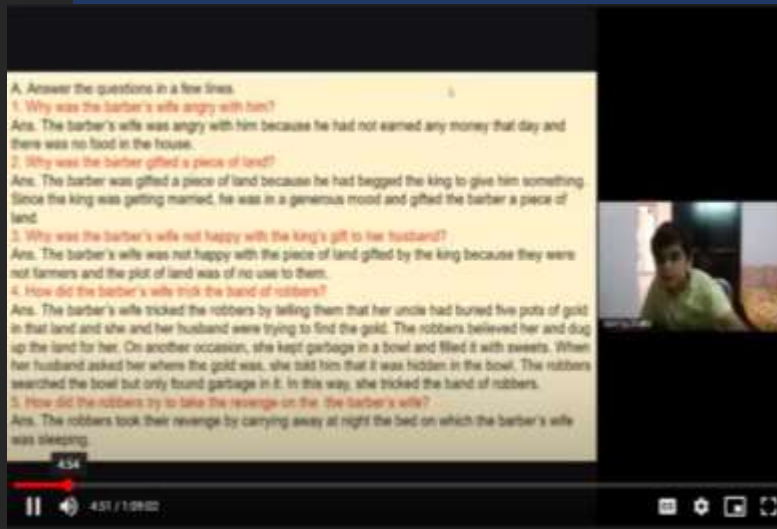

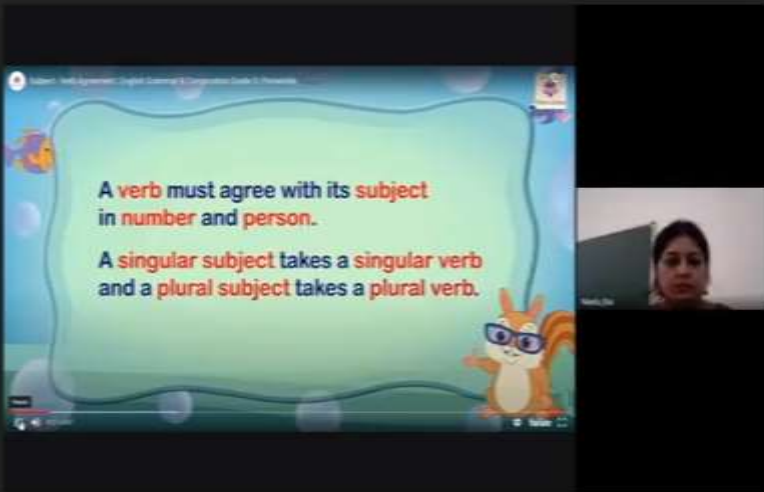

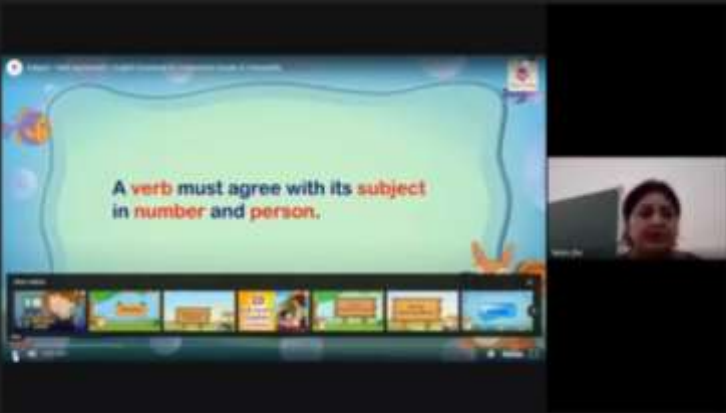

ENVIRONMENTAL SCIENCE

Class 4 students revised the chapters Human Body and The Coastal Regions of India during their EVS classes. They studied about the different organ systems in our body and their functions. They were shown ppt and videos related to the topics taught and they also did quizzes related to the topics that they had revised in the class.

Students of grade 5 wrote the question - answers and reference to the context of the lesson, 'The barber's Wife' in their notebooks. They were introduced to the concept of Subject-Verb Agreement and were shown a ppt and a video too. They did an exercise and worksheets based on it in their notebook and workbook. The students of online classes participated in the quiz on verbs conducted on Quizizz platform.

ENVIRONMENTAL SCIENCE

5B Online EVS Class (2021-09-21 at 22:11 GMT-7)

REVERSIBLE AND IRREVERSIBLE CHANGES

- When a change can be undone (freezing liquid water to ice and melting it back again) it is known as a reversible change.
- The changes in which we cannot get back the original substances are called irreversible changes.
- When we burn paper, we cannot get back the paper from ash, so it is an irreversible change.

Examples of reversible changes

Examples of Chemical Change

Students of grade 5 were introduced to the world of matter and its phases with the introduction of Lesson 21: Matter. The concept of matter was explained along with various examples. A comparative study of the molecular arrangement of solids, liquids and gases were done by the students connecting it to the properties of the three phases of matter. The two different types of changes-reversible and irreversible were also taken into consideration. Application based questions on identifying the type of change was practised in the class. Students also recapitulated terms like solute, solvent and solution through various examples. Videos related to the above concepts were shown to the students to strengthen their understanding. A set of objective and subjective questions were done in the class to recapitulate the concepts learnt. Worksheets related to the concepts were also completed during the worksheet periods.

हिन्दी

Students of class 5 revised the topic of 'Visheshan' in grammar. They also studied the chapter "Meri Maa". They did fill in the blanks, make sentences, paragraph writing and dictation. They also gave their hindi recap using google forms.

पाठ 5 'मेरी मां'

पाठ 5 'मेरी मां'

भाषण प्रतियोगिता

(2) स्त्रीलिंग :- जिन संग शब्द से स्त्री जाती का बोध होता है, उसे स्त्रीलिंग कहते हैं।

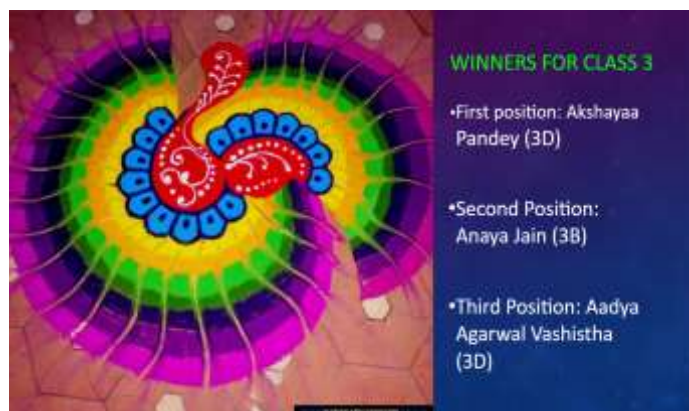

जैसे- 1. सजीव- माता, रानी, घोड़ी, कुतिया, बंदरिया, हंसिनी, लडकी, बकरी, जूँ।

2. निर्जीव पदार्थ- सूई, कुर्सी, गद्देन इत्यादि।

3. भाव- लज्जा, बनावट इत्यादि।(1)

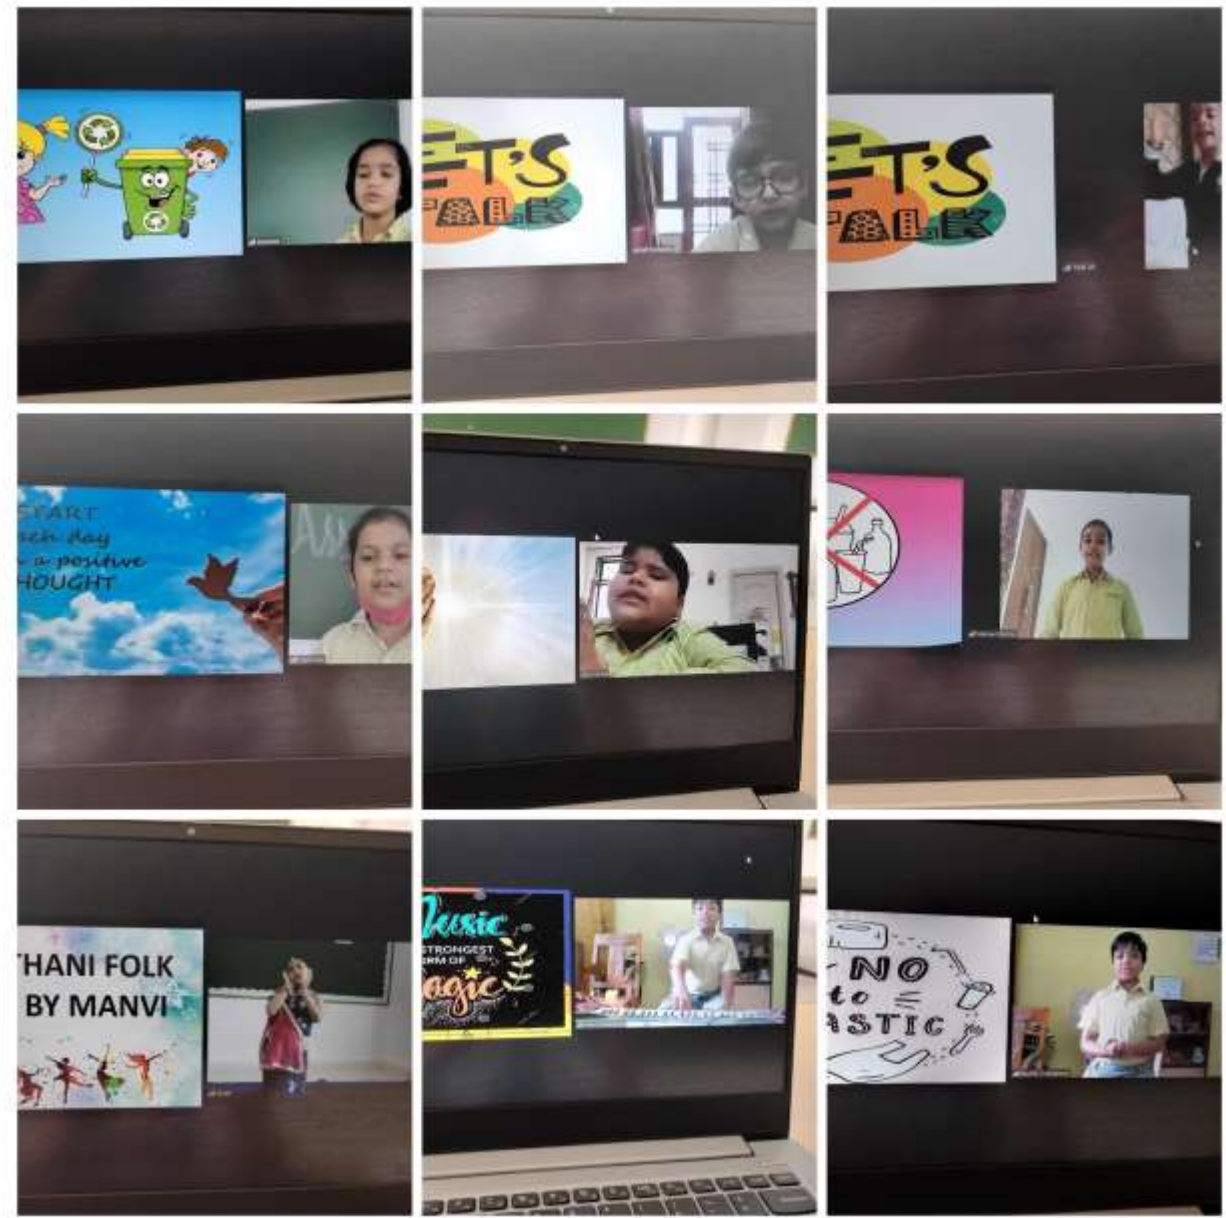

MATHEMATICAL RANGOLI COMPETITION

Students of classes 3 to 5 enthusiastically participated in Mathematical Rangoli Competition and showcased their artistic skills. In this competition they presented Rangoli shapes using Mathematical designs in different sizes and symmetry. The proud winners were announced during the class assembly.

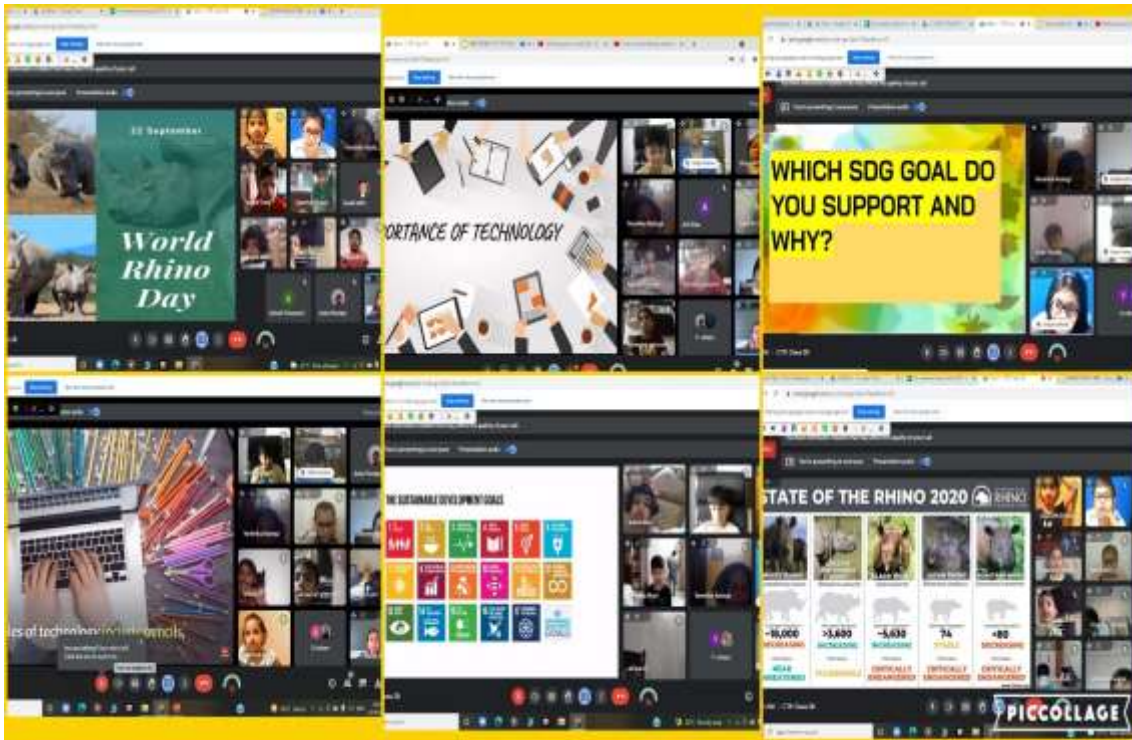

CLASS ASSEMBLY – 3A

Students of classes 3 A conducted the morning assembly on 23rd and 24th September on the topic “Say no to plastic”. Students presented a poetic story of a turtle named sebel, who accidentally ate a plastic bag. The assembly helped spread awareness about the harmful impact of plastic on our environment. Students also presented dance ,instrumental as well as singing presentations, thoughts, talks ,and poems to discuss various ways of recycling, reducing and reusing plastic

CLASS TEACHER PERIOD (3-5)

Students of classes 3-5 had theme-based Class Teachers' periods from Monday to Wednesday. The topic for the Circle Time on Monday was Importance of Technology, wherein it was shared with the students how technology brings skills, knowledge, process, technique, and tools together for solving problems of human beings, making their life secure and easier. They got to know that technology is important today because it is driving the world and making the world better. Tuesday's Value Education session continued on the discussion of the 17 SDG goals. The students shared in the class which SDG goal they support and why. The General Awareness session on Wednesday was about World Rhino Day which is celebrated on 22nd September. World Rhino Day is observed every year to raise awareness about the different species of rhinoceros around the world and the dangers they face.

HINDI DECLAMATION

CLASS 3-5

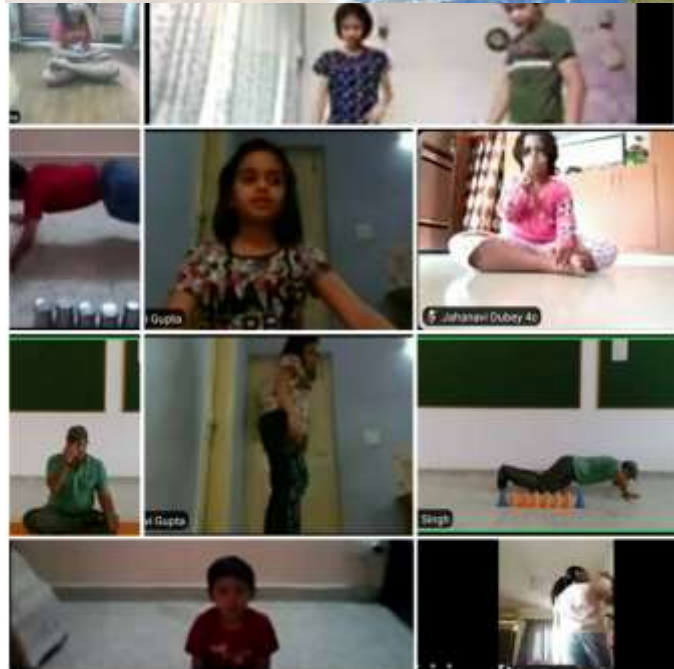

Hindi declamation is an artistic form of public speaking. This is the best way to express a message through articulation, clarity, emotion and gesture. Students of classes 3-5 enjoyed Hindi Declamation activity. They spoke on topics like, Our Values, Bharat Desh Mahan and The Great inspiring Personality of India.

PHYSICAL FITNESS AND GAMES (3-5)

In this week, online students of classes 3 to 5 learnt various exercises of eyes, face muscles, head to toe stretching exercises, agility drills with cone/water bottle, and endurance, strength development exercises during their physical fitness classes along with Suryanamaskar, different asanas and Kapal bhati Pranayama. Physical students enjoyed to play and learnt basic skills of basket ball, football and Tennis along with physical fitness components development.

ART AND CRAFT (3-5)

Students of classes 3 to 5 learnt to make masks of different characters and accordingly they decorated them. They made masks of Hanuman, Sita and Ravana. They also learnt to make posters on Gandhi Jayanti.
