WEEKLY CIRCULAR SENIOR

18th OCTOBER 2024
(CIR/PS/130/2023-24)

ASSEMBLY IX-XII

An open forum on “Modes of Acquiring General Awareness” was held at Pragyan School, where students presented insightful speeches. They emphasized various sources such as newspapers, which provide reliable and up-to-date information on current events. Additionally, they discussed mobile applications and YouTube channels as accessible and popular means to stay informed. Students highlighted how technology has made it easier to gain knowledge, ranging from global issues to specialized topics. The forum encouraged interactive participation, with students exchanging ideas on how to effectively use these platforms for personal growth and staying updated in an increasingly fast-paced world. On Friday, October 18, 2024, students of classes 9-12 did marching practice during the morning assembly. Regular participation in structured physical activities like marching stimulates alertness and concentration, helping students stay mentally sharp and prepared for their academic day.

Mélange - THE TINKERING FEST

Mélange - The Tinkering Fest, an event designed to inspire creativity and innovation among students through hands-on learning and tinkering activities was conducted on 16th Oct 2024. The interschool competition had the participation of students from different schools in the following categories, Robo war, Line Follower, Hurdle Mania, Robo Soccer, Drag and Place, Invovater Nexus, and Future Creator. The Tinkering Fest provided the opportunity for schools from across the region to showcase their projects and collaborate on innovative solutions. This event not only provided the students with an opportunity to display their creativity but also encouraged teamwork and critical thinking.

WEBINAR ON ELECTORAL LITERACY

On 15th October, an Online webinar was organized by CBSE in schools to educate students on the electoral process and their civic responsibilities. The students of classes XI-XII witnessed the live webinar on YouTube. The live session aimed at fostering a deeper understanding of democratic principles and promoting active citizenship among the students. Expert speakers explained the significance of voting, the role of citizens in a democracy, and the importance of being informed participants in the electoral system.

WORKSHOP: CYBER SECURITY WORKSHOP BY KPMG

A highly informative and engaging session on Cybersecurity was conducted for the students of Classes IX-X of Pragyan School on 16th October 2024 in the school auditorium. The session was led by Ms. Tanvi Sharma and Ms. Soumya Pandey, experts from KPMG, who provided valuable insights into the rapidly evolving domain of online security and digital safety. The session began with a comprehensive introduction to the concept of cybersecurity. The speakers emphasized the importance of being aware of potential threats in the digital world, particularly in today's technology-driven environment. They highlighted the increasing frequency of cybercrimes and provided practical strategies for protecting personal information online. The session was highly interactive, with students encouraged to ask questions and share their experiences regarding online safety. Both Ms. Sharma and Ms. Pandey answered the students' queries with clarity and offered practical advice on how they could ensure their online presence remains secure. In conclusion, the session was a significant success in raising awareness about the dangers of the cyber world and the measures one can take to mitigate risks.

WORKSHOP: “SUSTAINABLE DEVELOPMENT AND SUSTAINABLE LIVING

A workshop on “Sustainable Development and Sustainable Living” was held at Pragyan School on 18th Oct 2024, featuring speakers Dr. Raman, Mr. Abhishek, and Ms Kamakshi from the Harithkram Society, the Environment Society of Shaheed Bhagat Singh College (University of Delhi). Dr. Raman discussed the importance of sustainable development, emphasizing the need to balance economic growth with environmental preservation to address issues like resource depletion and climate change. Mr. Abhishek provided insights into sustainable living practices, offering practical tips on minimizing waste and conserving resources. Ms. Kamakshi introduced various green initiatives undertaken at their college, including waste segregation, rainwater harvesting, and tree plantation drives, encouraging participants to implement similar projects in their communities. The workshop successfully raised awareness about adopting eco-friendly habits for a more sustainable future. The workshop also concluded with an interactive Q&A session, where students had the opportunity to seek advice from the speakers on how to integrate sustainable practices into their daily lives. The speakers addressed various concerns regarding plastic usage and green energy alternatives.

ECO FRIENDLY DIWALI AWARENESS DRIVE - ECOLOGY CLUB

On October 18th, students of the Ecology Club delivered a speech during the assembly, emphasizing the importance of celebrating an eco-friendly and sustainable Diwali. They encouraged both senior and junior students to avoid crackers and opt for greener alternatives. The speech highlighted the benefits of a cracker-free Diwali, such as reducing air and noise pollution, safeguarding health, and conserving resources. Students suggested lighting earthen lamps, making homemade decorations, and distributing sweets as ways to celebrate responsibly. The assembly served as a reminder that small actions can contribute significantly to environmental protection and a healthier community.

LIFE SKILL SESSIONS

To equip adolescents with essential skills for navigating real-life challenges, life skills sessions were conducted for students of classes VI and VII. Class VI students participated in a discussion on emotions, focusing on anger management. They practiced the box breathing technique to regulate anger and created personalized "chill booklets" with enjoyable activities for use when feeling upset. Class VII students explored the importance of expressing emotions, engaging in a meaningful discussion where they shared diverse perspectives on how and why emotions should be expressed.
