# FARE THEE WELL CLASS XII (BATCH 2022-23)

In an emotionally surreal atmosphere inside the Auditorium Hall of the Pragyan School, the students, staff and management of the school bade adieu to class XII students of 2022-23 batch on 11Feb2023. The program began with the lighting of ceremonial lamp followed by well synchronized orchestra accompanied with the rendition of befitting songs . Anecdotes about the journey of their beautiful life at school were shared by Ira Joshi and Ansh Kolevara which filled the aura with emotions and sentiments. The cake cutting ceremony added festive touch to the occasion. The farewell was made memorable by the juniors performing a musical 'Wo Bhi Kya Din The' in which they made their seniors revisit their school life. The students were conferred with creative and personalized titles when they were being called for some interesting games full of fun and frolic. An enticing musical performance by Yuti and Niyati was a moment to behold. Kumar Priyam and Daria Khan made everyone proud as they won the title of Mr Pragyan and Ms Pragyan respectively. The managing trustee of the school Mr. Ram Chand gave warm wishes to the graduating students and wished them great luck for the future. The program was concluded with the blessings by the Principal of the school Ms. Ruchika Sharma for all of them wishing them a very bright and prosperous future ahead.

# INTERCLASS SKIT COMPETITION VI-VIII

Social issues have plagued the lives of many people in our society. Our young generation is a bright ray of hope in dealing with such challenges and in raising awareness about these social ills. By keeping this in vision an interclass skit competition on the current social issues was organised for the students of classes VI-VIII.

Our students used the stage for communicating some bold and ignored social problems. The students performed the thought-provoking sequences depicting social values, life choices and their consequences based on the social malaises such as Dowry, Eve-Teasing, Acid Attacks, Mental Health, Child Labour, racial discrimination, Transgender, Corruption etc.

The children displayed tremendous energy and enthusiasm in their performances. These heart-touching depictions made the event memorable. The young performers gained a refined perspective of life and a practical approach towards the future.

# ECOLOGY CLUB IX-XII

During the session on Thursday, students were involved in the planning of activities for the new session. They were briefed about the achievements of the club and asked for suggestions of activities for the coming year, which included the celebration of important days, installation of display boards , formation of small sub committees to achieve our targets. It was quite an interactive session.

# HEALTH AND WELLNESS CLUB VI-VIII

Self-care is not a luxury, it's a necessity ". Keeping this in mind, this week the members of the Junior Health and Wellness Club presented their handcrafted posters emphasising the benefits of maintaining good health and hygiene for all. The prime agenda of the meeting was to plan and strategise the club activities for the next session. The meeting culminated with new ideas from the young minds. All members shared their own ideas and suggested interesting activities for the upcoming session such as checking the nutritional value of our favourite food items, introducing physical activities like tug of war, marathons on the premises, strength test, awareness programmes etc. The session ended with a healthy discussion and documentation of the ideas.

# DEBATING AND JOURNALISM CLUB VI-VIII

Student members of the debating and Journalism club shared their journey during the session which is coming to an end. Each student expressed his/ her takeaway from the club sessions. They also had a few suggestions to make the club meetings more fruitful and enriching. All the suggestions were noted and we look forward to incorporating them in the future.

# DEBATING AND JOURNALISM CLUB IX-XII

16 February 2022. It is imperative to write the first blank page of your diary wisely. In tune with this idea, the debating and Journalism club in its meeting planned the activities for the upcoming session 2023-24. Various formats of debate were discussed with the students and following activities were finalized for the next session. Alley debate, Situational Debate, Parliamentary Debate, Turn Coat Debate. Creative Writing, Extempore, JAM Sessions, Crossword Puzzles, Picture Description. It was a fruitful session as creative ideas can only be hammered on the anvil of discussion.

# INTERACT CLUB IX-XII

The Interact club of school organized a donation drive to help the victims of Earthquake in Turkey and Syria on 16th of february. The interactors enthusiastically participated in a fundraising activity conducted in school premises for the same. They also motivated the fellow members of society to donate for the noble cause.
