WEEKLY CIRCULAR SENIOR

2nd AUGUST 2025
(CIR/SC/14/2025-26)

BRITISH
COUNCIL

Recognition of
International
Dimension in
Schools
2025-2027

ASSEMBLY VI-VIII

The students of Class VI-D conducted a three-day assembly. On Day 1, they presented an insightful assembly on Swami Vivekananda, highlighting key aspects of his life and teachings. On Day 2, the class participated in a lively debate on the topic "Video games are better than board games." Students shared their views in a creative and constructive manner. On Day 3, students showcased their individual talents on various topics in front of all classes. Good job certificates were awarded to acknowledge their efforts and enthusiasm.

OPEN FORUM VI-VIII

On August 1, 2025, students from grades VI-VIII engaged in a lively Open Forum discussion on 'With increasingly hectic lifestyles, many turn to processed foods as a quick and easy solution. Is it right or wrong?' They shared insightful thoughts and views with enthusiasm.

ASSEMBLY IX-XII

This week the assembly was conducted by students of XA. The assembly was centered around a personality talk about 'Sunita Williams. Students confidently shared her biography and educational journey. A quiz was conducted by the students, making it an engaging and informative session.

OPEN FORUM IX-XII

An insightful open forum was conducted where students debated whether habits dominate our actions or if we have the power to change them. Those for the motion highlighted autopilot behaviors, addiction, and the difficulty in breaking patterns. Those against stressed self-discipline, conscious effort, and neuroplasticity. Real-life examples enriched the discussion. The session concluded with the idea that while habits influence us, awareness and intention empower us to regain control. The event fostered critical thinking, self-reflection, and active student participation in a lively and respectful exchange of ideas.

ACHIEVEMENTS

We are thrilled to share that our students Vedansh Singh (XB) and Ayan Agarwal (XIA) participated in the District Level Exhibition and Project Competition (DLEPC) under the INSPIRE Awards – MANAK Program, held on 28th July 2025 at Govt Girls Inter College, Sector 51, Noida. We congratulate Vedansh Singh, for getting his project selected among the Top 12 innovations. He now advances to the National Level

ACHIEVEMENTS

We are proud to share that Arham Aggarwal (VI) has secured the following medals :

Bronze Medal in Inter-School Table Tennis Championship organized by the U.P. Table Tennis Association.

Silver medal (U-13) and Bronze Medal (U-15) at the tournament hosted by V3 Table Tennis Academy at Raghav Global School, Sector 122, Noida.

Bronze Medal (U-13) in the tournament organized by Phoenix Table Tennis Academy at Dwarka Sports Complex.

Bronze Medal (U-13) at the Smaash Table Tennis Tournament hosted at Rohini Sports Complex by Ping Pong club.

We congratulate him for his remarkable achievements.

ACHIEVEMENTS

Yajat (VIB) participated in the Open State Karate championship which was held on 20th July at Gagan Public school in Greater Noida West. There were participants from entire UP and Delhi / NCR. He participated in Kata and won Gold in his age category. We congratulate him for this achievement .

DEAR [DROP EVERYTHING AND READ]:VI-VIII

On **1st August 2025**, students of **Classes VI to VIII** embraced a peaceful and purposeful beginning to their day through the **Drop Everything and Read (DEAR) Programme**. During the first period, classrooms transformed into quiet reading havens as students immersed themselves in storybooks and novels of their own choosing. The DEAR Programme is designed not just to promote reading, but to encourage **independent thought, quiet reflection**, and the joy of getting lost in a good book. By setting aside time for personal reading, the initiative nurtures a deeper connection with literature and helps develop focus and mindfulness in students. The response continues to be overwhelmingly positive, with students looking forward to this dedicated reading time—a simple yet powerful reminder that a few quiet moments with a book can make a big difference.

INTERCLASS COMPETITION VI-VII

दिनांक 29 जुलाई को कक्षा VI, VII-VIII के विद्यार्थियों के बीच अंतर्कक्षीय वाद-विवाद प्रतियोगिता का आयोजन अत्यंत उत्साहपूर्वक किया गया। इस प्रतियोगिता का उद्देश्य छात्रों में तर्कशक्ति, संवाद कौशल और आत्मविश्वास को प्रोत्साहित करना था। छात्रों ने पक्ष और विपक्ष में समसामयिक विषयों पर प्रभावशाली और विचारोत्तेजक तर्क प्रस्तुत किए। सभी प्रतिभागियों ने मंच पर अपने विचारों को आत्मविश्वास और सटीकता के साथ साझा किया। प्रतियोगिता का मूल्यांकन निर्णायक मंडल द्वारा किया गया, भाषा विशेषज्ञ निर्णायकों ने प्रस्तुति, विषय की समझ, भाषा शैली और तर्कों की गहराई के आधार पर विद्यार्थियों का मूल्यांकन किया। विजेता प्रतिभागियों को विद्यालय की ओर से प्रशस्ति-पत्र देकर सम्मानित किया गया।

INTER-SCHOOL COMPETITION VI-XII

SPORTS

Selected students actively participated in various inter-school sports competitions, showcasing remarkable talent and sportsmanship.

CBSE North Zone Chess Championship:

The Under-11 and Under-14 boys' chess teams represented Pragyan School at the prestigious CBSE North Zone Chess Championship, held at Bal Jagat Senior Secondary School, Raj Nagar Extension, Ghaziabad.

CBSE Cluster XIX Volleyball Competition:

Our Volleyball team took part in the CBSE Cluster XIX Volleyball Tournament, competing with great enthusiasm and skill.

Friendly Football Matches:

Under-14 and Under-17 friendly football matches were hosted at Pragyan School against Somerville School, Greater Noida. The Under-14 team of Pragyan School won their match with a commendable performance.

The Under-17 match was won by Somerville School in a closely contested game

ECOLOGY CLUB VI-VIII: GREEN WARRIORS

In a hands-on initiative, Ecology Club members actively participated in crafting boxes for the e-waste collection drive, showcasing their commitment to sustainability. They were very enthusiastic about the activity.

HEALTH AND WELLNESS CLUB VI-VIII: AAROGYAM

A group activity titled "Fit Says" was conducted in the Health and Wellness Club to promote physical movement in a fun and engaging way. The game followed the pattern of "Simon Says," where students followed fitness-related commands only if prefixed with "Fit says." Children performed activities like stretching, jogging, deep breathing, balancing, and jumping jacks with great enthusiasm. It helped improve their concentration, coordination, and listening skills. Following the game, an awareness session was held on the interconnectedness of mental, physical, emotional, and spiritual health. Students learned how caring for one area positively impacts the others. Real-life examples and group sharing were encouraged to make the session interactive. The overall atmosphere was lively, reflective, and filled with learning

COMPUTER CLUB: TECHSPARK

The students of the Computer Club have successfully acquired the skills to connect PictoBlox with various Arduino ports, enabling smooth hardware-software integration. In addition, they have gained foundational knowledge in machine learning and have learned how to apply it effectively through PictoBlox. One of their key accomplishments includes developing gesture-controlled projects using machine learning models, showcasing their ability to combine coding, electronics, and AI concepts in practical, hands-on applications.

READERS CLUB VI-VIII: THE PAGE TURNERS

On 1st August 2025, the Readers Club held a vibrant poetry session that invited students to explore their creative sides through words and art. Students composed short, original poems, each reflecting their thoughts, emotions, or personal observations. This activity encouraged self-expression and helped develop a deeper appreciation for the beauty and rhythm of language. Adding a visual element to their writing, students illustrated their poems with artwork that matched the tone and mood of their verses. The combination of poetic expression and artistic creativity brought their ideas to life in a powerful and personal way. It was heartening to see them engage so thoughtfully, using both words and imagery to communicate their unique voices. The activity proved to be a meaningful step in nurturing imagination, confidence, and a love for poetry.

INTERACT CLUB VI-VIII: HELPING HANDS

The learners of the Interact Club enthusiastically began preparations for a *nukkad natak* (street play) focused on the theme of women empowerment. They actively participated in scriptwriting, rehearsals, and coordination to spread awareness on the issue. In addition, the club members also started preparing for setting up a stall to sell handmade rakhis crafted by the learners themselves. These initiatives aim to promote social awareness and entrepreneurship among the students. The activities have fostered creativity, teamwork, and a strong sense of social responsibility.

DILA: DISTRICT INTERACT LEADERS' ASSEMBLY

Interact Club students from Pragyan School attended the District Interact Leaders' Assembly (DILA) on Tuesday, July 29th, at Amity University, Noida. The esteemed event was graced by distinguished guests, including District Interact Chair Dr. Rachna Singh, District Governor Rtr. Amrita Mohendu, and Air Marshal Mr. Sanjeev Kapoor, along with other Rotarians. We are proud to announce that two of our talented Interactors were honored with prestigious awards: Itr. Eshika Dwivedi was bestowed with the badge and collar as the District Interact Representative, while Itr. Vallari Jha received the badge of Zone Interact Representative (ZIR) for the year 2025-26. Air Marshal Mr. Sanjeev Kapoor's inspiring talk enlightened the Interactors, offering valuable insights and motivation. The event also featured captivating performances by schools from District 3012, with our very own Pragyan School students showcasing their skills through a beautiful Kathak performance. This event was a wonderful opportunity for our students to engage with peers, learn from distinguished guests, and showcase their talents. We congratulate Eshika and Vallari on their achievements and commend all participants for their enthusiasm and dedication.

DILA: DISTRICT INTERACT LEADERS' ASSEMBLY

ECOLOGY TIP

E-waste problem:

A significant portion of electronic waste, including toxic materials like lead, ends up in landfills, posing health risks, especially to children's brains.

Benefits of recycling:

Recycling e-waste protects public health and the environment by reducing toxins, conserves natural resources by reusing materials, and creates new jobs.

HEALTH AND WELLNESS TIP

Benefits of Deworming

- Improves immunity
- Improves work potential
- Be more energetic
- Increases nutritional uptake
- Reduces worm infection
- Improves learning

TIP OF THE WEEK

HOW TO SUPPORT YOUR CHILD'S mental health

mamiepack.com

- 1** Prioritize rest.
Set aside time for your child to have mental, physical, emotional and spiritual rest.
- 2** Encourage self-awareness.
Help your kid focus on identifying and articulating emotions in a healthy way
- 3** Practice gratitude.
Spend time helping your child see the good and express gratitude.
- 4** Get them moving.
Encourage play, regular exercise, and getting outside together.
- 5** Listen.
Take time to listen to what your child is saying without multitasking or providing solutions.
