CHEERS TO A FRESH NEW START: TEACHERS ASSEMBLY VI-VII

“Every child is a flower of its own kind and all together they make this world a beautiful garden”.

The morning sets the day and the assembly paves the way for our students to rejuvenate their spirits, remain rooted to the moral values and unleash their vitality. A morning assembly was conducted by the teachers taking classes VI-VIII to mark the beginning of the new session on 3rd April 2023. The day started with the prayer “Hey Sharde Maa ” followed by thought for the day and news headlines. The assembly was concluded by the Principal Ms. Ruchika Sharma addressing the children and welcoming them for the new session.

CHEERS TO A FRESH NEW START : TEACHERS ASSEMBLY IX-XII

Excitement, Happiness, and Enthusiasm Marked the Beginning of the New Academic Session-2023-24 .“Welcome the challenges. Look for the opportunities in every situation to learn and grow in wisdom.” — Brian Tracy

The first day of the new session brings joy and marks a new journey every time a student climbs a ladder and reaches a new standard. The new session for the secondary wing started on 3rd April 2023 with mixed feelings of excitement, joy, and enthusiasm among all. A morning assembly was conducted by the teachers to welcome their students. This special assembly got set into motion with the morning prayer that filled our hearts with gratitude and humility, followed by the thought for the day, news and weather report. A techno-inspiring talk was presented by Ms Ritu to expose the students to Chat GPT and encouraged them to try new things which ignited a new passion and made them think about the world around them. The exuberant learners of Pragyan again proved their mettle by securing international ranks in the SOF-International Olympiads, held during the session 2022-2023. The winners were felicitated and encouraged for their ecstatic performances in the assembly. Our Headmistress Ms Seema Sharma addressed the students about the importance of confidence, sincerity and hard work to make the most of their time and opportunities that are going to come their way. The assembly was well received by the students. The session concluded with the National Anthem.

MORNING ASSEMBLY VI-VIII

Morning assembly is a platform that sets the tone for the day and helps to create a sense of community among students. This week, assembly was conducted by class VIII A on the 5th and 6th of April. The students expressed their views on "Should examinations be abolished?". Shambhavi, Priyanshi, Vansh, Aarohi, Bhavya and Ashita presented their opinions in a clear and respectful manner. On the 6th of April, Students shared interesting facts about Prafulla Chandra Ray, the Father of Indian Chemistry. The assemblies concluded with the National Anthem sung by everyone with pride.

MORNING ASSEMBLY IX-XII

On 5th and 6th April 2023, the assembly was organized by XII-A. The assemblies began with a humble prayer to the Almighty followed by a positive thought for the day. On the 15th, students debated on the topic- Indian Education System needs a complete overhaul. Equipped with data and statistics students expressed their views vociferously on the topic. Most of them were against the topic and proved that the Indian education system is really versatile and complete overhaul is not needed though change is the only constant. Next day students presented noteworthy details from the biography and achievements of LeBron James- a famous basketball player. After the talk, a small quiz was conducted. Overall, these assemblies proved to be full of motivation, learning and provided students an apt opportunity to showcase their latent talent.

ACHIEVEMENTS: YEB GOA BOOTCAMP: BITS PILANI INITIATIVE

Roshi Jain X B attended the YEB (Young Entrepreneurs Bootcamp) from 28th March 2023 to 2nd April 2023, she learned that academics aren't everything, your skills are more important in the real world. She got to meet young minds from all over the world and entrepreneurs which showed the importance of networking. There were sessions by start-up entrepreneurs like Harish from Bluelearn, Akarsh Shroff from YuvaSpark, Farheen Sayed from VannillaCart, etc who gave an insight into what it's really like running a start-up. They made learning all these serious things like UVP and marketing so much more interactive and fun. There were also visits to various labs in electronics and robotics. The students there also enjoyed a Gala dinner, star gazing night, and campus tours by Bitsians. At the end of the six-day program, students presented their ideas for a start-up in groups in the form of a pitch. Roshi's group won third place in it.

STORYTELLING SESSION VI-VIII

“A good story can imbibe the right values in the most impressionable age.”

Brightening the day of the students with wonderful stories, a story telling session was conducted by the Readers Club: The Page Turners for the students of classes III -VIII, on account of "National Library Day" where life and expression was in abundance. As a learning tool, storytelling can encourage students to explore their unique expressiveness and can heighten a student's ability to communicate thoughts and feelings in an articulate, lucid manner. It helps improve their language skills, instills a love of reading and stirs their imagination. Ms. Simi who is the Founder of- Kathashala, a Storytelling Institute & Studio based out of Noida with centres at New Delhi & Gurgaon conducted the session. She is the architect to three levels of programs designed for adults to Professionally impart training in the Art of Storytelling. She started the session with a conversation with the children so as to catch the attention of the students, which was followed by a captivating story named "All for free" . The moral of the story was "Nothing comes for free. If you want it you need to know the art of negotiation.It was an interactive session which was thoroughly enjoyed by the students.
