WEEKLY CIRCULAR PRIMARY

8th APRIL 2022

(CIR/PS/46/2022-23)

NURSERY

Student enjoyed doing the craft activity of head gear where they had pasted eyes on the smiley face.

Students got to know how to wash our hands and sanitize our hands by the demonstration done in the class.

They got to know why we should wear the mask and did decoration on the mask by putting stars and smileys of different colors on it.

They did the pouring activity where they poured water from the jug to the glass and vice-versa for developing fine motor skills.

They colored the worksheets in sparkle and general awareness books.

They made a card and shared it with each other to learn the concept of caring and sharing.

Students enjoyed the dance, music and sports classes. in the class.

KINDERGARTEN

Students of KG enjoyed their new class by dancing, singing and listening to puppet stories. They also enjoyed watching stories through Audio visuals

English -Students enjoyed Jolly phonic sound.

Maths - Recap of Numbers 1-20 were done in the class

Hindi - Students of KG enjoyed learning poem कितना प्यारा मेरा स्कूल ।

KINDERGARTEN

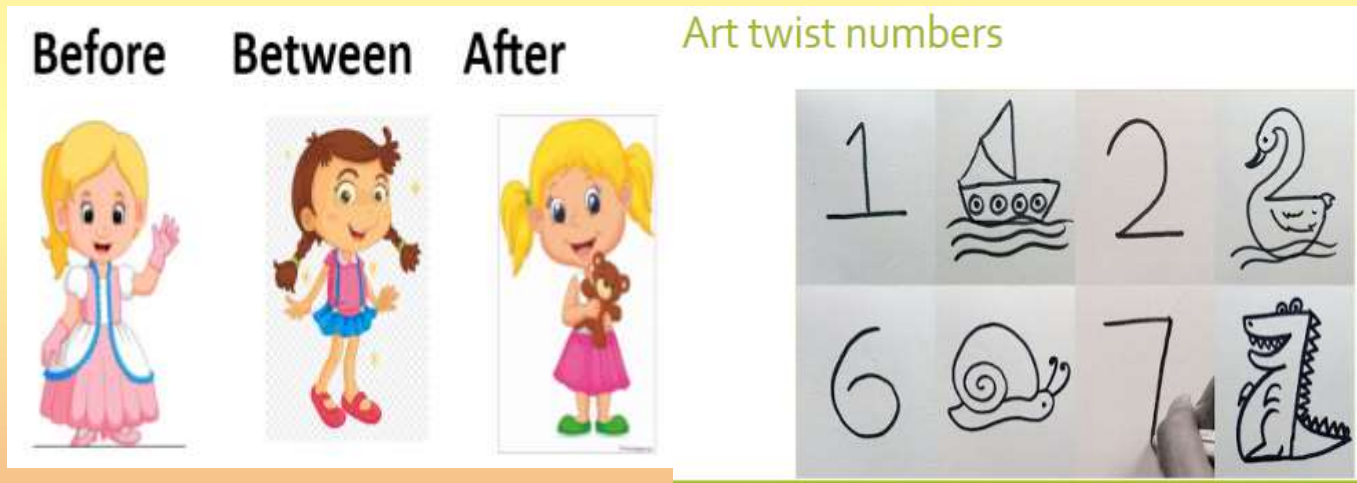

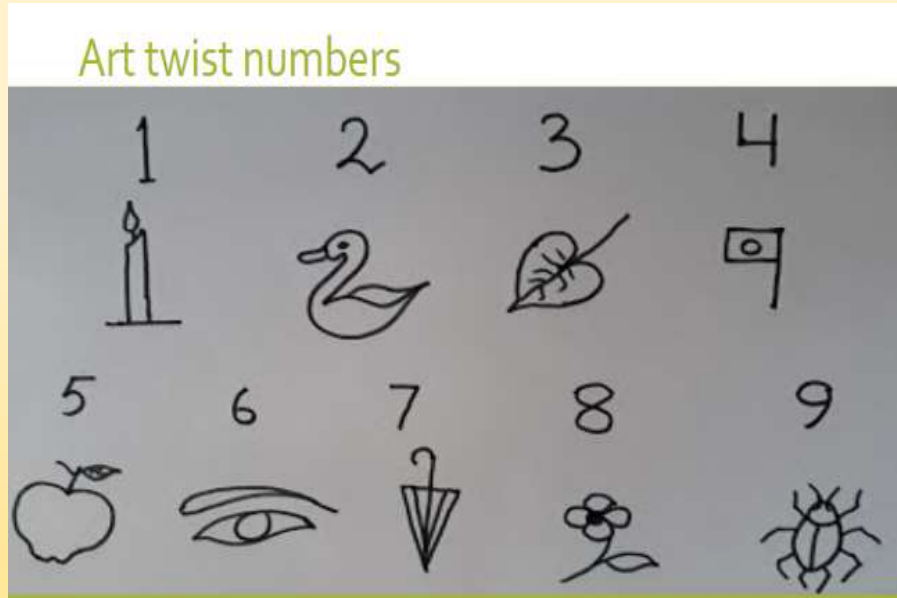

GA - students learnt about 5 senses. They learnt the poem 'I clap with my hands'.

Activity- Students enjoyed making Headgear , flowers with thumb printing ,balloons with color dabbing in the class .

Children of class 1 started their session with Art twist number activity. They showed their creativity by making different pictures and art forms using numbers and coloured it. Also children revised their concepts of before-after-between and number names done in KG .

First week of the new session started with great fun. Students of class 1 revised the previous concepts and enjoyed learning about the Alphabet art, which was a part of their English activity. Students enjoyed creating different pictures using the alphabets.

ENVIRONMENTAL SCIENCE

Children of class 1 studied the chapter 'My body' which enabled them to learn the vocabulary of body parts and its functions. They got to know about the body movement which helps us to work and play. They all participated in the activity 'point the body part' followed by illustration of the human body in their notebook.

Dancing is so much more than just grooving on the dance floor to your favourite tunes. Not only does it train your brain and your body's motor skills but it also is an excellent exercise for your entire body. Children of class 1 attended their dance class enthusiastically and danced to the tune of an action song.

During the first week of the new session, students of class 2 participated in various art integrated learning activities. The learnt alphabet twist and drew their favourite character from the story. Concepts of naming words/nouns were revised verbally and through written exercises.

For the students of class 2 Hindi classes were a great fun and full of excitement. They participated in various activities like कविता वाचन, शब्दों की रेलगाड़ी, चित्रांकन. They also practiced आ/इ/ई की मात्रा, संज्ञा.

हाथी की शादी

हाथी राजा की
थी शादी
बारा जंगल
था खराबी।
ऊँठ हिंदल
उ छोटे आजे
खुम फूम कर
मोर भी जाये।
चिट्टिका नैन
कोवल आटे
काल शालू
डोल खजाये।

बेचो तो खंकर नाम
की थोटी कुला
पहन कर आये।
जख बीला डीर
शोर पधारे
काप जटे बख
ठर के जाये।
शोर ले की
जेरे ही खद्याई
बख के मुख पर
बीजक आई।
जंगल में
खज उठी शाहजाई
बख ले जल कर
कापत आई।

खेल

ENVIRONMENTAL SCIENCE

As students have just come to class-2 it's important to revise a few of the old chapters. Revision of the topic My Body parts was done with the help of drawings, videos and activities. They were taught the meaning of external organs. To make the topic interesting, a poem related to body parts was introduced in class.

Parts of the Body

Sing the Body Song.

I have a **head** that nods, nods, nods.
And a pretty **chin** that bobs, bobs, bobs.
I have two **eyes** that blink, blink, blink.
They help me see my **nose** so pink.
My **lips** are two, to blow, blow, blow.
When I make a word with the letter O.
My **tongue** is pink; I lick, lick, lick.
My orange ice-cream on the stick.
My **ears** are two to help me hear
Sounds around me loud and clear.
Senses help me every time.
Senses are a friend of mine.

COMPUTER (1&2)

Students of Grade 1 were taught the Gcompris in which they learnt to do Mouse Activity.

Students of Grade 2 learnt to start Gcompris and they did Addition and Subtraction Activity in Gcompris (Educational Software).

LIBRARY (1 & 2)

A library is a crucial source of information for children in school. It creates the essential habit of reading in students. The library in schools is a major part of the lives of students, serving as a storehouse of information. Students of classes 1& 2 had their library period during this week. They enjoyed different kinds of books where not only they read books of their choice but also tried to enhance their vocabulary.

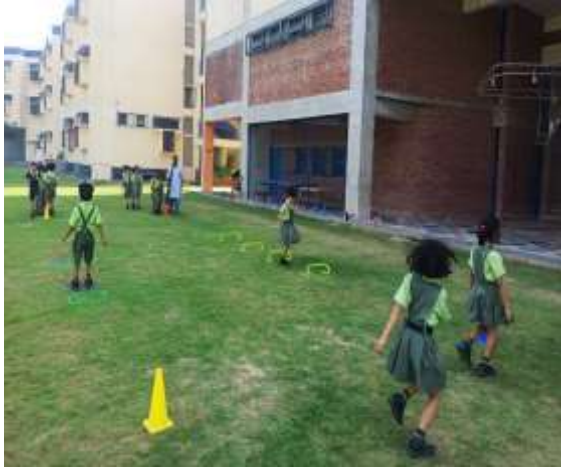

INSTRUMENTAL MUSIC (1 & 2)

The new session started with great musical fun. Students of class 1 were given basic knowledge of rhythm instruments and students of class 2 prepared to position at the piano.

PHYSICAL EDUCATION/ YOGA

Students of class 1 & 2 learnt to form line, attention and stand-at-ease, direction drills. They enjoyed doing various fitness drills to improve gross motor skills.

Different yoga poses like Vrikshasan, Tadasan, Vajrasana and many more were shown and practiced by students during the yoga period. They also learnt how to balance their body and ways to keep their body fit.

SESSION 2022-23, FIRST WEEK

Icebreakers have always helped students get to know one another and to bond quickly so as to work towards a common goal. Keeping this in mind, students of classes 1 & 2 participated in various interactive and fun activities that really helped get things off to a great start of the session. After a long time gap, students enjoyed having meals with their classmates and teachers, attended assemblies, felt delighted on the swings and expressed themselves wholeheartedly in class.

INTER CLASS ACTIVITY: DRAW AND COLOUR

Drawing and coloring help the kid's brain to perceive, define colors, shapes which benefits in intellectual development. Students of classes 1 and 2 participated in Inter class weekly activity 'Draw and colour' that was conducted on 06.04.22.

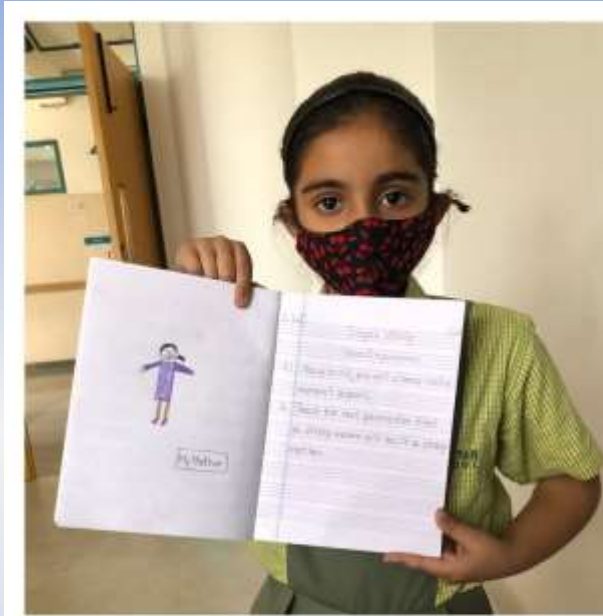

With the theme free hand drawing, they were given an opportunity to draw an object, a fruit or an animal of their choice. The best 3 entries from both the classes will soon be awarded with the certificate of merit.

ENVIRONMENTAL SCIENCE

The students of class 3 enjoyed their EVS classes thoroughly throughout the week. They did revision of the topics like “Plants and Animals” they studied in class 2. They also did various fun filled activities in the class. The students also did slogan writing on the topic “Women Empowerment”. They were also introduced to the new topic L-10 “Living and Non-living things”.

Math

Students of class 3 had fun this week where they learnt to solve sudoku puzzles and representation of numbers using abacus. They enjoyed doing the Sunshine Addition Facts Activity. They learnt to find out various combinations of addition facts for 3 digit numbers. Using colorful strips as the rays, each one decorated and made their “sun shine”!

हिन्दी

Students of class 3 enjoyed their Hindi this week. They made their own picture and wrote a paragraph on self introduction in the Hindi 2 Notebook. They also revised the varn-mala and did some exercises related to it.

कहानी

ईमानदार लकड़हारा

Students of class 3 were introduced to the poem of the month 'My Hat is Full of Rabbits' by Kenn Nesbitt. They enjoyed learning it with action and voice modulation. They revised the grammatical concepts of proper nouns and common nouns and did some related exercises too. The new words of the month were introduced too.

ENVIRONMENTAL SCIENCE

The students of class 4 enjoyed their EVS classes thoroughly throughout the week. They did revision of the topics like Globes and Maps they studied in class 3. They also did various fun filled activities in the class. The students also did slogan writing on the topic- Women Empowerment.

Students of class 4 enjoyed the fun art integrated activity “Scenic beauty using geometrical shapes .”The students used 2 and 3 dimensional shapes like triangle ,square,rectangle ,cube and cuboid and many more to create beautiful scenes.This activity helped the students to revise various geometrical shapes.

Students of class 4 enjoyed their Hindi period a lot. They had made their own picture and wrote a paragraph on self introduction in the Hindi 2 Notebook. They also revised the varn-mala and did some exercises related to it.

Grade 4 vocal

Students of class 4 learn a song for Mother's Day, Tu hin zameen hai tu aasman hai... and enjoy the class.

Students of class 5 had lots of fun-loving activities during their math class. They enjoyed making bookmarks which was a part of the class activity. They did math riddles and learned new tricks to solve squares of 2 digit numbers through Vedic maths.

Students of class 5 revised the concepts of nouns during this week. They did exercises based on it in their workbook and notebooks. They were also introduced to the new words and poem of the month, Daffodils.

ENVIRONMENTAL SCIENCE

To welcome the students for the new session, a host of warm-up and fun filled activities were kept this week in grade 5 EVS. A quiz related to the topics covered in grade 4 was conducted by dividing the class into teams. A slogan writing activity on 'Women Empowerment' was also conducted in the class. Revision questions related to Continents and Oceans were done to introduce the students to L-1: Continents and Oceans.

CLASS TEACHER PERIOD (3-5)

Students of classes 3-5 had theme-based Enrichment periods on Monday, Tuesday and Thursday. The topic for the Circle Time on Monday was Importance of Time. It was discussed with the students that time plays a significant role in our life. Time helps us make a good habit of structuring and organizing our daily activities. If we understand the value of time better, we can gain experience and develop skills over time. Related ppts and videos were shown too. Tuesday's Value Education session was on Health and Hygiene. The session triggered the discussion on how can we say a person is hygienic, what balanced diet should we intake, how can we ensure a person lives a healthy life and how can we relate health to body hygiene. The General Awareness session on Thursday was on World Health Day which is celebrated on 7th April. The students were briefed that physical, mental and emotional well-being is promoted and celebrated all over the world on this day. Post session the students participated in a discussion on the importance of meditation for mental health.

CLASS TEACHER PERIOD (3-5)

INTERCLASS ORIGAMI ACTIVITY (3-5)

Origami is the craft of folding paper to make models of butterfly, animals, flowers, objects etc. It's a wonderful interclass activity to fully engage students mentally as well as physically.

CLASS ASSEMBLY (5)

After two years of online learning, on the 6th and 7th of April, students of class VA conducted the first physical morning assembly of the new session on the topic of Health and Hygiene. They presented talk, thoughts, recited lovely poems and narrated stories on the given topic. A melodious bhajan was presented by Avni too.

INSTRUMENTAL MUSIC (3-5)

The new session started with great Musical fun. Students of class 3 to 5 revised the previous Rhythmic Patterns and Practice 4/4 Rhythmic Patterns.

COMPUTER (3-5)

Students of Grade 4 were taught the MS-Word in which they did alignment of paragraphs and adding of bullets and numbers.

Students of Grade 5 did MS-PowerPoint in which they learnt to add designs in Slides and to insert and write in Textbox.

YOGA SESSION

Yoga is an Art and Science of healthy living. It is a spiritual discipline which focuses on bringing harmony between mind and body. A series of poses with different breathing exercises for every part of the body was introduced to the students of class 3 to 5. They started with the Sukhasana, which corrects the body posture and stretches the chest and spine followed by Bhramari yoga i.e. humming yoga to relieve insomnia, stress. Students were refreshed and felt energetic after the session.
