WEEKLY CIRCULAR SENIOR

11th September 2021
(Cir/PS/19/2021-22)

MORNING ASSEMBLY [IX-XII]

This week the assembly was conducted by IXB, XB, XI B and XIIB . The assembly was held in a hybrid manner. Students presented their views on the topic, " Atmanirbhar Bharat and Brain drain. On Tuesday, students presented their talk on Homi Jahangir Bhabha. During the oratory session students of class X presented their oratory skills and students of class XII shared their views on different topics such as E-commerce, Scope of Chartered Accountancy, Future of electronic cars in India.

PARENTAL INVOLVEMENT [IX-XII]

On Monday 06-09-21, Mrs A.S Vani mother of Abhinav Singh IX-A, who is a Software Engineer by profession spoke at length on the topic- "How to lead your life in the new normal". The parent talk was given on the topic "Career Counselling for Psychology" by Dr. Toran Talwar, Mother of Hans Swarup Talwar XB, during the morning assembly in class X. She explained various fields of psychology as a career. She shared some of her experiences through case studies including famous celebrities and commoners. Ms. Kiran Kaushik, mother of Ishaan Kaushik XIIB, was invited for a parents' talk on the topic, "Importance of routine in one's life" during the morning assembly in class XII. Ms Kaushik discussed the benefits of having a set routine. She spoke in length about the way as to how one can classify a day in several blocks and sub blocks and create a routine which not only benefits students in having a better utilisation of time but also various psychological and physical benefits of a fixed routine. The session was attended by students of classes XII-A, B and C.

YOGA AND STRETCHING SESSIONS

As part of a healthy regime, students of IX-XII attended the Yoga session under the guidance of Mr. Dinesh, Mr Ashok and Ms Mukta. They practiced different asanas, meditation and pranayama. To give the students a little boost from getting tired of sitting on their seats for hours during the classes, a regular stretching exercise for 1-2 minutes, after every 30 min of the period is being conducted in the classes. Students are enjoying these small breaks in between the classes.

COMMONLIT ENGLISH ASSIGNMENT

This week the topic was “The Test by Shelby Ostergaard”. Its a short story about A young boy who learns a lesson about fairness after taking a test in school.

Heartiest Congratulations to the following students who have sincerely done their CommonLit English Assignment and achieved the highest scorer of the week.

- 1) Priyanshee Agarwal (6B) -90 %
- 2) Pranav Sharma (6A) -70%

CLASS TEACHER PERIOD - VI

The learners of grade VI were giving their detailed assessments during the class teacher period. They got the opportunity to have some fun as well. During this week Hindi Vaad Vivad was conducted on the topic "Are online games better than offline games" along with Talent Hunt wherein the enthusiastic learners of grade VI showcased their talent by presenting magic tricks, songs and self-composed poems.

CLASS TEACHER PERIOD - VII

In the second week of September, students of VII class gave detailed assessment, shared their joyful feelings of coming to school after so many months, did some warm up exercises, and revised for upcoming SA-1 exams.

COUNSELLING SESSION: VI-VII

The session was conducted in classes VI and VII focusing on improving academic skills. Students were given tips to improve their reading skills as well as their handwriting. Reading is Essential and serves as a basic building block for learning, regardless of the school subject, be it language arts or even math. In daily life, the need to read things such as street signs or prescriptions proves reading is also an important life skill. Good handwriting contributes to reading fluency because it activates the visual perception of letters. Handwriting is a predictor of success in other subjects because good handwriting has a positive impact on grades.

COUNSELLING SESSION: VIII

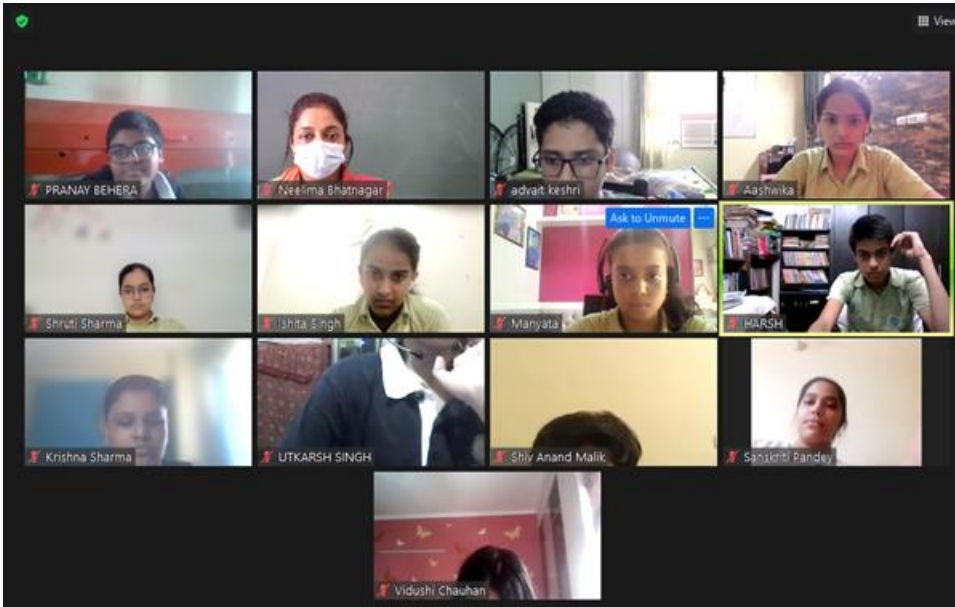

CHALLENGES OF ADOLESCENCE YEARS.

'An initiative towards making our future youth aware of the stages of development and the challenges and opportunities associated with it'.

Counselling session for class VIII was conducted to discuss the challenges faced by adolescents in their initial adolescent phase. Puberty is a unique life cycle that offers people particular challenges and opportunities. Adolescents consider it a crucial phase in human life that requires extreme parental care, guidance, and empathy. Only with caution, we can ensure that our youth grow into healthy adults who can help improve our society and become their leaders for a bright and prosperous future. From a biological perspective, adolescence should be the best time of life. Most physical and mental functions, such as speed, strength, reaction time, and memory, are more fully developed during the teenage years.

CLASS TEACHER PERIOD - IX

Students during their class teacher period prepared for their upcoming competition – Monologue. They prepared with actions and voice modulations.

SCREENING OF INTERCLASS MONOLOGUE COMPETITION - IXA

William Shakespeare probably made more of an impact on English literature, drama, and language than any other writer in history. To celebrate the bard's brilliant work on 10th Sept 2021, the students of class IXA performed the various monologues of their choices from his plays in the screening for interclass 'Dramatic Monologue Competition'.

COUNSELLING SESSION - IX

Self-awareness is important for the growing students because when they have a better understanding of themselves, they are able to experience themselves as unique and separate individuals. They are then empowered to make changes and to build on their areas of strength as well as identify areas where they would like to make improvements. With this in mind, a session was conducted with class IX where they were supposed to share good qualities of each other and areas of improvement as well.

CHEMISTRY PRACTICAL - XI

Students of Class XI -A performed their Chemistry practical on Acid base titration between Oxalic acid & Sodium hydroxide. They made the standard solution of acid and conducted the practical with all the precautions required in the experiment. Students calculated the final result recorded in their file.

INTERCLASS HINDI SKIT COMPETITION: IX-X

The students of Pragyan School classes IX-X organized Interclass Hindi Skit Competition on "Samajik Samasyay". It was a wonderful display of awareness, theatrics, and use of technology as it was performed by both online and offline students. All the classes performed well, the first position was eventually given to IX-A and X-B.

SKIT PERFORMANCE : XI

“We all must do theatre to find who we are and to discover who we could become?”

‘If winter comes, can spring be far behind, so rightly said by P.B Shelley. Life is finally returning to school campuses after the lull of many months. The auditorium of Pragyan School, Greater Noida reverberated with laughter and joy on 8 th Sept 2021 and witnessed lights, camera and action when students of XI A and B presented their well-prepared skits. Class XI-A highlighted the disadvantages of not being cautious while using social media. However, class XI-B brought out the importance of literacy in an individual’s life. This presentation gave students an opportunity to nurture their creativity and showcase their talent in dramatics and linguistic ability. The Principal Mrs Ruchika Sharma congratulated the participants for selecting such relevant themes. She applauded them for their hard work and encouraged them to do such presentations even in future to disseminate much needed messages to the society at large.

WEBINARS

Ms. Priya Pandey attended a three-day online Teacher workshop on 'AI Integrated Multi-Disciplinary Pedagogies' organized by CBSE in association with Intel from 23 August to 25 August, 2021.
