WEEKLY CIRCULAR SENIOR

27th DECEMBER 2024
(CIR/PS/139/2024-25)

ACHIEVEMENTS

Aryabhata Ganit Challenge 2024

We congratulate Ichha Bhateja 10 , Vaanya Mangal 10 and Aayan Bhatnagar 10 for being the top 100 students from the Noida region of CBSE in the Aryabhata Ganit Challenge 2024 .

ACHIEVEMENTS

ACHIEVEMENTS

ACHIEVEMENTS

We feel proud to share that two more of our students Jiya Sharma XIA and Aryak Sahay XIB have been selected for the Young Entrepreneur Bootcamp [YEB] at BITS Pilani Campus.

SCIENCE ENRICHMENT ACTIVITY:VI

Students of grade VI B conducted an activity to explore magnetism, focusing on attraction, repulsion, storage, and types of magnets. They tested opposite poles (north-south) for attraction and like poles (north-north, south-south) for repulsion, observing the strength of the forces. Students also learned proper storage methods to preserve a magnet's strength, such as using soft iron keepers. They explored two types of magnets horseshoe and bar magnet. The activity provided hands-on experience, helping students understand magnetic behavior and visualize magnetic.

RIDS CLASS ACTIVITY IX

As part of the RIDS British Council initiative, students from Class IX showcased their creativity and cultural awareness by presenting a Nukkad Natak (street play) during the class assembly. The play's theme focused on the life of the tribes from Santhal Pargana, highlighting their unique traditions, lifestyle, and cultural richness. The activity aimed to enhance students' understanding of cultural heritage and promote appreciation for diversity. This initiative successfully emphasized the importance of cultural awareness, heritage preservation, and diversity. It also provided students with a platform to engage in collaborative learning and creative expression.

CLASS TEACHER PERIOD VII

Batik Design Making using Toothpaste and Hand Lotion

The students of Class VII enthusiastically participated in an art integrated activity, where they created intricate batik designs using toothpaste and hand lotion. The session began with an introduction to the ancient art of batik, its origins, and significance. Under the guidance of their teachers, students learned the technique of creating batik designs using unconventional materials. They applied toothpaste and hand lotion to create unique patterns and designs on white cloth/handkerchief. They coloured the designs using the fabric paint and represented their skills significantly.

EDUCATIONAL OUTING TO TRIBAL MUSEUM: CLASS VIII

On 23rd December 2024, the students of Class VIII embarked on an educational trip to the Tribal Museum in New Delhi. Guided by a knowledgeable expert, the students delved into the rich cultural heritage and history of India's diverse tribal communities. They explored exhibits displaying traditional clothing, artifacts, tools, musical instruments, weapons, and other aspects of tribal life, gaining a deeper appreciation of the unique lifestyles and contributions of these communities. Additionally, the students visited the museum's library, meticulously maintained by its authorities, which offered them a chance to further immerse themselves in the fascinating world of tribal culture and history. This visit provided an enriching experience, blending education with cultural awareness.

SOLID WASTE MANAGEMENT BOOK LAUNCH AT PRAGYAN SCHOOL

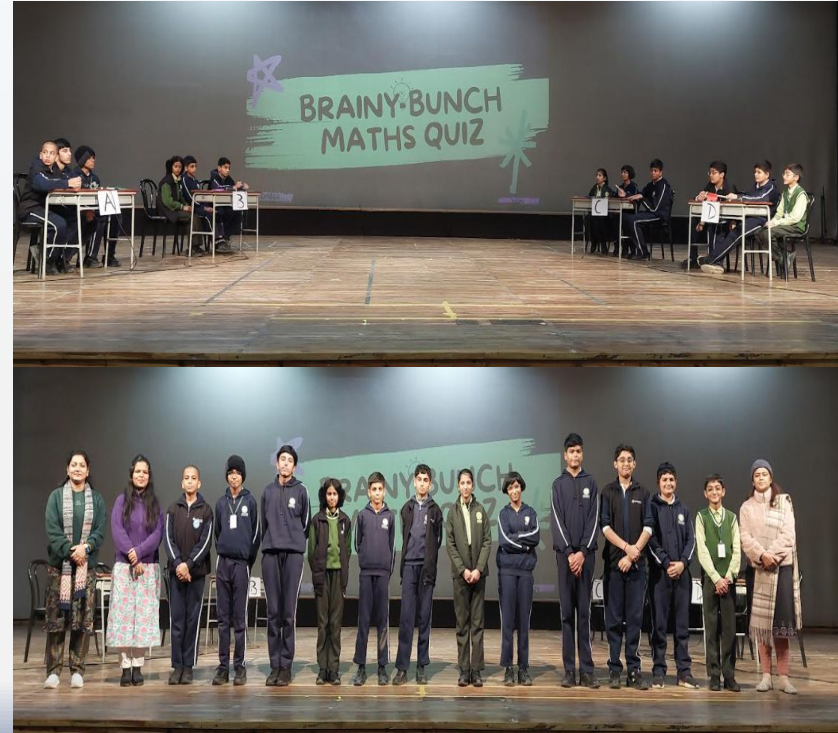

On 24th December, Pragyan School hosted a significant event in collaboration with its official solid waste management partner, the HCL Foundation. The occasion marked the launch of a book centered on the theme of solid waste management, aiming to educate and inspire students about sustainable practices at home. The book, meticulously curated by the HCL Foundation, outlines innovative and practical methods for managing solid waste. It emphasizes the importance of reducing, reusing, and recycling, encouraging students to adopt these eco-friendly habits in their daily lives. As a gesture of appreciation and encouragement, the HCL Foundation gifted half jackets to all students from Classes 6 to 8. This thoughtful token was well-received by the students, adding a memorable touch to the event. Pragyan School is proud to partner with the HCL Foundation in this noble cause.

INTER CLASS COMPETITION VI-VIII

An Inter-Class Math Quiz for students of Classes VI-VIII was conducted on December 24, 2024. The quiz aimed to promote logical thinking, problem-solving skills, and teamwork among students. The competition comprised six exciting rounds. Teams were formed by including students from all three classes to ensure diversity and collaboration.

The quiz witnessed active participation and enthusiasm as students tackled challenging puzzles, deciphered patterns, and solved complex problems within the given time limits. The highlight of the event was the rapid-fire round. The event was a great success, fostering mathematical interest and camaraderie among students.

INTER CLASS COMPETITION IX-XI

A Mathematics Quiz was successfully conducted on the occasion of Mathematics Day, celebrated on December 22, 2024. Students from Class IX and Class XI actively participated in the event, which saw them divided into four teams. The quiz aimed to foster a deeper understanding and appreciation for mathematics, encouraging healthy competition among the students. Each team showcased their problem-solving skills, engaging in various rounds of mathematical challenges. The event was not only a celebration of Mathematics but also a platform for students to demonstrate teamwork, critical thinking, and aptitude in the subject. The result is as follows:

WINNER TEAM	REVASHARMA XIA KRISHIV GOYAL XIA SPARSH PRATAP SINGH IXB DHRUV CHAUDHARY IXB
RUNNER UP TEAM	ROSHI JAIN XIC ANSHIKA LOOMBA XIB SWARNA GUPTA IXA NISCHAY KUSHWA IXA

INTERACT CLUB : HELPING HANDS

The Joy of Giving initiative by the Interact Club, in collaboration with the Robinhood Army, organized a gift distribution drive on the eve of Christmas. Students gift-wrapped stationery and small toys to donate to children from less privileged sections. On December 24th, members of the Robinhood Army visited the school with the children to celebrate Christmas. Pragyans enthusiastically celebrated with them by giving gifts and warm clothing. The children were overjoyed when they met Santa and saw the Christmas decorations.

ECOLOGY CLUB TIP

HEALTH AND WELLNESS TIP

BENEFITS OF GINGER

-  Promoting digestion
-  Reducing inflammation
-  Protecting the respiratory system
-  Cardiovascular support
-  Relieving nausea
-  Relieving nausea
-  Easing muscle pain

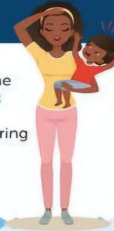

TIP OF THE WEEK

Positive Parenting

Positive parenting describes a set of parental behaviors that foster a child's capacity to **love, trust, explore and learn**. The goal of positive parenting is to help parents guide their children's healthy development in the context of the family's culture. Key elements of positive parenting include the ability to:

Understand or imagine the **child's point of view**, especially during challenging moments.

Respond with interest and **sensitivity** to the child's cues.

Recognize that **parenting can be stressful** and missteps are a natural part of child-rearing.

Recognize and **celebrate** the child's strengths, abilities, and capacity to learn and develop.

Provide consistent, **age-appropriate guidelines** and limits for child behavior.

Work toward a **balance** of meeting parental needs and child needs.

Delight in **moments of connection** with the child;

Recognize and **regulate their own feelings** and behaviors before they respond to the child.

Seek help, support or additional information on parenting **when needed**.

CIRCULARS SHARED DURING THE WEEK

- Important: Winter Uniform and Grooming Guidelines for Students shared on 23rd Dec 2024.
- Marathon Classes for students of X & XII shared on 24th Dec 2024
- Parent Teacher Meeting (Class X) on 27.12.2024 shared on 26th Dec 2024.
