WEEKLY CIRCULAR SENIOR

30th AUGUST 2024
(CIR/PS/131/2023-24)

EDUCATIONAL OUTING CLASS VI

On 23/08/24, students of Grade VI visited the Nehru Science Centre in New Delhi for an educational excursion designed to enhance their understanding of science through interactive exhibits and hands-on activities. Upon arrival, the students were guided through various galleries. The Space Science Gallery featured fascinating exhibits on the solar system and space exploration, including a life-sized model of the Mars Rover that captivated their imagination.

The Human Biology Gallery gave students a deeper understanding of the human body's functions, thanks to interactive displays that made complex biological concepts easy to grasp. The Innovation Hub was another highlight, allowing students to experiment with robotics, renewable energy, and basic coding. The trip to the Nehru Science Centre was a highly enriching experience, making science accessible and enjoyable for all students. It successfully reinforced classroom learning and ignited a passion for science, leaving a lasting impact on the participants.

EDUCATIONAL OUTING CLASS VI

MATHEMATICS ENRICHMENT ACTIVITY X

Students of Class X B performed their Art Integrated Activity of Maths on Basic Proportionality Theorem Of Thales Theorem. They have applied the Concept of Similar Triangles and learned it's real-life applications like Global Positioning System (GPS) devices utilize Thales theorem to calculate coordinates and determine distances between locations. This helps users navigate accurately, find the shortest routes and track movements.

CLASS TEACHER PERIOD ACTIVITY X

Students of Class 10 B have performed activity on Decorating plates with different materials. They have decorated with different patterns and designs and participated very enthusiastically. This helped them to showcase their creativity.

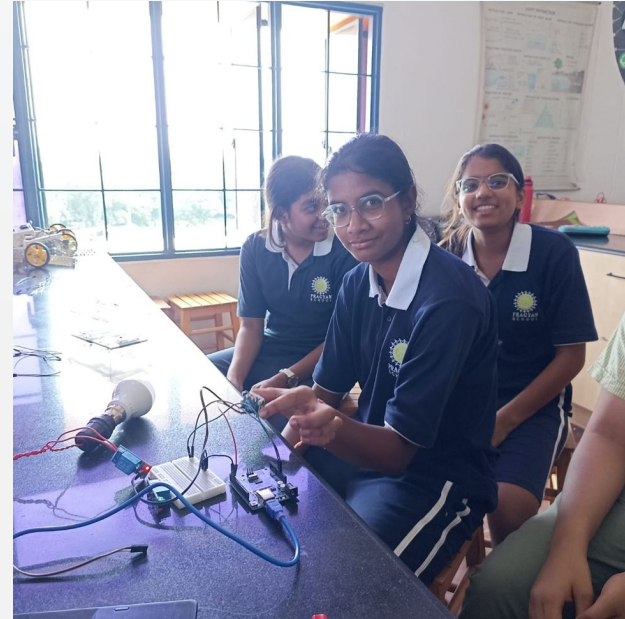

ATL SESSION VIII

Students conducted an activity on - Series and Parallel during the ATL session and made police light using Arduino UNO.

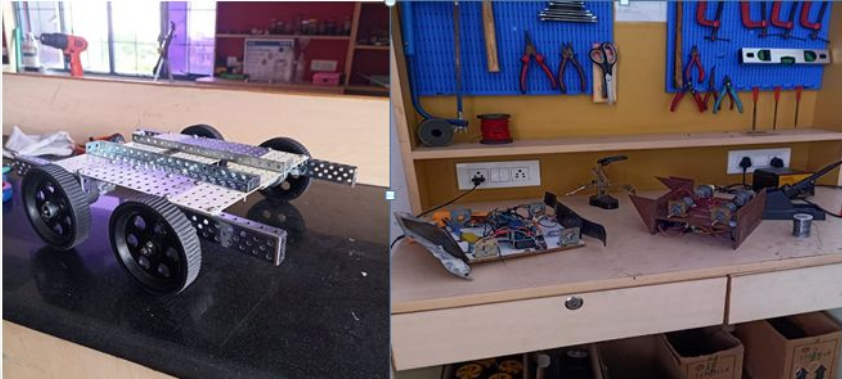

ATL SESSION IX

The topics covered during the ATL session were the Relay Module and the PIR Sensor. Students did a project on home automation using a PIR sensor.

ATL SESSION X-XII

Students of classes X-XII worked on their models for the upcoming interschool competitions during the ATL classes.

INTERACT CLUB INSTALLATION CEREMONY

The Interact Club's installation ceremony, held on Wednesday, 28th August, marked a significant milestone in the club's journey. The occasion was dignified by the presence of esteemed guests, including President Rtr. Shailesh Chandra Varshney, Assistant Governor Rtr. Amit Rathi, and other distinguished members of the Rotary Club. The ceremony featured a vibrant cultural program and the presentation of the annual report by ZIR Reva Sharma and Club President Manasvi Singh. The highlight of the event was the presentation of badges to office bearers and active members by Principal Ma'am and our esteemed guests. Their presence added gravity and prestige to the event, making it a memorable experience for all involved.

TEACHERS WORKSHOP

On 24th August 2024, a workshop for the teachers of Pragyan School was held in collaboration with the HCL Foundation and the Lending Hands Foundation. The workshop focused on the "Teaching the Trainer" objective, where educators were trained to guide students in effective waste management. Teachers learned to help students segregate waste into dry, wet, and hazardous categories, fostering environmental responsibility. The workshop emphasized the importance of sustainability and equipped teachers with practical skills to promote waste management both within the school and in the broader community, contributing to a cleaner environment.

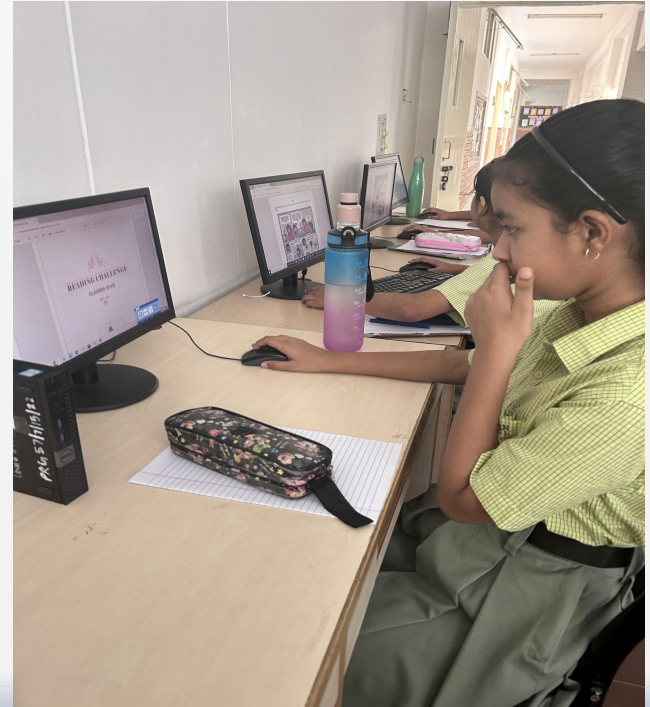

INTER-SCHOOL COMPETITION VI-XII

We congratulate the following students for achieving positions in various interschool competitions.

NAME OF THE HOST SCHOOL	NAME OF THE EVENT	NAME OF THE PARTICIPANT STUDENT	POSITION ACHIEVED
HILLWOODS ACADEMY	DEBATE COMPETITION	(FOR THE MOTION) MANAS SHARMA XII B (INTERJECTOR) RAKSHIT KATIYAR XII B	1ST POSITION 1ST POSITION
	PPT PRESENTATION	ANSHUMAN XB VASUDHA XB	1 ST POSITION
	BROCHURE MAKING	SANVI YADAV VIII B NAVYA YADAV VIII B	3 RD POSITION
SARVOTTAM INTERNATIONAL SCHOOL	LAUGH OUT LOUD- STAND UP COMEDY COMPETITION	PRIYAL YADAV VII A	2ND POSITION
VISHWA BHARATI SCHOOL, GREATER NOIDA SUPERNOVA	COLLAGE MAKING	AFIFA XII C SHREYA KULSHRESTHA XI C	3RD POSITION
G.D. GOENKA PUBLIC SCHOOL QUANTA- AN INTER-SCHOOL MATH & TECH FIESTA	THE X-CUTTERS MATH MODEL MAKING	MANASVI RAJ VIII C AARAV MITTAL VII B SHUBHEKSHA VI C	3RD POSITION
DAV PUBLIC SCHOOL PRATAP VIHAR- LEGACY 6.0 ANNUAL INTER- SCHOOL TECH COMPETITION	SCRATCH IT	KARITIKIYAN KISHOR VII A	2ND POSITION
	PITCH TANK	MANAS SHARMA XII B RAKSHIT KATIYAR XII B	2ND POSITION
	ROBO WAR	MANAS SINGHAL XI A	1ST POSITION
	SOCCER SHOWDOWN	ARHAT XA AYAN AGARWAL XA	1ST POSITION
	INNOVATOR'S ARENA	SIDDHARTH KUMAR XB ANKUSH SINGH XB	3RD POSITION

CBSE READING CHALLENGE [2024] ROUND-1

On 30th August 2024, our school witnessed an extraordinary display of literary prowess as our students participated in the CBSE Reading Challenge with great enthusiasm and passion! The competition was abuzz with excitement as our young bookworms showcased their exceptional reading skills. Our students devoured the reading tasks with remarkable speed and accuracy. The event was a resounding success. The top scorers from each class will move on to Round 2, and we can't wait to see them shine even brighter!
