Children of Class 1 revised the concept of number comparison through Mr. Alligator story. They also solved the sums related to the topic and watched videos related to the same. Children also learnt the forward counting till 300 and reverse counting from 10 - 1.

Munch! Munch! Munch!

Video - <https://youtu.be/3I7gbmONXjw>

Forward Counting
1 2 3 4 5 6 7 8 9 10

Backward Counting
10 9 8 7 6 5 4 3 2 1

Count and Write

Help Jackie to climb up the coconut tree by writing the numbers from 0 to 10 upwards.

Now, help Jackie to climb down the coconut tree by writing the numbers from 10 to 0 downwards.

“Books are our best friend” Students of class 1 continued practice of blending letters where they revised the -tr sound during their English class as a part of their reading skills. Kids were taught the pronunciation of the sound with a few examples. They were shown a video for better understanding which includes reading of certain words with the same sound.

ENVIRONMENTAL SCIENCE

Students of class 1 are learning more about the topic 'My body'. They learnt about sense organs and how we perceive the world through our senses. They got to know about the functions and importance of body parts. A video was also shown to them to supplement the concept.

Sense Organs

THERE ARE 5 SENSES

1. SIGHT
2. HEARING
3. SMELL
4. TOUCH
5. TASTE

Dancing helps us express our feelings and get active as well. Children of class 1 enjoyed their dance class and learnt a few footsteps for understanding the rhythm for dance. They coordinated with legs and hand movement and danced with their peer group.

Students of class 1 were taught about types of lines e.g., vertical, horizontal, slanting and wavy lines during their art class. They were also taught how to use different lines in creating a picture. They made a scene with mountains, river, house, tree etc during their class.

Students enjoyed learning the poem of the month ‘Pumpkin’ and were introduced to the concept of proper nouns and rhyming words through ppts and videos. They were also given written exercises on the same.

POEM OF THE MONTH- Pumpkin

One day I found two pumpkin seeds.
I planted one and pulled the weeds.
It sprouted roots and a big, long vine.
A pumpkin grew; I called it mine.

The Relationship

Common Nouns	Proper Nouns
• Fruit	• Apple
• Teacher	• Madam Tan
• Boy	• Ali
• Book	• Story book
• City	• Kajang
• Biscuit	• Oreo
• Car	• Honda City
• Shoe	• Bata

हिन्दी

Students of class 2 revised new words and poem of the month. They also practiced संज्ञा. As the part of AIL students watched a story and drew the sketch of their favourite character from the story.

WORKSHEET PERIODS- वर्तमान सप्ताह - 6

18.04.22 मां की ममता - पापा का प्यार

सबसे सुंदर सबसे न्यारी ।
हाथ पकड़ चलना सिखलाने,
पापा इनको खुब पुमाने,
मां मलहम बनकर लग जाती,
जब भी हमको चोट मलती ।
मां पापा बिन दुनिया बुरी,
जैसे तपती आग की धुनी,
मां ममता की धारा है,
पापा जीने का सहारा है ।

18.04.22 मां की ममता - पापा का प्यार

घर में एक बरगद है,
मेरे पापा जिसकी जड़ है,
धनी छावो है मेरी मां,
यही है मेरे आसमान ।
पापा का है प्यार अनोखा,
जैसे शीतल हवा का झोंका,
मां की ममता सबसे प्यारी

सबसे सुंदर सबसे न्यारी ।
हाथ पकड़ चलना सिखलाने,
पापा इनको खुब पुमाने,
मां मलहम बनकर लग जाती,
जब भी हमको चोट मलती ।
मां पापा बिन दुनिया बुरी,

Dance allows people to be more active, socialize and develop creative and physical skills.

Students of Class 2 started learning new steps on an imaginative story. They also tried to create their own step to execute the story. They also learnt different footsteps.

COMPUTER (1&2)

Students of class 1 & 2 practiced their hands on computers this week. They tried their hands on the keyboard and mouse by playing games in GCompris.

INSTRUMENTAL MUSIC (1 & 2)

Music is a path to happiness. Students of classes 1 & 2 practiced Symphony Song and revised names of various types of the instruments.

PHYSICAL EDUCATION/ YOGA

Students of classes of 1 & 2 learnt basic skills of different games such as dribbling in basketball, dribbling and ball control in football and forehand shot drill in lawn tennis.

They also participated enthusiastically in activities of physical fitness components development through different drills. As part of Friday session students participated and enjoyed doing yoga followed by some yogic stretchings.

VALUE EDUCATION/ CIRCLE TIME

As part of value education students of classes 1 & 2 were briefed on the topic ‘Qualities of a true friend’ with the help of powerpoint presentation and a short story. Students participated in circle time and shared their views on the topic ‘Classroom rules’.

Qualities of best friend

You are my best friend
because... you
are you, you
let me be me
and still...
we love each other

- They accept you as you are.
- They are honest
- They are trust worthy (your secrets safe with them)
- They ask questions and truly listen to you.
- Gives you correct advice.
- They are loyal meaning they are there when others have left.
- They will forgive you because they know you can do better next time.

A best friend is a person whom we give importance above other friends in our life. Someone we have fun with, someone we trust and someone in whom we confide.

CLASS ASSEMBLY (2A)

Morning Assembly plays an important part in a child's development. It is essential to understand that morning assembly is not just about standing in queues and singing prayers or the national anthem, but it's something that has a great influence in every point of life.

Students of class 2A were privileged to conduct the first morning assembly for the session 2022-23 on the theme 'Happiness'. The assembly commenced with a prayer, followed by news, thoughts and sharing different ways to remain happy. Students sang the song and expressed what makes them happy. Certificates for the Inter class weekly activity 'Draw and colour' were distributed to the meritorious students as well.

CLASS ASSEMBLY (2B)

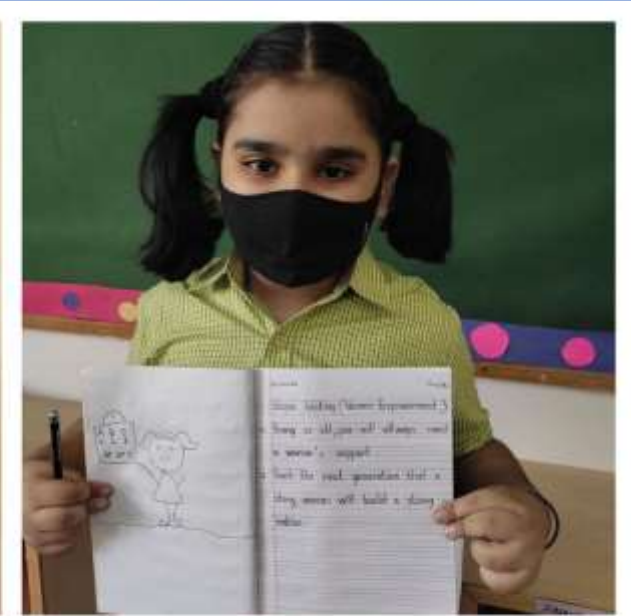

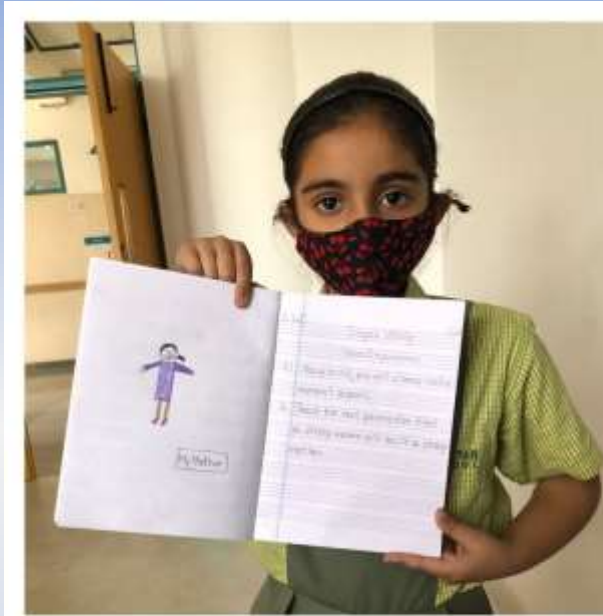

Students of Class 2B presented their assembly with zest and zeal on the topic 'Earth Day'. Earth Day, celebrated annually on April 22, is a reminder to protect the environment, restore damaged ecosystems and live a more sustainable life. Students began the assembly with prayer followed by thought, news and poem. It culminated with the teacher's talk.

ENVIRONMENTAL SCIENCE

The students of class 3 did a revision worksheet of L-10 Living and Non-living things in their EVS notebooks. Lesson-1 “The beginning of Time” was also introduced in the class. The students were thrilled to learn about the life of Early humans. They enjoyed watching videos related to the topics taught. Oral evaluation of the topics taught was also done in the class to revise the concepts.

Class 3 students learn to draw daffodil flower during their regular art class. They later colour the drawn picture using their creativity.

हिन्दी

The first lesson, 'Bharat Ka Nav Nirmaan' from the Hindi text book 'Sneh Prabha' has been taught to the students of class 3, this week. They have also completed shabdarth and the exercises based on the lesson were done in their textbooks.

APRIL 2022

पाठ - 1
भारत का नव-निर्माण

FOLLOW THE INSTRUCTIONS! CHILDREN

आज-कल भारत-देश महान, जहाँ-जहाँ भी जाओ-जाओ। एक-कामोँ भी जो है-सच्चा, भारत का-सही-देश है।

एक-बंद भी गुलाम है, एक-आंखी भी गुलाम है। फिर-जहाँ-सबको-जानना है, भारत-की-गुलाम-बन्धन है।

APRIL 2022

पॉल निम्न वाक्यों (✓) का चिह्न लगाएँ-

क. भारत देश महान है क्योंकि-

Worksheets based on nouns were done in the workbook. They also read the chapters of the reader, The Adventures of Huckleberry Finn. A revision exercise on nouns was conducted too. The students did the creative writing on 'My Favourite book'.

ENVIRONMENTAL SCIENCE

The students of grade 5 were introduced to the different latitudes and longitudes of the world with the introduction of L-2: Latitudes and Longitudes. The importance and the usage of these lines, their basic characteristics were discussed. The names of the important latitudes and their location was also demonstrated in the class. The significance of meridians in calculating the time of a place was explained. A revision worksheet was also taken to evaluate the knowledge and understanding of the concepts taught till now.

vocal

Students of class 5 learn a song for Mother's Day, Tu hin zameen hai tu aasman hai... and enjoy the class.

CLASS TEACHER PERIOD (3-5)

Students of classes 3-5 had theme-based Enrichment periods on Monday, Tuesday and Thursday. The topic for the Circle Time on Monday was Indian Culture and Heritage. It was discussed with the students that these are considered vital to be preserved for future generations. Cultural heritage gives people a connection to certain social values, beliefs, religions and customs. It also allows them to identify with others with similar backgrounds. Related ppts and videos were shown too. Tuesday's Value Education session continued on Health and Hygiene. The session focussed on the importance of cleanliness and hygiene to keep Covid at bay. Post session the students made posters on handwash. The General Awareness session on Thursday was on Earth Day which is celebrated on April 22. More than a billion people celebrate Earth Day to protect the planet from things like pollution and deforestation.

CLASS TEACHER PERIOD (3-5)

HINDI JAM - INTER-CLASS ACTIVITY RESULTS

Inter-Class JAM (Hindi) Competition of classes 3-5 was held on 13th April, 2022. The result of the event is shared herewith. We would like to congratulate the winners.

CLASS	POSITION	NAME	CLASS/SECTION
III	FIRST	SEJAL CHAUDHARY	3C
	SECOND	MISHIKA GOEL	3B
	THIRD	AHONA GUCHHATI	3A
IV	FIRST	AKSHAYAA PANDEY	4D
	SECOND	RIHANSH CHOUDHARY	4D
	THIRD	SONA AGGARWAL	4A
V	FIRST	PRIYAL RAO	5A
	SECOND	KISHITA NAGAR	5C
	THIRD	AAYUSH MEHTA	5B

CLASS ASSEMBLY (4A)

Students of class 4 A conducted the morning assembly on April 20 & 21st respectively. The theme of the assembly was Earth Day. The assembly commenced with a prayer followed by inspirational thoughts, news talk and poems. The students even extended birthday greetings to students celebrating their birthday during the week. Winners of Inter-Class Weekly Activity were awarded certificates.

CLASS ASSEMBLY (5 D)

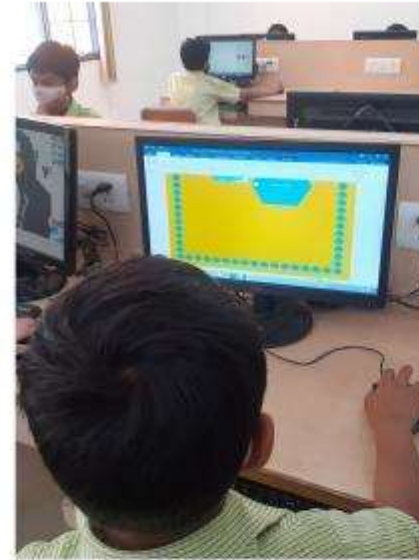

Students of grade 5D conducted the morning assembly on 18th and 19th April, 2022 on the topic, Indian Cultural Heritage. They presented prayer, talks, thoughts, poems in English and Hindi, stories, instrumental rendition and a song. The assembly concluded with the words of wisdom by the headmistress, Ms, Divya Kapoor and national anthem.

COMPUTER (4-5)

Students of Grade 4 taught the MS- Word in which they learnt to resize, move and crop the pictures and adding borders to the picture. They have made poster on Computer Lab Rules.

Students of Grade 5 taught the MS- PowerPoint in which they did formatting effects and editing inserted images. They have made beautiful presentation on Exercise is good for our body.

GAMES AND SPORTS (3-5)

Students of classes 3-5 learnt basic skills of different games such as dribbling, stance and running with ball in basketball, dribbling and ball control in football, hurdle race and strength development drills in athletics and forehand shot drill in lawn tennis.

SLOGAN WRITING INTER-CLASS ACTIVITY

Earth Day is a special day to showcase the massive amounts of support across the globe for protecting the Earth and the environment. Keeping this view in mind, students created thought provoking slogans on the theme of 'Leave Nothing But Footprints-Save Earth' as part of their Inter-class activity. The results of the activity will be announced next week.

ROAD SAFETY CAMPAIGN INITIATION

Road Safety in today's context is the most significant issue which relates to the safety of the public on the road. Millions of lives are lost annually throughout the world due to road accidents, resulting in huge loss of finance and resources for individuals as well as for the nation. There is an urgent need to spread awareness regarding road safety and the precautions that should be taken by people.

With this objective in mind, Pragyan School initiated the 'Safety on Roads' Campaign from 21st 2022. The campaign started with the Road Safety Pledge taken during the morning assembly and the videos and ppt shown on road safety followed by class discussions.

DRAMATICS CLUB

The students of the dramatics club were introduced to Nukkad Natak. They have started learning the lines of the nukkad natak and enjoyed a lot while practising them.

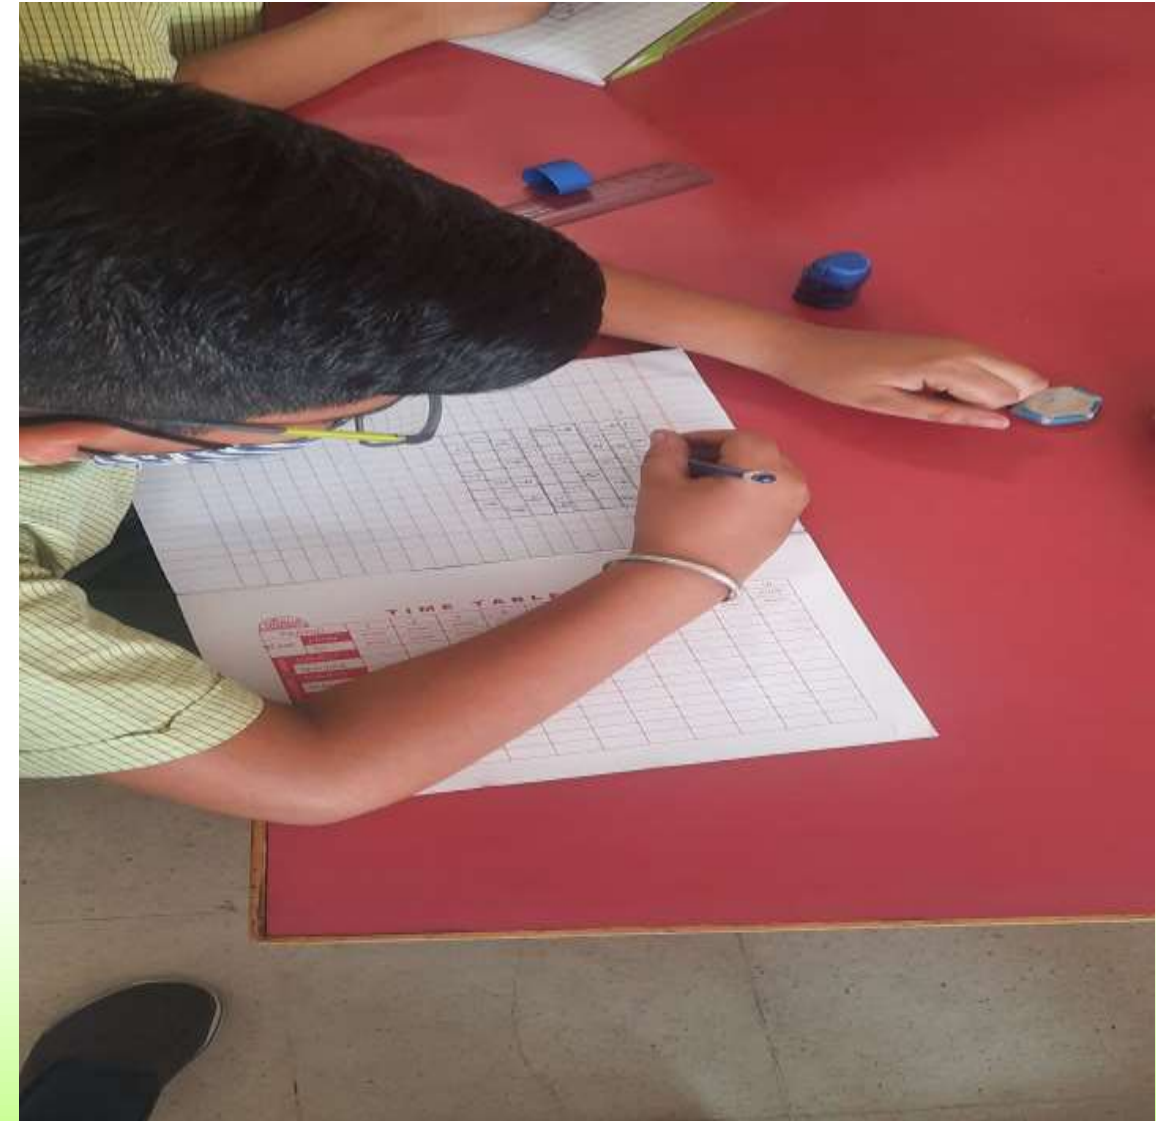

GARDENING CLUB

Gardening is great fun for kids and may become an activity they'll enjoy throughout their lives. The youngsters were introduced to various gardening tools with their uses.

MATH CLUB

A Sudoku puzzle is an excellent tool for building students' critical thinking skills. Math's club students tickled their heads and enjoyed solving sudoku puzzles with different grids like 6x6 grid and 9x9 grid.

PHOTOGRAPHY CLUB

The budding young photographers of the Photography Club learnt the basics of handling the cameras. They also learnt the concepts of Fill the Frame and Rule of 3rd. They clicked some related photographs too.

SCIENCE CLUB

It is said that ‘the best time to plant a tree was twenty years ago. The second best time is today.’ Keeping this in mind, the Science Club of Pragyan initiated this noble deed to bring in the fervor of Earth Day. Across the globe on Earth Day, people are looking for ways to give back to the environment in which they live. Planting a tree is a great way to celebrate Earth Day. When people plant trees they are doing more than just beautifying an area. Trees are beneficial to the environment in numerous ways. They help produce oxygen and filter out pollutants to clean the air. In addition, trees also help preserve water levels in the soil.

HOME SCIENCE CLUB

As part of club activity, students of Home Science Club were taught to make club sandwiches. Students learnt to trim slices of bread to make sandwiches. They cut slices of cucumber and tomatoes to make sandwiches. Simple plating was also taught to students as part of presentation skills.
