WEEKLY CIRCULAR SENIOR

20th March 2026
(CIR/SC/40/2025-26)

ASSEMBLY VI-VIII

A teacher's talk was conducted during the Supernova morning assembly, led by the teachers, on the topic **"Your Future Self is Watching You."** The speaker highlighted the importance of making mindful choices in daily life and explained how small habits and decisions shape one's future. Through relatable examples, students were encouraged to reflect on their actions, develop discipline, and adopt positive habits such as regular study and kindness. The talk inspired students to take responsibility for their present actions and understand that their future success depends on the choices they make today. The Class VI assembly talent show was a spectacular success! Students amazed everyone with a soulful vocal music performance, an engaging speech on the history of Germany, and impressive live painting displays. It was a fun-filled morning that beautifully highlighted the diverse talents of our young learners. It was not only entertaining but also a valuable learning experience. Students gained insights into Germany's rich past, expressed their creativity through art, and built confidence by performing in front of their peers. Our budding artists truly shone as they showcased their painting skills on stage — a wonderful celebration of creativity, knowledge, and public speaking!

ASSEMBLY & OPEN FORUM IX-XII

The morning assemblies at our school were recently conducted with a special focus on teachers' talk, where respected teachers addressed the students with inspiring and motivational speeches. The sessions aimed at encouraging students to develop a positive mindset, stay disciplined, and work towards their goals with dedication. The assemblies commenced with the usual prayer, followed by the selected teachers came forward to share their insights and experiences. Their speeches revolved around important themes such as hard work, perseverance, self-belief, and the importance of values in life. **Open Forum discussion on 16 March 2026**, following the engaging session first conducted on **12 March 2026** on the topic "*Should India introduce a nationwide rule to regulate social media use for children?*". Owing to the strong interest and thoughtful participation shown earlier, the discussion was extended to allow more students to share their perspectives. Students reflected on issues such as **online safety, screen time, mental well-being, and responsible digital usage**, while also discussing the role of **parents, schools, and government policies**. The initiative aimed to encourage informed dialogue and strengthen students' understanding of **responsible digital citizenship** in today's technology-driven world.

ACHIEVEMENT

We are delighted to share that our student Roshan XII participated in the AI Winter Boot Camp organised by The Times of India, a national initiative aimed at introducing students to AI, Large Language Models, prompt engineering, and no-code innovation. As part of this recognition, Roshan received:

- A National Award
- A Certificate of Participation and Achievement from The Times of India
- A MacBook as the winner's prize during the national online event

This achievement highlights the importance of early exposure to emerging technologies and innovation-driven learning. When students are given the right opportunities, they can transform ideas into impactful creations.

ACHIEVEMENT

Times NIE Student of the Year Award recognizes overall excellence. This prestigious award is an initiative to felicitate Times NIE student members who display a rare combination of talent, leadership abilities, performance skills, academic excellence as also recognizes significant contribution made to society. We feel proud to share that **Reva Sharma XIIA** have been awarded the **Student of the Year 2024** by NIE and she received the Trophy from Times NIE .

SUPERNOVA VI-VIII: STORY WRITING AND POEM COMPOSITION

After the completion of SA-2 examinations, the Supernova Camp was organised for students of Classes VI-VIII. As part of this enriching initiative, a session on English **Story Writing and Poem Composition Skills** was conducted to enhance students' creativity and expression. The session focused on developing key writing skills such as imagination, vocabulary building, structuring ideas, and the effective use of literary devices. Students were encouraged to create their own stories and poems based on given themes, allowing them to explore their thoughts and emotions freely. Interactive activities and guided exercises made the session engaging and enjoyable. Students showcased remarkable creativity and enthusiasm, producing thoughtful and imaginative pieces of writing. Overall, the session proved to be a valuable learning experience, helping students build confidence in their writing abilities while nurturing a love for literature.

SUPERNOVA VI-VIII: COMIC STRIP MAKING

On 18th March, the students of Class VI enthusiastically participated in a **Comic Strip Making** activity as part of their Supernova programme. The session began with an engaging introduction to the concept of comic strips, where students were guided on how stories can be creatively expressed through a sequence of illustrations supported by brief and meaningful dialogues. Emphasis was placed on the art of conveying emotions, actions, and narratives using minimal text, encouraging students to think imaginatively and communicate effectively. Through this activity, students explored their creativity, developed storytelling skills, and learned how to present ideas in a visually appealing and concise manner. The exercise not only enhanced their artistic expression but also fostered their ability to structure a storyline with clarity and coherence.

SUPERNOVA VI-VII: STORY TELLING SESSION

A **storytelling session** was conducted on 20 March for Grades VI and VII by Ms. Rachana Mishra and Ms. Khushboo Bansal as part of the Supernova Camp. Based on “The Clown and The Brain,” the session highlighted identity and self-growth. Through effective voice modulation, expressions, and body language, the teachers made the narration engaging and interactive. Students actively participated and learnt the importance of individuality, teamwork, confidence, and creative expression. The session was enriching and enhanced both language skills and imaginative thinking.

SUPERNOVA VI-VIII:BOOK READING AND BOOK REVIEW

The Supernova activity conducted for Grade VII students, titled *Book Reading and Book Review Presentation*, proved to be a highly engaging and enriching experience that fostered both reading habits and expressive skills. The session commenced with a motivational and moral story reading, setting an inspiring tone and capturing students' interest. The primary objective was to guide students on how to read a story aloud effectively while keeping the audience engaged. They were introduced to key techniques such as voice modulation, clear articulation, expressive narration, maintaining eye contact, and the effective use of pauses to build curiosity and suspense. Following this, students confidently presented their book reviews, showcasing creativity through varied styles, including narrating from the perspective of the author or a character. They also learned to enhance their reviews by incorporating impactful quotes, highlighting significant moments, and ending with a cliffhanger to intrigue listeners. A selection of books by renowned authors such as Enid Blyton, Premchand, R.K. Narayan, and Ruskin Bond was provided to broaden their literary exposure. The activity received an enthusiastic response, and the session concluded with valuable guidance on selecting suitable genres to cultivate a lifelong love for reading.

SUPERNOVA VI-VIII: SESSION WITH PRE PRIMARY STUDENTS

Class VIII students participated in the Supernova activity , **spending time with pre-primary children** by sharing fun animal stories, drawing, and playing indoor games like treasure hunts. This activity enhanced leadership and empathy skills in the older students while bringing smiles to the little ones' faces. The interaction also helped students understand the importance of patience and effective communication. Overall, it was a win-win for both age groups, creating joyful memories and meaningful learning experiences as part of Supernova's fun activities.

SUPERNOVA VI-VIII: SUSTAINABLE PRACTICES

On 19 February 2026, students from Classes VI-VIII participated in an educational visit across various areas of the school to observe **sustainable practices in action**. The students explored initiatives focused on waste management, such as composting of food waste and dry leaves, vermicomposting, creative reuse of waste for art projects, and collection of e-waste for proper disposal. They also learned about water conservation techniques, including rainwater harvesting and organic farming supported by drip irrigation. Energy efficiency practices, such as the use of LED lights, were highlighted, along with greening initiatives like school gardens and tree plantations. Students also observed eco-friendly transportation, with school buses running on CNG to reduce pollution. The visit offered hands-on insights into sustainable environmental practices, fostering awareness among students about resource conservation, eco-friendly living, and the importance of responsible habits in daily life.

TEACHERS' WORKSHOP

Pragyan School remains committed to enhancing the quality of education through continuous teacher development. On 18th March 2026, our teachers, Mr. Rohit Arora and Ms. Shivani Srivastava, attended a professional workshop organized by The Association of International Schools of India at Shalom Presidency School. The session focused on understanding modern learners, improving classroom engagement, and adopting effective communication and leadership strategies. The insights gained will help create more interactive, supportive, and future-ready learning environments for our students. We look forward to implementing these practices to further enrich your child's educational experience at Pragyan School.

**Rethinking Leadership for Gen Z:
From Command to Connection**

Audience: School leaders, coordinators, counsellors, teachers.
Purpose: Build conversation-based leadership, engaging classrooms, and future-ready educator mindsets.

TAISI
The Association of International Schools of India

We are proud to share that **Mr. Rohit Arora** and **Ms. Shivani Srivastava** from Pragyan School attended an enriching workshop on 18th March 2026, organized under the aegis of The Association of International Schools of India at **Shalom Presidency School**.

INTERACT CLUB INITIATIVE

The Interact Club initiative under **Project Samvedaya**, conducted on **19th March 2026**, was a meaningful step towards fostering **compassion, empathy, and community service** among students. The primary aim of this initiative was to inspire young Interactors to understand the true value of **empathy** and encourage them to take small yet impactful actions to bring about a positive change in society. As part of this initiative, students visited a charitable trust school at the Sai Akshardham Mandir, where they actively engaged with underprivileged children and community members. A group of students presented a powerful **Nukkad Natak** to spread awareness about mental health, emphasizing the importance of emotional well-being, while another team conducted an engaging **awareness session on dental hygiene and self-care, promoting healthy habits**. The students also prepared and distributed thoughtfully curated **Hope Kits, which included essential self-care items and seasonal fruits, symbolizing care and sharing**. Beyond awareness, the Interactors created a joyful environment by involving everyone in fun-filled activities like group dance, fostering a sense of inclusion and happiness. Additionally, students took the initiative to interact personally with children and adults, learning about their backgrounds, families, and native places, thereby building deeper human connections. Overall, the experience proved to be enriching and transformative, allowing students to learn empathy through real-life engagement and reinforcing the spirit of service above self.

ECOLOGY TIP

🌍 FUEL SAVED IS FUEL PRODUCED 🌍

🚗💨 Every drop counts. Every choice matters.

Choose smarter ways to travel:

- 🚌 Use Public Transport
- 👥 Carpool with friends & colleagues
- 🚶 Walk for short distances
- 🚲 Cycle for a healthier you

🔧 Keep your vehicle well-maintained

- ✓ Better mileage
- ✓ Less pollution
- ✓ More savings

🌱 *Our small actions can create a BIG impact!*

👉 Save Fuel. Save Money. Save the Planet. 🌍

HEALTH AND WELLNESS TIP

Nutrition Month

6 Easy Tips

- 01 Learn proper portion sizes
- 02 Keep junk food out of sight
- 03 Put your meals to bed on a plate of greens
- 04 Pulses are tasty, affordable and nutritious
- 05 Make healthy choice on meal at a time
- 06 Small changes are easier to sustain

TIP OF THE WEEK

Mental Health Tips for Parents & Kids

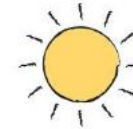

Remind your child it's okay to have sad days. Help them feel comfortable talking about it and putting their feelings into words.

Children need to feel comfortable, not defeated, when they make mistakes or fails. Parents can give children support to renew their motivation and hope.

Establish a home where your child feels accepted and loved.

Focus on the positive. Teach your child about the gift of gratitude.

Everyone needs a break. Check in with your child when they do. Take a break with meditation to teach your children the importance of mindfulness and rest.

CIRCULARS SHARED DURING THE WEEK

- **Selection of Clubs and Visual & Performing Arts for the session 2026-27 (Classes IX–XII) shared on 17th March 2026**
- **Project - Wings of Kindness shared on 18th March 2026.**
- **Consent for Class X Second Board Examination (CBSE) shared on 19th March 2026.**
