# WEEKLY CIRCULAR SENIOR

5<sup>th</sup> APRIL 2024  
(CIR/PS/121/2023-24)

# ASSEMBLY VI-XII

2 April 2024. The morning assembly on the first day after the session break served as a pivotal platform to welcome everyone back to school and set the tone for the upcoming academic term. School Principal, teachers, and students gathered with enthusiasm, marking the beginning of a new phase in our educational journey. The assembly commenced with a warm welcome from the school Head Mistress (Senior) Ms. Seema Sharma, who extended heartfelt greetings to all present. Emphasizing the significance of the day, she further announced the names of excellence awardees for the session 2023-24. The assembly culminated with blessings from the Principal of the school - Ms. Ruchika Sharma who encouraged students to approach the new term with renewed vigor and determination.

# ASSEMBLY X-XII

3 April-4 April'24. The first students' morning assembly of the session 2024-25 was conducted by Class XIIA students. It was held with great enthusiasm and fervor. It served as a platform for the students to showcase their talents oratory skills pertaining to debating and talk on a famous personality. On both the days the assembly began with news followed by prayer, thought and other speaking skills of that day. The students enthusiastically participated in all the activities and displayed enriching oratory skills.

# OPEN FORUM VI-VIII

This week in the 'Open Forum' the students of classes VI-VIII presented their views on the topic "Is Freedom of speech more important than public safety?". It was an interesting interaction, students enthusiastically shared their opinions on the topic.

# ACHIEVEMENTS

Kartikeyan Kishor of VIIA participated in the RoboCop League held at IIT Delhi. He made a robot for space exploration. We congratulate him for securing 2nd position and a cash prize of Rs 6000.

# CLASS ACTIVITY: VI

On 4/4/24, students of class VIB witnessed the process of Transpiration. This activity involved covering plants with plastic bags to observe condensation, indicating water loss. They also studied stems, leaves, and flowers enhancing their understanding of plant anatomy and functions of different parts of the plant .

# ATL SESSION VI

During the ATL session this week students of class VI were given an introduction to Robotics and branches of Science and the activity taken up is - Metal Testing.

# ATL SESSION VII

During the ATL session this week students of class VII were introduced to Aeromodelling, fluids, Air, Newton's law, and Bernoulli's principle, and the activity taken up is Chuck Glider's discussion. Unlike powered gliders, Chuck gliders rely solely on the momentum gained from a throw by hand.

# ATL SESSION VIII

During the ATL session this week students of class VIII were Introduced to Aeromodelling, fluids, Air, Newton's law, and Bernoulli's principle, and the activity taken up is a full-scale Glider discussion. Full-scale gliders range from sleek high-performance models used in competitions to training gliders for beginners. They offer a serene and immersive flying experience, showcasing the beauty and challenge of unpowered flight.

# ATL SESSION IX

During the ATL session this week class IX was introduced to Aeromodelling, fluids, Air, Drag force, Newton's law, and Bernoulli's principle. The Project undertaken is - Hover Craft.

# ATL SESSION X-XII

During the ATL session this week class X-XI was introduced to aeromodelling, Fluids, laws, principles, forces acting on Drones, and Parts of Drones.

During the ATL session this week class XII was introduced to Aeromodelling, Fluids, force, weight, mass, aerofoil, forces acting on airplanes, and Parts of Airplanes.

# PRAGYAN PLUS INITIATIVE: INTERNATIONAL DIMENSION

The students of Class X participated in an enlightening video conferencing session on the topic 'Health and Wellness' on 3rd April 2024. The session was conducted as part of Recognition of an International Dimension in Schools Programme [RIDS], to promote cultural exchange and discuss the topic of health and wellness from diverse perspectives. It was an engaging discussion with students of CPF: Centre for Positive Future, Philippines. The conversation aimed at increasing cultural understanding and awareness of health practices in different countries. It explored the exchange of ideas and best practices in promoting health and wellness among students. The experience highlighted the importance of global collaboration in addressing health challenges and promoting well-being among youth.

# ALUMNI INTERACTION

It's always overwhelming to see the passouts come back to share their fond memories with their school. The Alumni Session commenced with a warm welcome from the senior coordinator- Mr. Nitin Sahay, followed by a brief introduction of the alumni guests. A moment of ecstasy spread across when the toppers of the school (batch-2018) shared their glorious success with the present batches of IX-XII. The three Alumni viz- Rahul Ahlawat-Investment Banker(IIT pass out), Ashutosh Sharma-commercial pilot and Himanshu Bhardwaj- An Advocate provided valuable insights into their respective fields, shedding light on industry trends, job opportunities, and the importance of continuous learning. They vehemently praised their school and shared their glorious memories. The alumni shared practical advice and tips for academic excellence, career planning, and personal development. An interactive Q&A session allowed students to engage with the alumni, asking plethora of questions about specific career paths, time management and life experiences. The exchange of ideas was enriching and insightful for both parties.

# ALUMNI INTERACTION

# ORIENTATION SESSION CLASS VI

To apprise the class VI parents with the working of the senior department an orientation session for class VI parents was conducted on 6th April 2024. Headmistress Ms Seema Sharma explained the scholastic and co-scholastic areas, hand on lab activities, homework schedule, assessments, parental involvement and societal involvement of the senior students.

# HEALTH CHECK-UP CAMP FOR TEACHERS

A health Check-up camp for teachers was organized in partnership with Fortis Hospital, Greater Noida, aimed to prioritize the health and well-being of our school's faculty members. The camp offered a range of medical services including general physician consultation, gynecologist consultation, optometrist consultation, blood pressure check, random sugar check, eye checkup, and ECG. The camp witnessed enthusiastic participation from the teachers, highlighting their commitment to maintaining good health. Teachers gained valuable insights into their health status and received guidance on preventive measures, fostering a culture of health awareness. The successful execution of the camp underscored the effective collaboration between the school administration and Fortis Hospital.

# ECOLOGY CLUB VI-VIII : GREEN WARRIORS

In the first meeting of the eco-club of this session held on 5 April 2024, the objectives of the eco-club were explained to each member. Students came to know about the importance of the environment in our lives.

# HEALTH AND WELLNESS CLUB VI-VIII: AAROGYAM

On April 5, 2024, the Junior Health and Wellness Club had its first meeting, welcoming new members enthusiastically. They learned about the club's motto and upcoming activities for the year. Everyone shared ideas to improve future sessions. The session ended with some fun games and a nature walk. It was a good start toward a healthier lifestyle.

# COMPUTER CLUB VI-VIII: TECHSPARK

The first session of the TechSpark Club(VI-VIII) started with an introduction to the club's motive and projects to be undertaken this month. Pair of two students were formed in the group. Students will be introduced to Animaker where they can create animated stories.

# READERS CLUB VI-VIII: THE PAGE TURNERS

Student members of the Readers' Club attended their first session of the club meeting on 5th April 2024. The teacher in-charge, Ms. Ritika briefed the members about the aims and objectives of the club. They were told about various genres in both English and Hindi. They were also given a brief introduction of various English and Hindi authors. They were encouraged to share their expectations from the club and what made them join the Reader's Club.

# INTERACT CLUB VI-VIII: HELPING HANDS

"Being of service to others is what brings true happiness". With this thought in the young minds, the first meeting of the Interact club was conducted on 5th April, 2024 highlighting the motto of the club. The awareness about various projects that the club works for i.e. "Granthalaya", "Sanjeevni", "Association with Robinhood Army", various donation drives to name a few, were explained to the learners. The ideas given by them were appreciated and welcomed for the upcoming projects and they have been asked to prepare a topic for "Each One Teach One" for the upcoming week.

# ECOLOGY CLUB IX-XII: GREEN WARRIORS

The inaugural meeting of the Ecology Club convened with a mission to safeguard Earth and promote sustainability. Students gathered to embark on a journey of environmental stewardship, guided by a comprehensive plan for the upcoming year. Central to the discussion were the pressing issues of water scarcity, air pollution, and environmental degradation. Through insightful exchanges, participants shared perspectives, fostering awareness and igniting a sense of urgency among peers. Various initiatives were outlined to address these challenges. Plans include establishing compost pits to reduce organic waste, organizing e-waste collection drives to promote recycling, and creating awareness posters to educate the community. The meeting served as a catalyst for action, inspiring students to actively engage in solutions for a greener future. As the club sets forth on its mission, it aims to not only mitigate environmental crises but also foster a culture of sustainability within the school and beyond. With determination and collective effort, the Ecology Club endeavors to leave a positive impact on the planet, one step at a time.

# ECOLOGY CLUB IX-XII: GREEN WARRIORS

# HEALTH AND WELLNESS CLUB IX-XII: AAROGYAM

With the beginning of new academic session “Health and Wellness Club” senior wing geared up and conducted an introductory session for the students with a mission to foster a supportive environment where students can explore and engage in activities that promote holistic well-being. Through education, encouragement, and empowerment, we aim to equip our students with the tools and resources necessary to lead balanced and fulfilling lives. Following points were discussed with the students: Physical fitness, nutrition education, mental health, community building, awareness campaigns. In the end students were encouraged to give their suggestions and inputs.

# ATL CLUB IX-XII: THE INNOVATORS

The students were given an introduction to the club. The following activities were discussed for the next session.

1. Mixing of color with the motion and students will get the idea of Dispersion and recombination of light.
2. Making Rocket with the understanding of Newton's third law of motion.

# JOURNALISM CLUB IX-XII: THE BROADCASTERS

5 April 2024. The Broadcasters- Journalism club had its first session. It commenced with a brief introduction to the Journalism Club, highlighting its purpose, goals, and the significance of promoting journalistic skills and ethics among members. Each member had the opportunity to introduce themselves, sharing their interests in journalism and what they hope to gain from participating in the club. To ensure effective planning and execution of activities, committees were formed with interested members volunteering to lead or participate in specific areas such as weekly circulars, interview sessions and content creation. It was sure that the club is poised to achieve its objectives.

# INTERACT CLUB IX-XII: HELPING HANDS

Interact club conducted its first meeting of the session on Friday 5th April. Incharge of the club welcomed the Interactors and briefed about the club and Interact Goals. Interactors enthusiastically participated in the discussions and gave ideas for upcoming projects.
