Classes I - II

As part of the **morning assembly on 7th January 2020**, the teachers of the **Primary Department** welcomed the students back to school after their winter vacation by conducting the morning assembly. The inspirational thoughts, talk and a medley of songs motivated the students towards maintaining a positive approach and the students enjoyed listening to a lovely poem in Hindi. The school Headmistress culminated the assembly by sharing her words of wisdom and extended a hearty **'Welcome Back'** to school to all the little ones.

"Music is everywhere!"
Students of class I learnt to play different instruments on the beat of sargam.

Students of class IIC enjoyed making **comic strips** of different stories as a part of their **English activity** and narrated the same to their classmates.

Students of class II A learnt about **plants and it's different parts** in their multimedia class. The students also participated in an activity where they were suppose to categorize various plant products.

Yoga keeps control of our body as well as mind. It is a great channel for releasing our stress and anxiety. With this motive students of **class I** performed different aasanas during their first **yoga** session after the winter break.

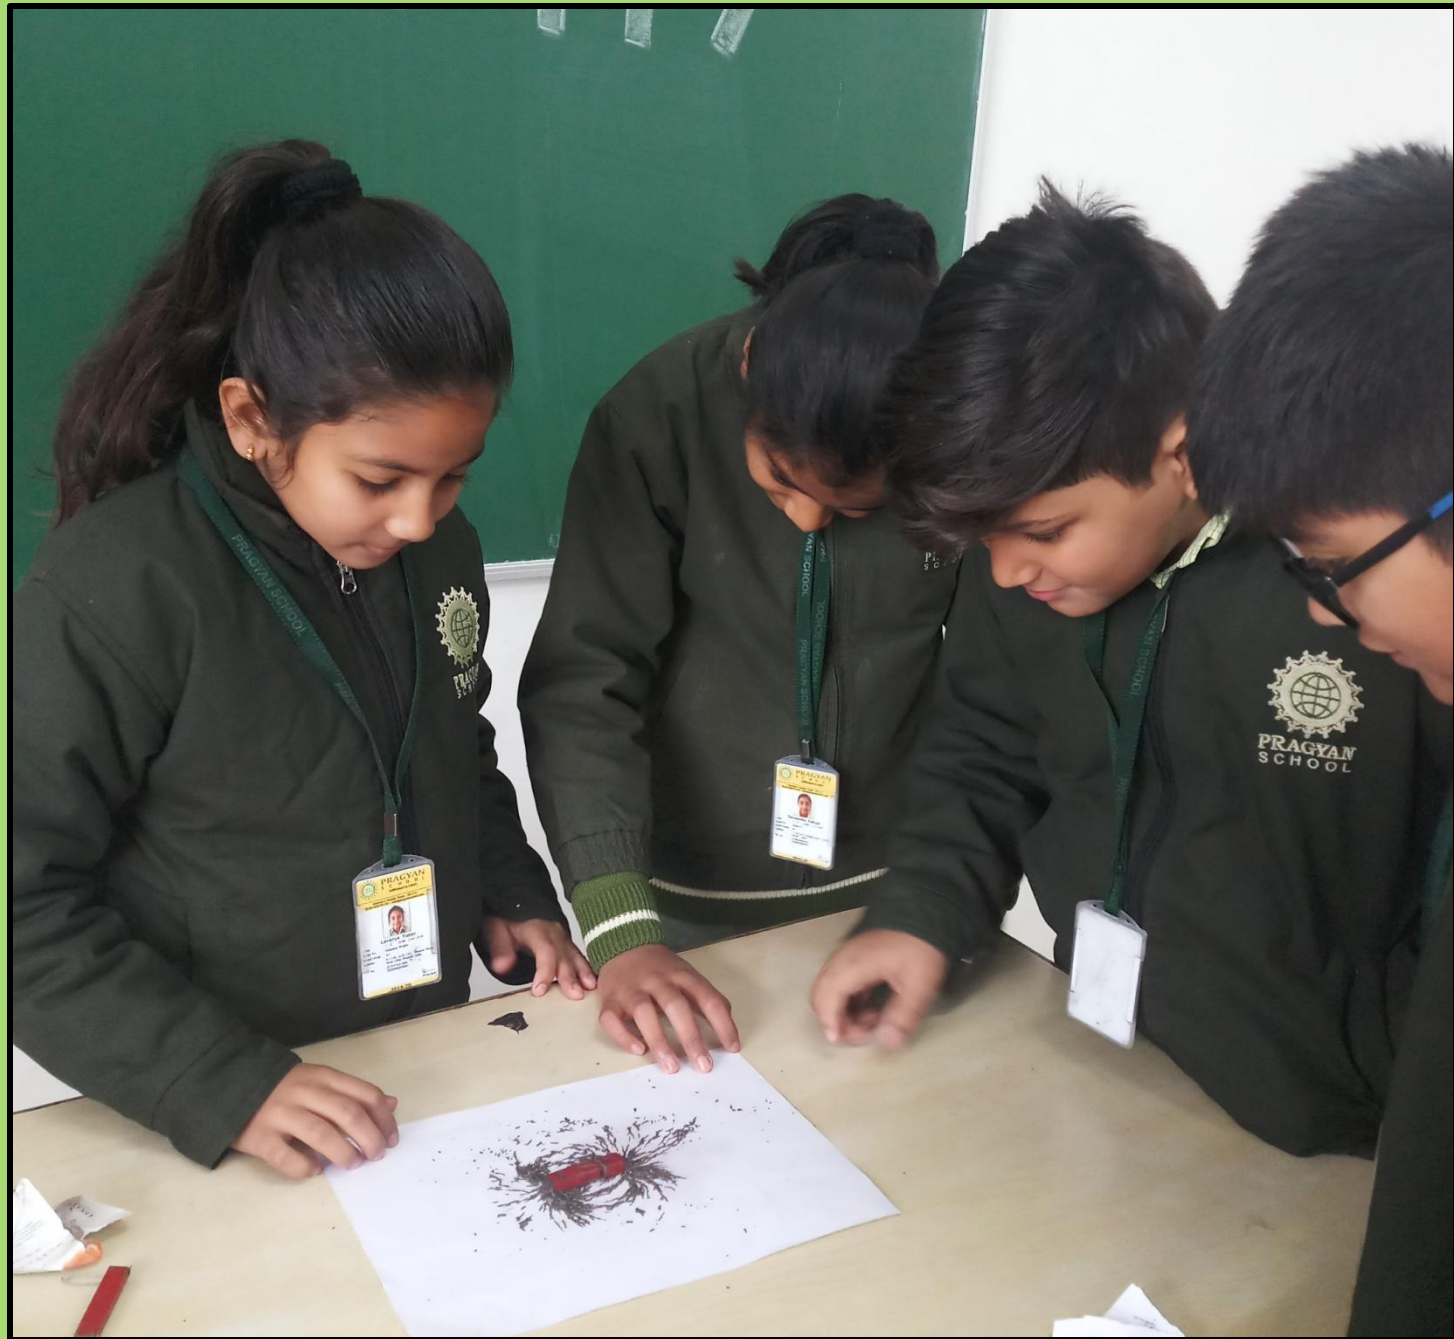

2020/1/10 08:39

Classes III - V

The students of **class III C** conducted the morning assembly on the topic '**Means of transport and Communication**' on 7th January 2020. They presented a skit on various means of transport and road safety measures. They also presented talk and poems on "**road safety**" and "**sanchar ke saadhan**".

To demonstrate the **properties of a magnet**, an activity was conducted in **class V** in which the students used **iron filings and bar magnet** to prove that **like poles repel and unlike poles attract** each other. The formation of **magnetic lines and magnetic field** were also demonstrated.

Students of **classes III B and III C** narrated **folktales of India and around the world**, as a part of the **English activity** done in the class. They even used beautiful drawings and hand-made flashcards and puppets as props.

Classes VI - XII

✓ **Pen Paper Test 3** for classes VI to IX will commence from Monday, 13th January 2020. The datasheet has been mailed to the parents earlier and students were also informed about the same.

✓ We are pleased to inform that the following students from **classes VI to XI have been selected for the second round of SOF Science Olympiad**. The detailed result of selected students for the second round is as follows:
