“Dancing is creating a sculpture that is visible only for a moment.” – ErolOzan

Students of class 1 enjoyed dancing to the tune of “Achyutam Keshavam” during their dance class. They learned few steps and twirled around for the upcoming Janmashtami festival.

During English online class, students of class 2 revised the concepts of gender and singular/ plural on the Nearpod platform using the in-built features Collaborate Board and Trim video. It was a fun filled activity, where students enthusiastically participated and independently managed to complete the task.

### पठन कार्य

20-6-21

आज रक्षा बंधन है। यह भाई - बहन के प्यार का त्यौहार है। देविका बहुत खुश है। वह आज अपने भाई को राखी बांधेगी। उसने लाल घाघरा, चुनरी और चूड़ियां पहनी हैं। वह बाजार से भाई के लिए सुंदर सी राखी लाई है। मां ने आज अच्छे-अच्छे पकवान बनाए हैं। देविका ने भाई को तिलक लगाया, आरती की और राखी बांधकर मिठाई खिलाई। भाई ने देविका को उपहार में गुड़िया दी।

**क.का.**

साथों के आगे दिए गए सवालों की सहायता से प्रश्नों के उत्तर लिखो।

प्र.1. इसी आहार में किस द्रव्य है ? (कौन, क्या)

प्र.2. लौरी का रंग किस द्रव्य है ? (रंग, नाम)

प्र.3. इसी शब्दों की जोड़ी है ? (कौन, जो)

प्र.4. कौनसा द्रव्य कौनसा द्रव्य है ? (कौन, लौरी)

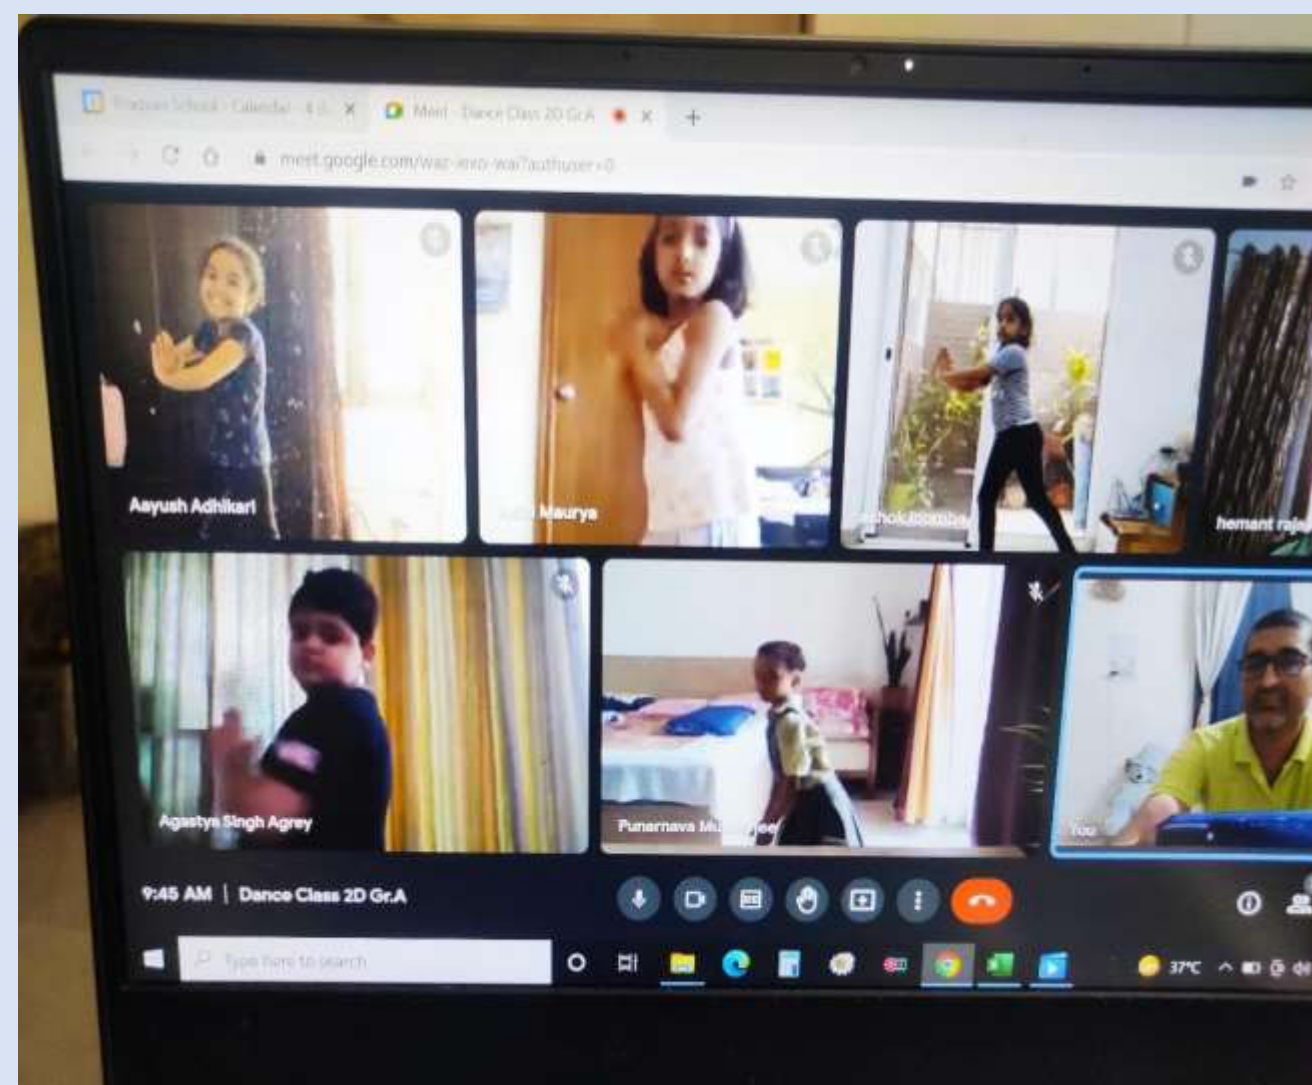

प्र.5. लौरी के रंग कौनसा द्रव्य है ? (रंग-कौन, गुणवत्ता)

Students of class 2, during their Hindi online class were introduced with- Visheshan and also practised the same along with reading. They enjoyed doing a quiz watching a story on Google Quiz platform.

Students of Class 2 learned some more variations of hand gestures. They learnt some new steps and movements along with the revision of ongoing dance steps.

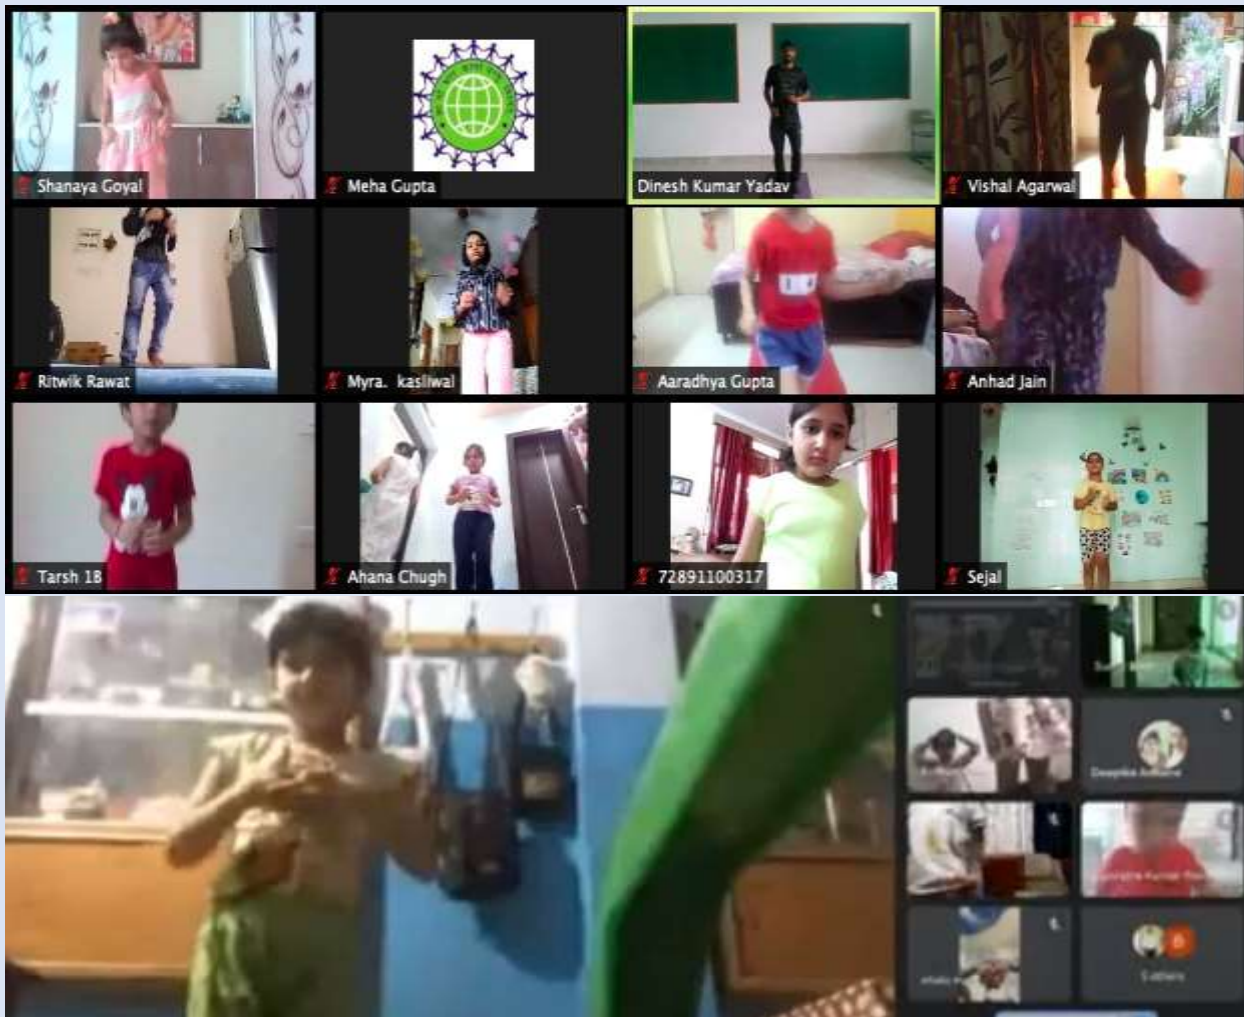

# ART CLASS (1 & 2)

Raksha Bandhan is a special occasion to celebrate the virtuous bond of love between a brother and a sister which is one of the deepest and noblest of all human emotions.

To celebrate the essence of this festival, a 'Rakhi Making Activity' was organized for the students of Classes 1 & 2. The students made beautiful Rakhis using different articles like silken thread, glitter sheets, ribbon, etc. The children thoroughly enjoyed this activity.

# PHYSICAL EXERCISE/ WELLNESS PROGRAMME (1 & 2)

Stretching keeps the muscles flexible, strong, and healthy, and we need that flexibility to maintain a range of motion in the joints. Without it, the muscles shorten and become tight. Children of classes 1 and 2 enjoyed doing stretching exercises by participating in the Wellness Programme (Flexibility and Strength) on 21st August, 2021.

# COLLABORATIVE ACTIVITY- JANMASHTAMI AND RAKSHABANDHAN

Students of grade 1&2 had a Collaborative session on 21st August, 2021 and were informed about Rakshabandhan and Janmashtami, through PPT and video. The history behind both the festivals were discussed in class and as students too were in a festive mood, even they shared their preparations and plans for the upcoming festivals.

The students also got an opportunity to show love, happiness and bond, by making a rakhi for their siblings during the session.

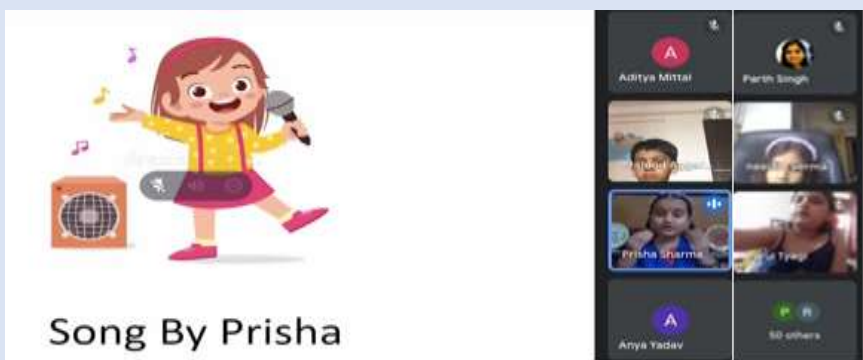

# CLASS ASSEMBLY /CLASS TEACHER PERIOD(1&2)

No significant learning occurs without a significant activity which adds value to education. During the weekly Class Teacher's period, Circle time was conducted on- "Things I would do, if I become invisible for a day", where children got an opportunity to speak about their wishes and give wings to their imagination. As a part of Value Education, students of classes 1 and 2 were briefed and sensitized about the moral duty and responsibility as an Indian National. A PPT on the relevant topic was also shown to the students.

Morning assembly undoubtedly holds the numero uno position out of all the routine activities in a school. It aids community participation as well as hones the oratory skills of children. Keeping up with the same, the students of class 1C conducted their class assembly on 19.8.21. The topic of the assembly was 'Raksha Bandhan'. The assembly commenced with the Morning Prayer which is believed to provide peace and serenity to our minds and souls. The students presented news, thought, poems and had put up stories behind Raksha Bandhan followed by mesmerizing dance performance and song based on the festival of siblings. The energy of all the performances were contagious which left the audience in awe of them.

# INTER-CLASS WEEKLY ACTIVITY (1&2)

Quiz, help with concentration, build confidence and help children retain information. What's more - they're fun! Students of classes 1 and 2 had their online EVS quiz on Wednesday, as part of their Inter class weekly activity, where they were asked a series of questions based on the lessons taught during the class. The activity was divided into 3 rounds, that included Rapid fire, visual round and written round on the platform Google form. Students answered questions confidently and enjoyed the activity.

A person who makes furniture for us.

PRAGYAN SCHOOL

# INTERSCHOOL COMPETITION

Competitions are always a great motivator. Students of classes 1 and 2 participated in different Inter school competitions this week. The students were given thorough practices by their teachers and later they got an opportunity to compete and showcase their talent in different fields of activities with students of other schools.

Some of the students who participated and brought accolades to school were:

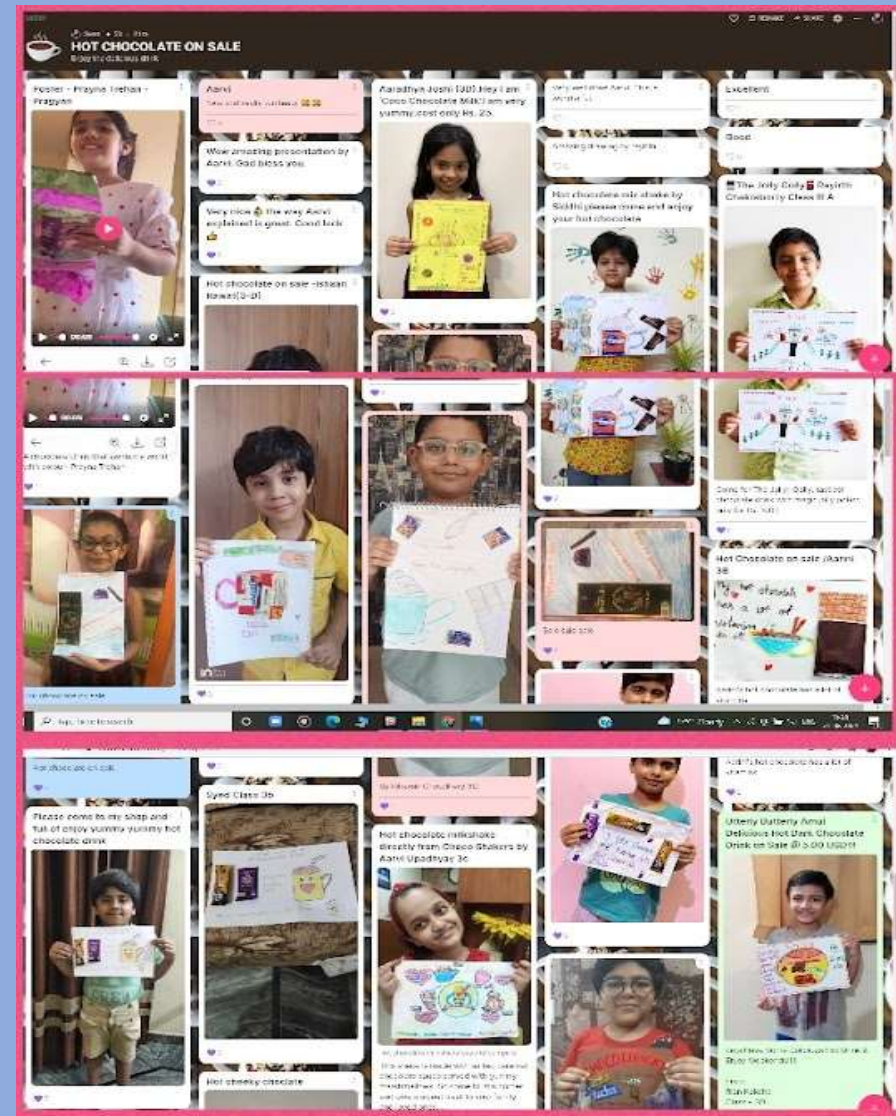

<b>Names/ Class</b>	<b>Position</b>	<b>Activity</b>	<b>Host School</b>
Oudvikaa Gahlan 2C	First	Manifest - Show and Tell	Indirapuram Public School.
Ahana Chugh 1C	Second	Cosplay	Indirapuram Public School
Reyaansh Chhabra 1C	Partici pation	Enactment- wings to imagination	JPS Noidal
Lavanya Sharma 2C	Partici pation	Hindi Poem recitation	Sapphire International School

# INTERSCHOOL COMPETITION

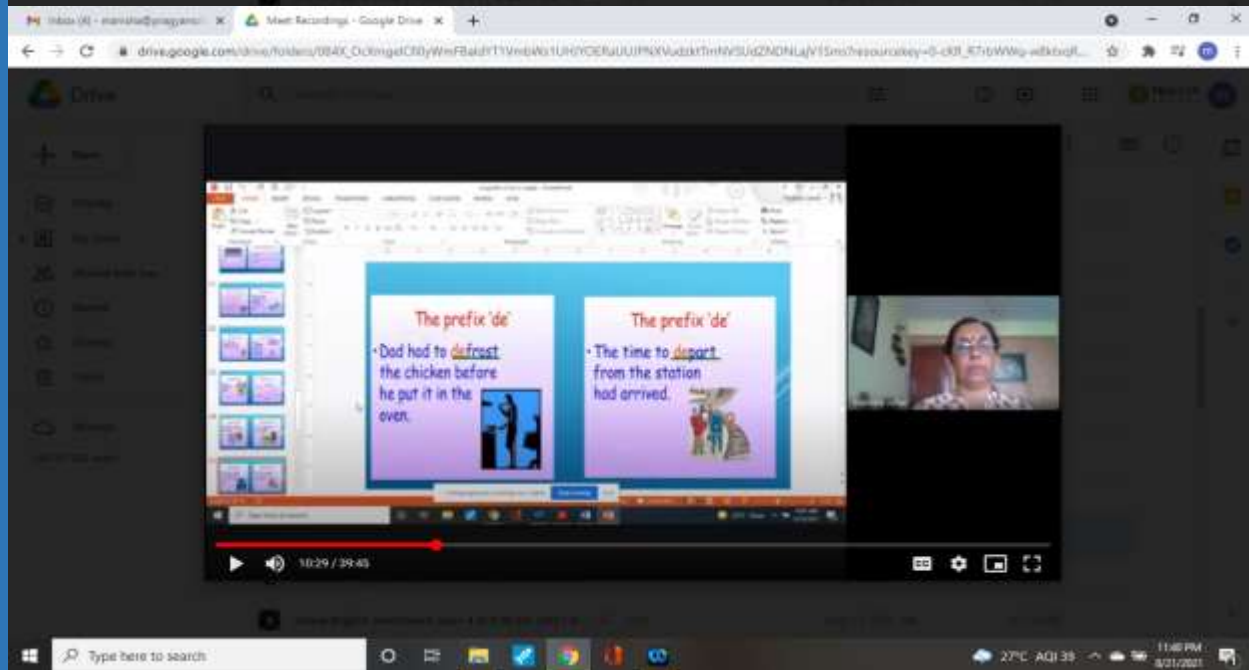

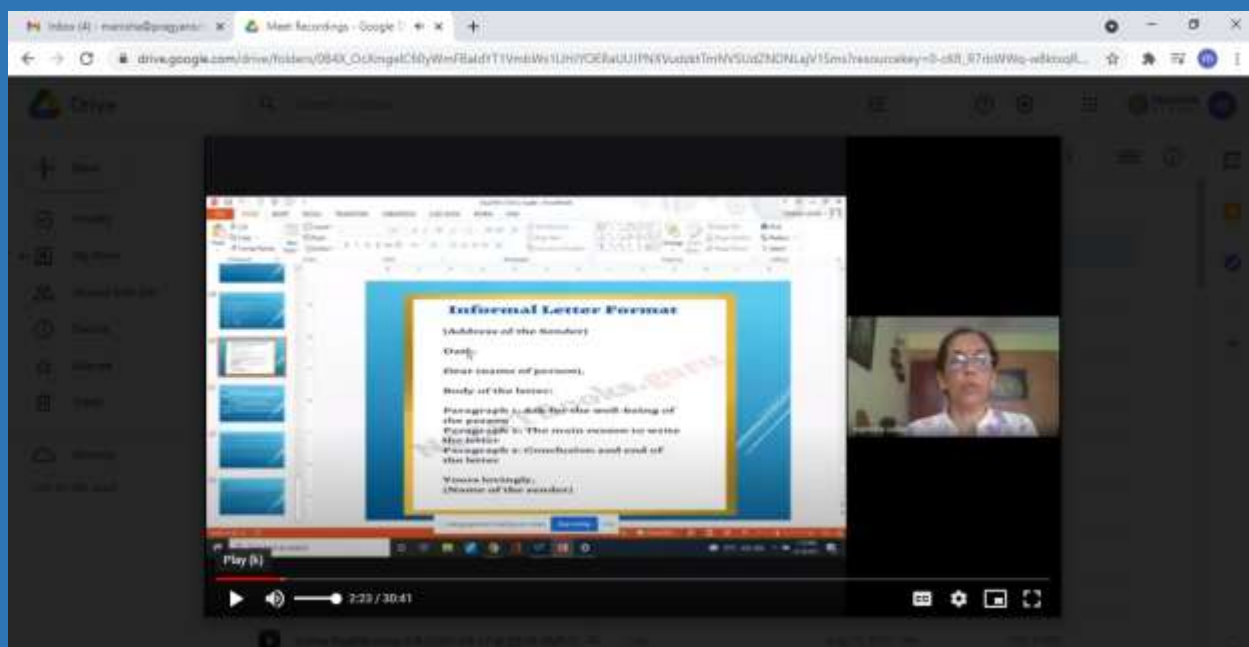

Students of class 3 were introduced to the grammatical concepts of Gender. They learnt about the Masculine, Feminine, Common and Neuter Genders through ppt and video. They revised the chapter 'The History of Chocolate' and wrote a paragraph on Visit to a Magic Land. They even did written exercises on Articles. The students enjoyed doing the activity of the month-Making a collage of a hot chocolate on sale. They named their hot chocolate and mentioned what makes their drinks special. They shared their activities in the class and uploaded on the padlet link shared with them. They revised the concept of Punctuation through a quiz conducted on Quizizz platform.

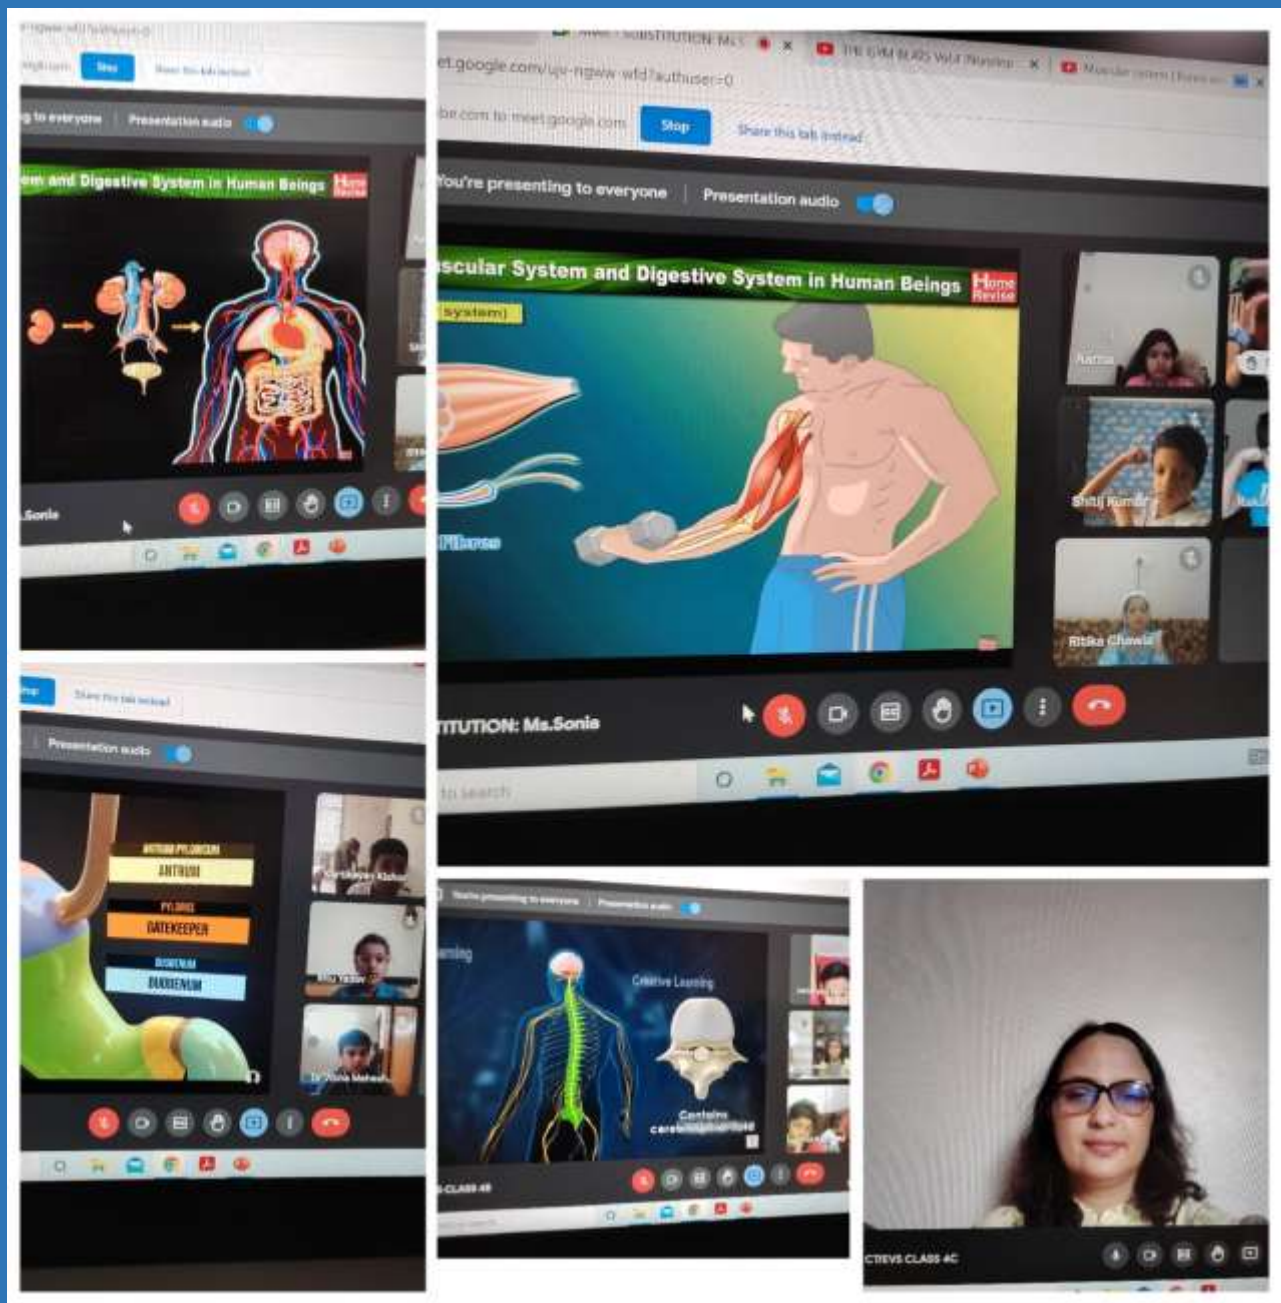

Students of class 4 were introduced to the concept of prefixes. Related PPT and video was shown to explain the topic. They did oral and written task in the notebook. Lesson Rainmaking was introduced to the students. Individual reading was done. Students were also taught to write an informal letter. Worksheet was solved of the topic Synonyms. They also enjoyed revising the concept of genders on the quizizz platform.

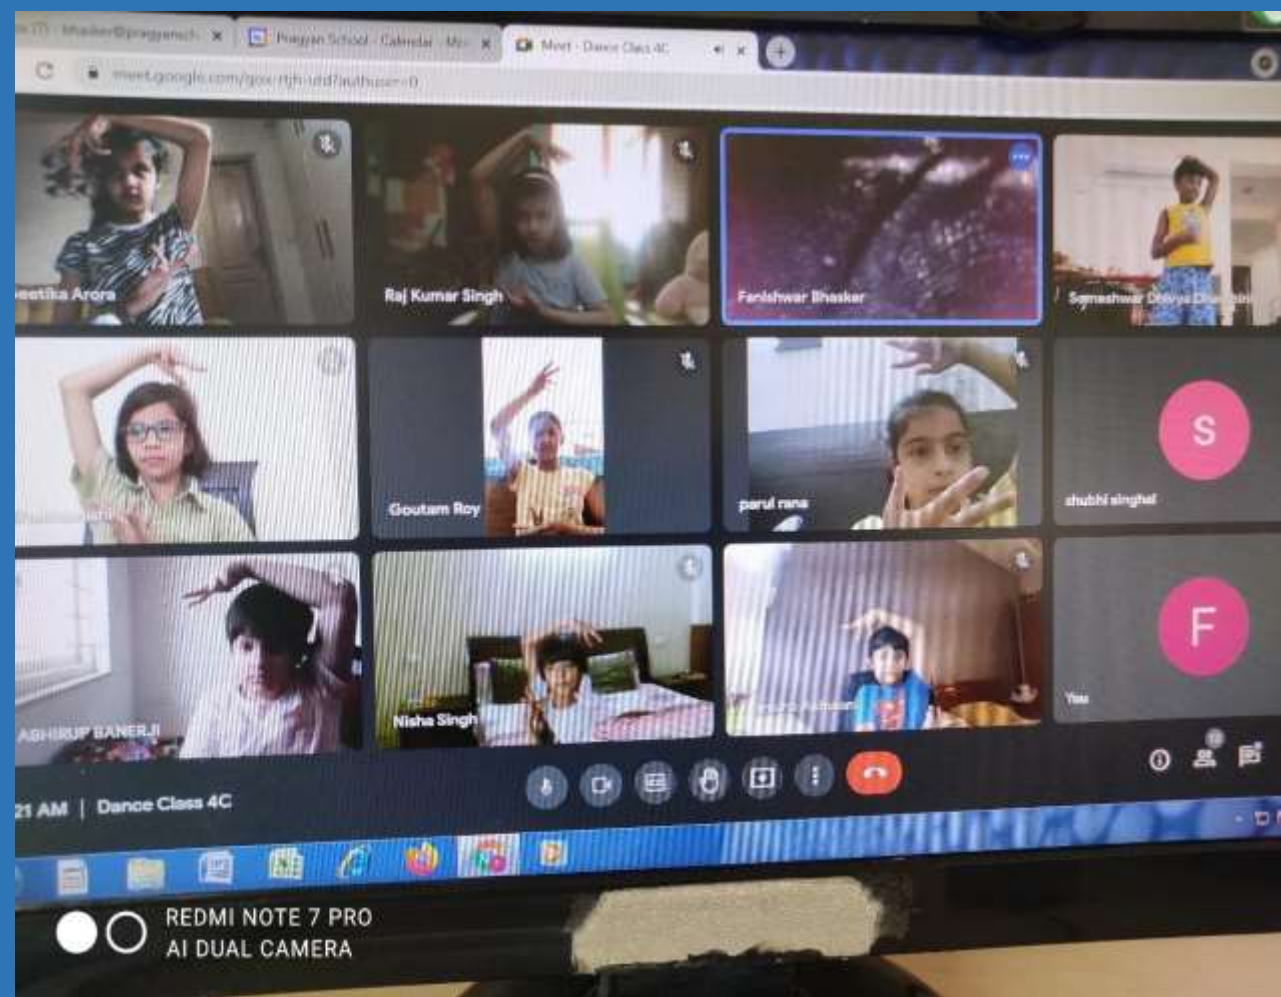

# ENVIRONMENTAL SCIENCE

Class 4 students studied the chapter Human Body in their regular online EVS classes. They studied the different organ systems like excretory system, circulatory system and the central nervous system. The students were also shown the ppt and the videos related to the topic taught in the class. They also enjoyed doing a quiz on the topics studied in the class.

Students of Class 4 learnt some more variations of hand gestures in their dance class. They also revised the ongoing dance steps and learnt more about contemporary and fusion music.

Students of grade 5 were introduced to the German fairy tale, ‘Doctor Know - It - All’ during their English Class. They read this humorous story and learnt how luck can change a man’s fortune. They also wrote the question - answers of this chapter. They did a worksheet on adjectives in their workbook. They also enjoyed playing a quiz on adjectives on the quizizz platform. Students read a few pages of the reader, ‘The Adventures of Huckleberry Finn’ too.

2. 'Well, Doctor, you've guessed it!'

a. To whom is this statement addressed?  
Ans. This statement is addressed to Fish.

b. What did the listener say before this statement was made?  
Ans. Before this, the listener had said, 'Oh, you poor Fish! You're done for!'

c. What was there in the dish that the listener had to guess?  
Ans. There was fish in the dish that the listener had to guess.

A. Answer the questions in a few lines.

1. What worldly possessions did the poor peasant possess?  
Ans. The worldly possessions that the peasant had were a patch of woodland, a cart and a pair of oxen.

2. What did the doctor ask Fish to do in order to become a Doctor?  
Ans. The doctor asked Fish to sell his two oxen and the cart. With that money, he told him to buy some fine clothes, a few medicine bottles, pills, substances and ABC books. He also asked him to get a board with the words 'I AM DOCTOR KNOW-IT-ALL' painted on it and nail it over his door.

3. Why did the lord come to Fish?  
Ans. The lord came to Fish because he thought the Doctor will be able to tell him who stole his money.

4. What did Fish do when he heard the knock at his door?  
Ans. Fish opened the door when he heard a knock on it.

5. Why did Fish excuse himself from the table?  
Ans. The fourth servant winked at Fish and Fish excused himself from the table and followed the servant into the kitchen.

# हिन्दी

Students of class 5 revised the topic of 'Sarvanam' and 'Visheshan' in grammar. They did fill in the blanks, make sentences and paragraph writing. They also studied the poem of the month. Students showed a lot of interest in Quizizz and Kahoot through which they were given quizzes.

**सर्वनाम अभ्यास कार्य**

परिभाषा: जो शब्द संज्ञा शब्दों के स्थान पर प्रयोग किए जाते हैं, उन्हें सर्वनाम कहते हैं। कुछ प्रमुख सर्वनाम

एक ही, एक ही, एक ही, एक ही

# ENVIRONMENTAL SCIENCE

Students of grade 5 were introduced to the deserts of the world with the introduction of Lesson 6: The Deserts. The location and climatic factors of the deserts were discussed in detail. The students were thrilled to learn about the three categories of deserts-hot, temperate and cold along with their examples and location in a world map. The various special adaptations of the plant and animal life of this region was also taken into consideration. An online quiz on the previous topic of Temperate Zone was conducted using the Quizziz platform to recapitulate the concepts learnt last week.

5C Online EVS Class (2021-08-18 at 21:19 GMT-7)

**L-6: The Deserts**

**Plant Life:**

- Desert plants have adapted in order to get as much water as possible and also to reduce water loss.
- Some plants have long roots that can reach deep within the soil to obtain water, while others have branched roots to get water over a wide area.
- Some plants have needle-like leaves to reduce water loss.
- Some cacti have a thick layer of wax on their stems and leaves to retain water and as a form of protection from the strong sun.
- Many desert plants store water in their swollen stems or leaves

5C Online EVS Class (2021-08-18 at 21:19 GMT-7)

**L-6: The Deserts**

**Animal Life:**

- A large variety of animals, birds and insects, such as **camels, foxes, hyenas, hedgehogs, snakes, spiders and scorpions, are found in the hot desert.**
- To avoid the heat, some small animals live in underground shelters, where the temperature is much lower than that on the surface.

5B Online EVS Class (2021-08-17 at 23:36 GMT-7)

**L-6: The Deserts**

**Location:**

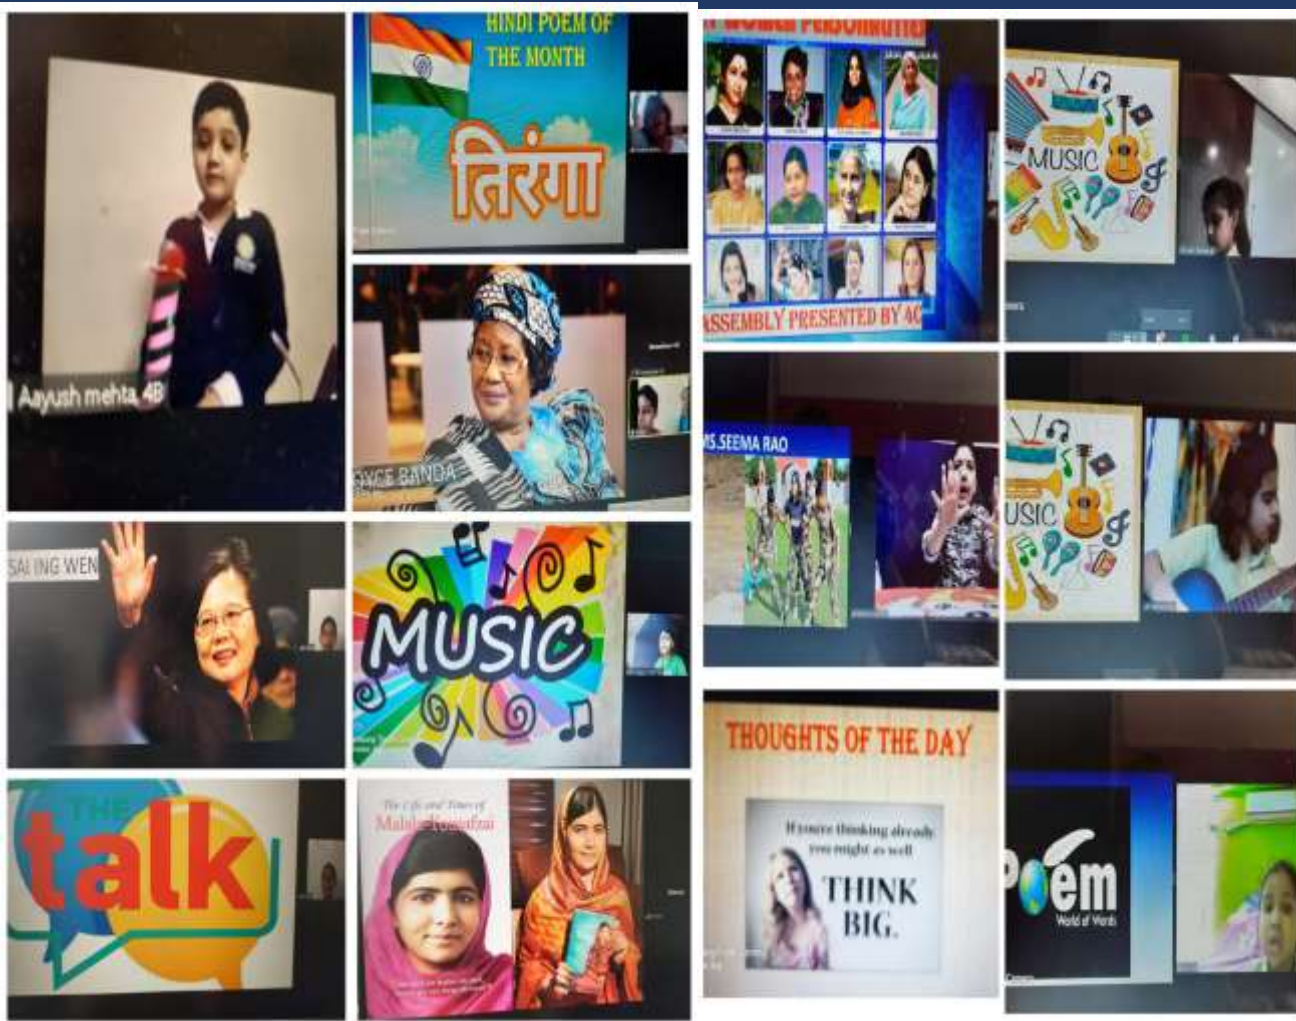

- Deserts occupy about one-third of the Earth's surface.
- They are mainly found around the Tropic of Cancer and the Tropic of Capricorn in the northern and southern hemispheres, respectively.
- This region receives less than 250 mm of rain a year.
- The rainfall pattern is not a seasonal one. Instead, rain usually occurs as sudden, violent thunderstorms.
- Deserts are usually located on the western side of the continents.

# WEEKLY ASSEMBLY

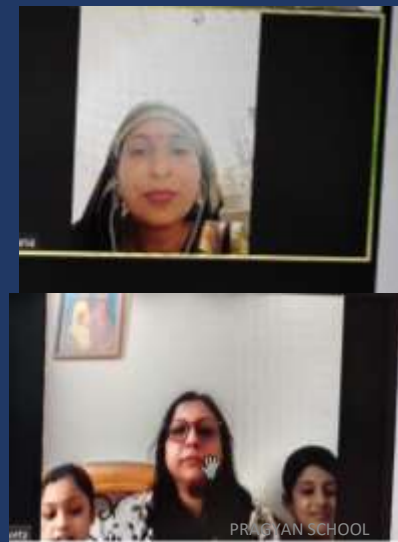

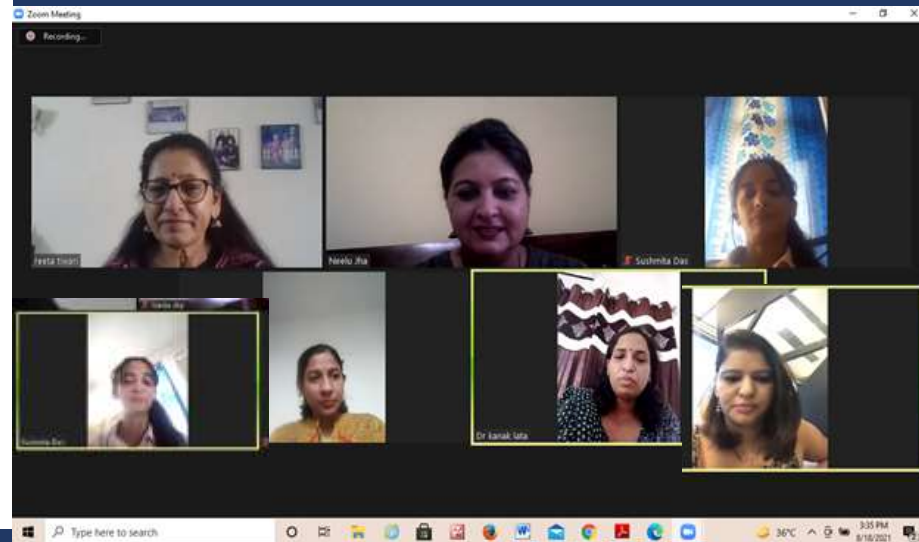

## CLASS – 4C

The class assembly of 4C was held on 12.8.2021 and 19.8.2021 on the topic EMINENT WOMEN PERSONALITIES. The assembly started with a prayer- All things bright and beautiful followed by the refreshing thoughts by the students. Sanskrit shloka on the power of women was presented by Pragnya Awasthi. News updates were given by the students. Aaliyah, Gauri and Saraansh gave wonderful performances on piano and guitar. A beautiful song was presented by Jahanvi. The students gave a wonderful talk on the eminent women personalities like Dr. Kiran Bedi, Gunjan Saxena, Arunima Sinha, Seema Rao, Joyce Banda, Sai Ing Wen and Malala. A beautiful poem- If women were stars, Tiranga and Kalpana Chawla was recited by Yshika Goel, Ishanvi Singh and Jahanvi. Aayush Mehta presented the working model of wind turbine made by him on SDG goal 7. The assembly concluded with the birthday wishes and the words of wisdom by Divya Ma'am.

# PARENTS TEACHER MEETING

The virtual PTM for the classes 3A, 3B ,4A, 4C,4D, 5A and 5B were held during the last week. The parents got an opportunity to meet the respective class teacher and the subject teachers to discuss the performance of their wards in different subjects. The parents were very happy and satisfied with the way the classes are being conducted and gave very positive feedback. They provided their valuable suggestions and positive feedback about the ongoing online sessions.

# CLASS TEACHER PERIOD (3-5)

Students of classes 3-5 had theme-based Class Teachers' periods from Monday to Wednesday. The topic for the Circle Time on Monday was Importance of Family and Friends. The students were briefed that we need family and friends as pillars of support, especially in difficult times. Having a strong network of supportive family and friends helps enhance our mental well-being. It is important to surround ourselves with family and friends for support and comfort in both times of joy and distress. They even spoke on the qualities of a true friend and the efforts they make to keep their family happy. The topic for Tuesday's Value Education continued with the fervour of Patriotism. They penned down their thoughts on what makes them proud to be an Indian and shared them in the class too. The General Awareness session on Wednesday was Seven Wonders of the World for class 3, Museums Around the World for class 4 and Virtual Tour to NASA for class 5.

# ART AND CRAFT (3- 5)

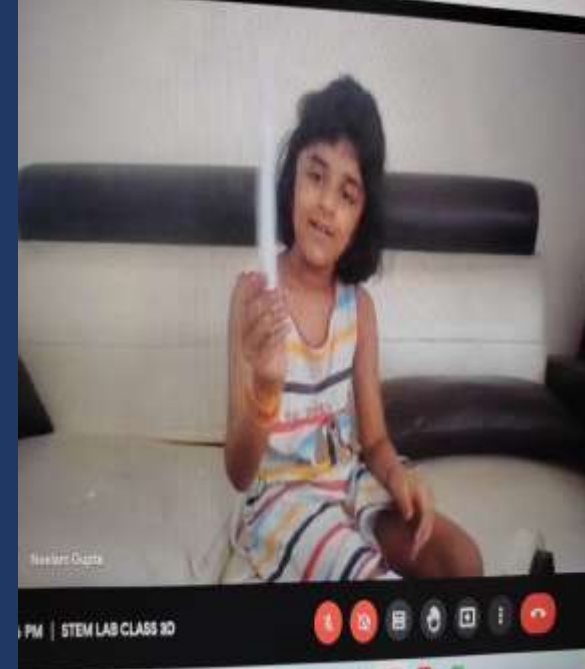

Students of classes 3 to 5 learnt to do vegetable printing. They made beautiful rakhi for Raksha Bandhan. They also learnt to do blending with colours

# STEM AT HOME

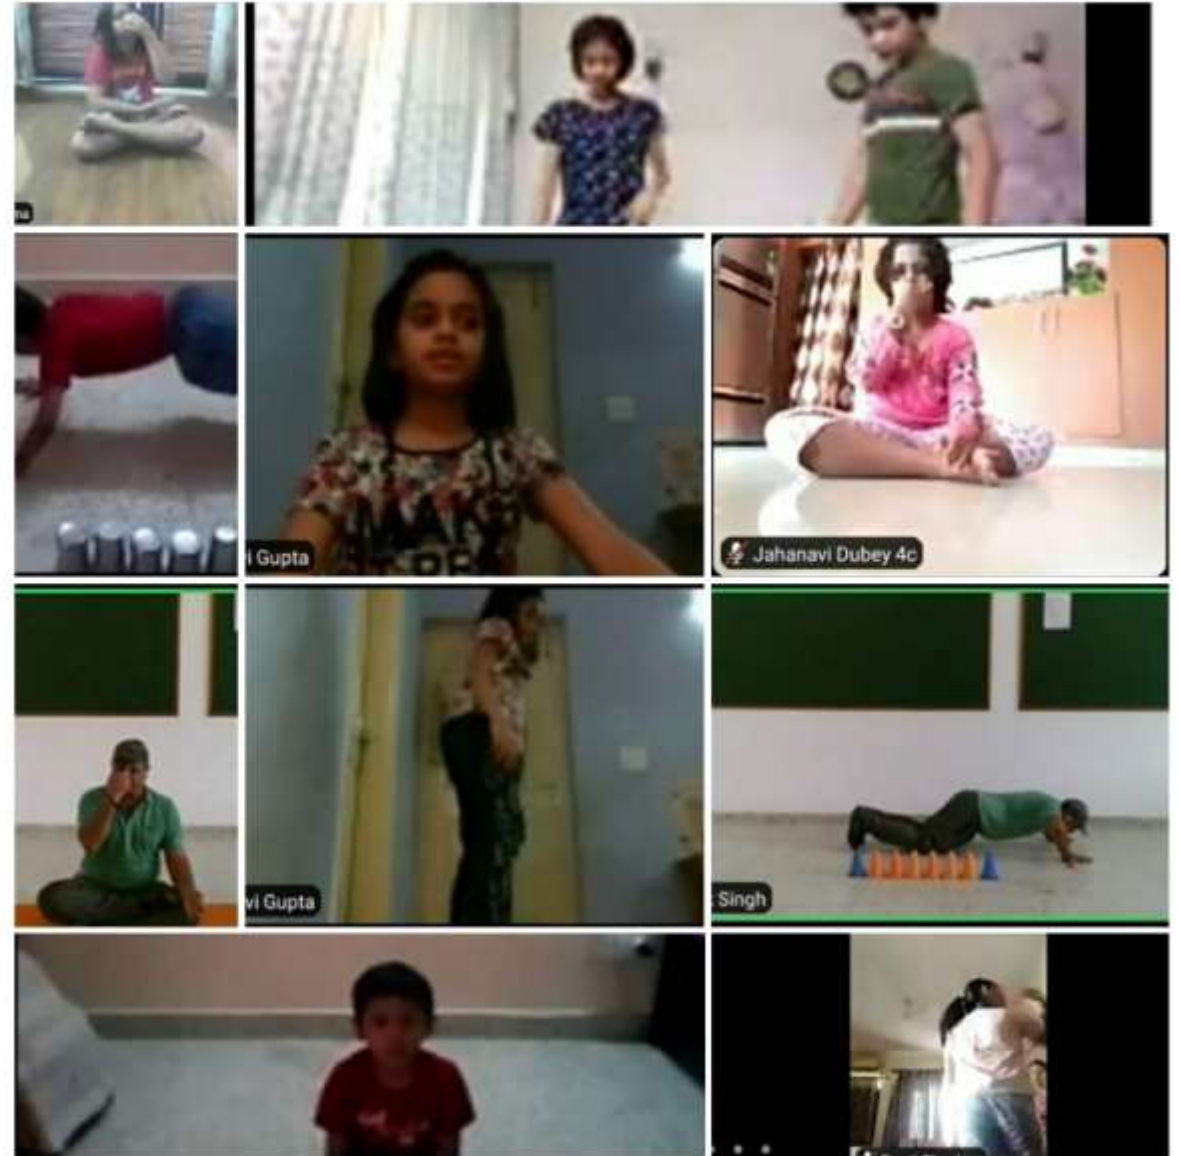

## (3- 5)

The Stem at Home Sessions for the month of August initiated this week to encourage students to explore their experimental skills. Students of grades 3 to 5 participated enthusiastically in doing hands - on experiments with various household items. Experiments like paper gun, experiments on air pressure and sound creating set up were performed by the students under the able guidance of the Stem Lab Trainers.

# WELLNESS PROGRAMME (3- 5)

This week's wellness programme focussed on physical fitness. It was conducted for the students of classes 3-5 by Mr. Ashok on 21st August, 2021. Students learnt to develop both static and dynamic flexibility and strength at their home with the use of props and music. They did head to toe joint stretching exercises for flexibility and also learnt how to develop upper and lower body strength.

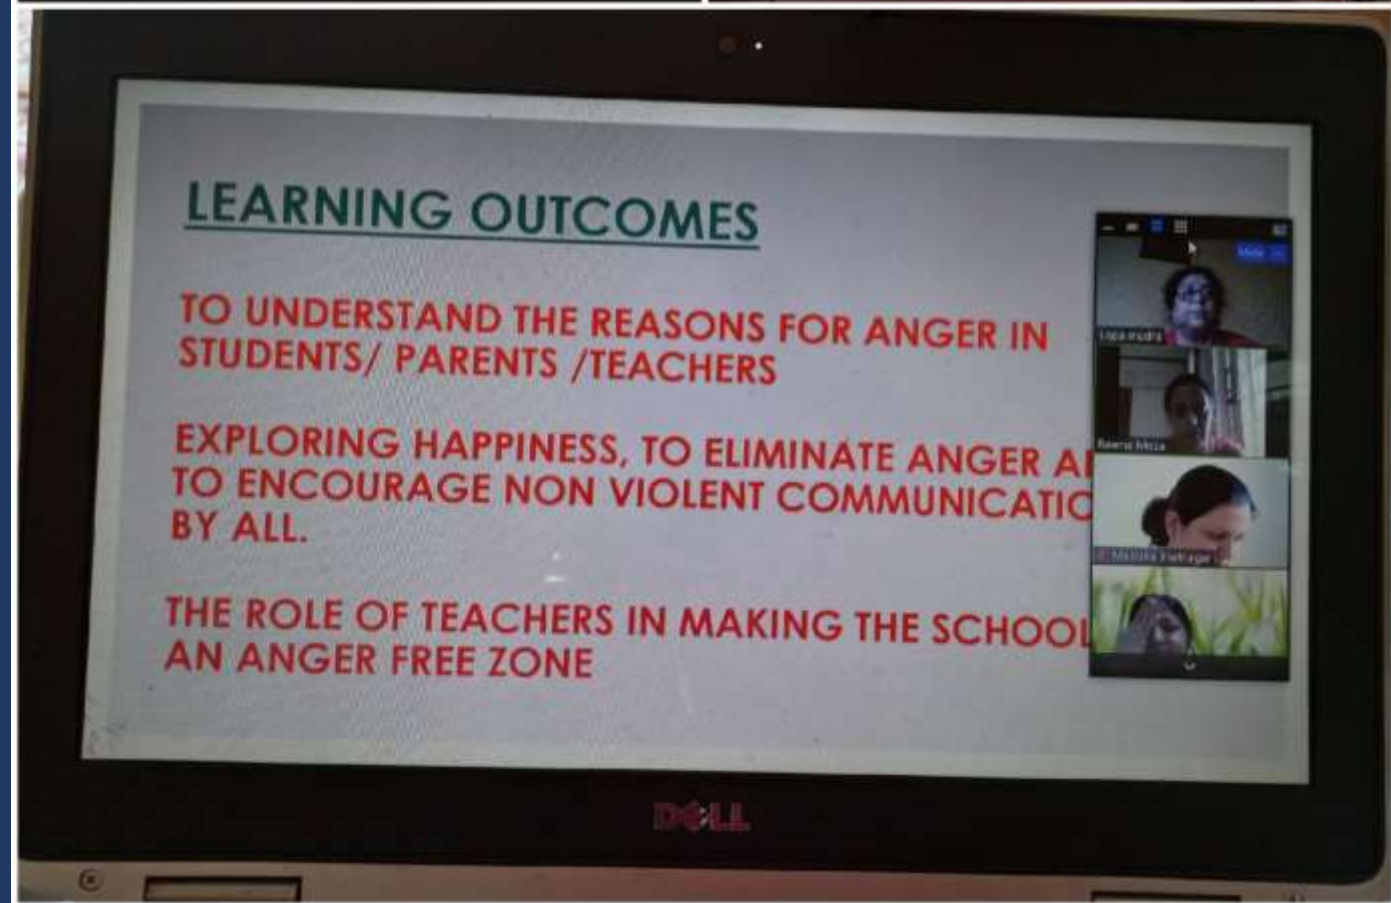

# WORKSHOPS

Ms Deepa conducted a workshop on different techniques of zoom.

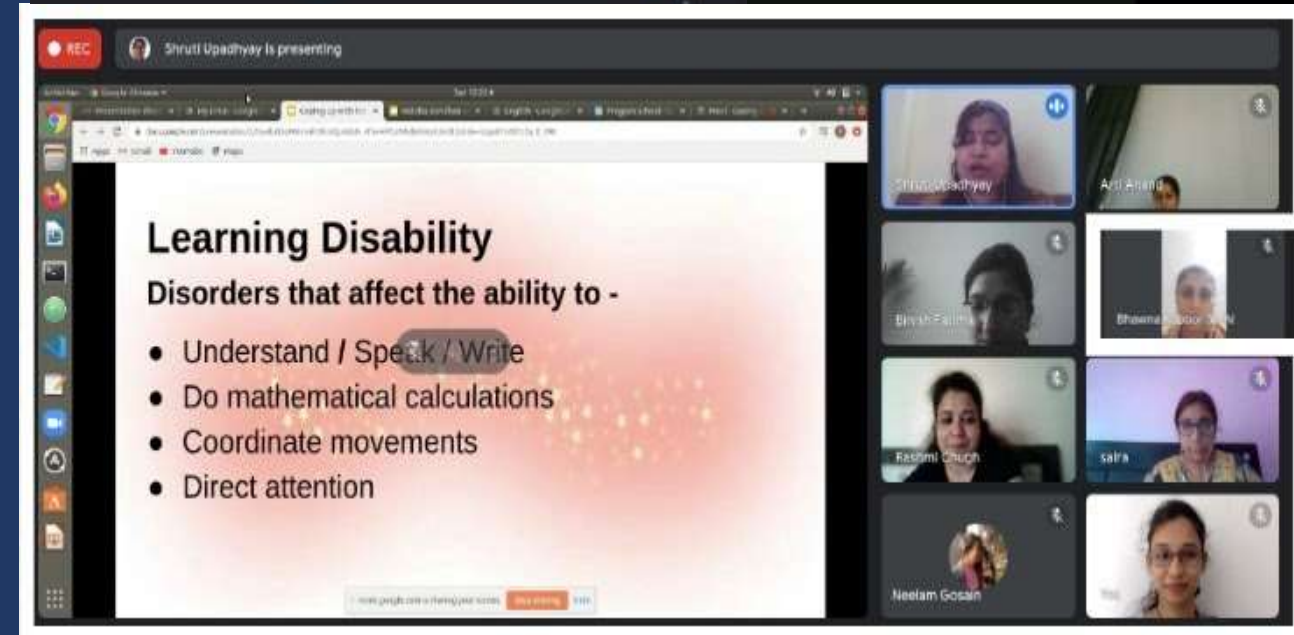

Ms Komal conducted a workshop on Hindi vyanjan . She explained how to introduce Vyanjan in the class.

Ms Reema took a workshop on Anger free School. She explained “Anger management is the process of learning how to recognize signs of anger and taking action to calm down and deal with the situation .

# WORKSHOP ON LEARNING DISABILITY - 1 & 2

A workshop was taken by Shruti Upadhyay on the topic 'Coping up with Learning disability' on 21st August 2021. Learning is a natural process which happens automatically. It was also discussed that sooner we identify the learning disability, effectively we can work on it. Creating a positive and happy environment is very important to deal with learning disabilities. An educator should be approachable to each and every student of the class.

# CBSE WORKSHOPS

Ms Komal pasricha attended a CBSE workshop on Teaching strategies in Hindi secondary level.
