TIP OF THE WEEK

3 Tips to Support your Child this Exam Season

1. Don't Compare
Is your reference point of success always someone else?
Is that helpful in raising confident children to succeed beyond exams?

2. Acknowledge Anxiety
When you dismiss your child's anxiety, the message you're conveying to them is that they're all alone and they have to deal with their anxiety by themselves."
~ Dr Chinwe Williams

3. Share the Calm, not the Chaos
If you are stressed, your child gets stressed too. Breathing is the No. 1 calming technique.
